Kudos Go to the Rural Metro Fire Department

by Judy Ford

We would like to thank the Rural Metro Fire Department for sponsoring our ice cream social this month. Jason McVey, EMT firefighter, and his partners brought us some very important safety tips. They have had several calls in the area where they have had to break a window to get into the home to answer a 911 call. They stayed after the presentation and answered any questions that were put to them. Thank you Metro Fire Department for always being there when you are needed.

We are working closely with Jason to have a informational meeting in November for all of Dreamland to attend. Following the meeting we will have a sign up sheet for anyone wanting to take a CPR First Aid course. So watch the Citizen and check our website, <http://www.dreamlandvilla.org/> for more information.

Help with a Christmas Stocking Project for Homeless Children

by Judy Ford

There is a group of ladies in Dreamland Villa that make Christmas stockings for the East Mesa Food Bank, (goal 250) Velda Rose Methodist Church goal (500), and also for the Care Partnership and New Leaf Shelter for the Children of Abused Woman.

There are approximately 18,000 homeless children in the Valley. So, let's get together and help these ladies give a little cheer this Christmas season. The ladies are in need of material, glitter, fabric glue, and rickrack. Also needed are articles to fill the stockings such as: cereal bars, candy, beanie babies, and personal care items. coloring books,

crayons, and pencils or any thing else small a child would like to find in a stocking Christmas morning.

Please contact any of the following ladies:

- Carol Taddon 480-325-3670
- Fern Skidmore 602-315-2364
- Lynette Stephenson 623-261-6489
- Betty Ann Canino 856-332-9351
- Storm Song 480-242-1829
- Jeanne Partida 480-981-6149.

We will try to set up a box in Read Hall in which you may put your donations. Let's get the community spirit started early this year.

Mesa School Buses Picking up Students

by Charles Dubbs

We have a number of residents who have indicated that the Mesa School Buses are picking up children in Dreamland Villa. If this is happening in your neighborhood, please note the time, day, and Bus Number to file with your complaint at the DVCC office. We also need the house number. We are attempting to work with the Mesa Schools Transportation Department to see why this is happening. We have followed up on complaints and the affidavit filed indicates no children; therefore, we want to follow up with the Mesa schools.

Citizen Book Review

Julia's Chocolates by Cathy Lamb

Julia Bennett is not a happy bride. She is driving away from her wedding as fast as she can. Her wedding dress is hanging from a tree somewhere in South Dakota, soiled from the dirt she stomped into it. No more snobby Boston almost in-laws. No more abusive almost husband. Julia just can't do it. She just hopes that her chocolate stash holds out.

Will Julia's Aunt Lydia shelter her as she always has? Robert doesn't know about Aunt Lydia. No one knows about Aunt Lydia except Julia's mother, who is off somewhere with her current boyfriend. Heaven only knows where, so it's for sure Robert won't.

Thank heavens for Aunt Lydia. When the yard full of statues including three pigs named after men Aunt Lydia has a grudge against, including her gentleman friend, Stash (he beat her at poker once) comes thankfully into view, Julia feels the tension build again. What if Aunt Lydia doesn't want her? Aunt Lydia, with her huge yellow farmhouse and eclectic lifestyle bring Julia the rest and relaxation she must have to survive. Her arms are open wide and Julia is folded once again into Aunt Lydia's world.

Tonight is Physic Night with Aunt Lydia's three best friends. Once a week they meet to discuss their lives, women's issues, and whatever else they like, then they top the evening off with a Physic Reading by Caroline and a glass of wine and dessert. Tonight's topic is Women's Breasts. Oh, my God. Julia is appalled. Her breasts have been an issue since she was twelve when she went from a training bra to size 34 D within one summer. How can she display and discuss her breasts with three strangers including the minister's wife. Julia needs major CHOCOLATE for tonight.

Aunt Lydia's friends have found a new love for their lives, Julia's Chocolates. They are divine and gain a life of their own over the summer. They turn up at parties, church events, funeral receptions and finally the local fair. Her new friends have also found a new love for Julia.

I thoroughly enjoyed JULIA'S CHOCOLATES. It made me happy for her success. It made me sad for what she had been through with both her family life and her boyfriend. It made me fulfilled to see her life turn around. Not everyone will see the humor in this story but everyone will see the love.

Easy Cooking

by Teri Pazos

Crack Dip

2 Packages of cream cheese (I use Neufachel for one package)

1 Package of sausage (Bob Evan, etc.)

1 - 2 Can(s) Rotel Original Tomatoes and Green Chilies (You may use mild, medium, chunky, or hot. Make it any way you want it.)

Brown sausage and drain juices. Add to the cream cheese and Rotel tomatoes over low heat, stirring until cheese is melted. Keep warm in a crock pot. Serve with tortilla chips.

This is called Crack Dip because it is so ADDICTING and delicious. Beware!

In and Around the Villa

by Mary Anne Glauner

Welcome home, our winter visitors! We've missed you and are glad you made it back to Dreamland safely. Did you happen to notice how green our valley is? We had quite a bit of rain last month, over 3 inches for the whole month. If you weren't here you missed all the excitement, the beginning of the month when the storm hit. Many people were stranded in the flooding and some people had to be rescued by the fire department. Thankfully, there were no fatalities in our area.

If you are interested in art, our Art Department has scheduled registration as the last Friday in October. Registration will be from 9:00 AM to noon in room R-5. You can sign-up for oils, acrylics, or watercolors. They usually have some specialty classes also. Stop in and talk to the teachers they will be happy to see you.

Our Computer Club is already going strong and is one of our largest clubs. Whether you are a beginner or an expert you will enjoy being a part of this great group. Their monthly meetings are very informative and interesting.

The Arizona State Fair will be held at the State Fair Grounds at 19th Avenue and Grand. It is a treat to visit; some of our own members have had entries in many categories in the past and may be there again this year. Check them out. They have some good musical shows, great

food, and, of course, the carnival rides to thrill every one of every age.

If you usually go to Sonora Quest Laboratories at 215 S. Power Road, be aware that they have relocated to 6106 E. Brown Road, Suite 1004 (N.E. corner of Brown and Recker Rds.). You can go online to make an appointment in advance if you have a computer.

A new restaurant, Smashburger, has opened, at 2837 N. Power Road (McDowell Rd.) They are famous for their Angus beef burgers with several choices of toppings and homemade buns. They also have chicken, and veggie burgers.

PIEfection has opened at 6731 Brown Road. They have some of your favorite pies and coffee, or you can purchase a whole pie for your desert for that special dinner. Give them a try.

Sai Wan Hong Kong Bistro has opened at 6638 E. Superstition Springs Blvd. They serve authentic Cantonese and Mandarin Chinese foods.

Fat Boy Pizza of New York has opened at 446 N. Higley Road, Suite 105, the former MexiKennys Pizza location next to Cricket. If you are interested, they will deliver.

Are you aware that if you spend your money at local establishments, 67 cents of every dollar spent stays in Arizona, whereas, if you shop at the large chain stores or box stores only 33 cents of every

dollar stays in Arizona. As a result, don't you think it's better to shop locally than the chains? It is better to improve our own economy and keep the money here than to send it overseas. What are some of our own, Bashes; Harkins; neighborhood restaurants; and retail shops.

Young Chuck in Montana bought a horse from a farmer for \$100.00. The farmer agreed to deliver the horse the next day. The next day he drove up and said, "Sorry son, but I have some bad news... the horse died." Chuck replied, "Well, then just give me my money back." The farmer said, "Can't do that. I went and spent it already." Chuck said, "Ok, then just bring me the dead horse." The farmer asked, "What ya gonna do with him?" Chuck said, "I'm going to raffle him off." The farmer said, "You can't raffle off a dead horse!" Chuck said, "Sure I can, Watch me. I just won't tell anybody he's dead."

A month later, the farmer met up with Chuck and asked, "What happened with that dead horse?" Chuck said, "I raffled him off. I sold 500 tickets at two dollars apiece and made a profit of \$998.00." The farmer said, "Didn't anyone complain?" Chuck said, "Just the guy who won. So I gave him his two dollars back." Chuck grew up and now works for the government. He was the one who figured out how to "bail us out."

H.E.L.P. Services. Inc.

by Betty Mosier

I enjoyed reading articles in the September Citizen, especially the one of Alicia Short's traveling in Arizona. I've been to those places and her descriptions were very good. The friends, including my husband "Pete", that I traveled with to those places has long ago passed on, and I don't know anyone that wants to do that type of gallivanting around anymore. I'm not very good on my feet anymore, but with the help of the nice walker from H.E.L.P. Services I can still go places that otherwise I couldn't manage. I would like to go again to places here in Arizona. Little short trips around to stores or restaurants where I can park close. I don't use the walker because it is too hard to get out of the car, but I probably should. Aren't we lucky to have such things to help us today. I can remember seeing a friend using a lightweight walker that had a basket and you could sit on a small seat, so I immediately found one that was stronger, and purchased it for my husband. I used it when I had hip surgery, then donated it to H.E.L.P. Services and it is probably worn out and gone by now, though they last a long time. At least I have not seen it around. Now, I borrow one and do appreciate it. I wish there was an easier way of getting them in and out of the car, like they have on the backs of cars for the scooter, etc.

Weren't the rains nice? I was in a hard rain after the bad dust storm and got my car washed for free! It was a nice surprise for me. Someone commented on how clean my car was, when so many cars around us were really dirty. Nature does a lot of nice things as well as bad.

I read where we have a lot of new people that purchased houses in Dreamland Villa this summer. I hope that you all will come in and visit us at Help Services, at 5210 East University near the Gerber Furniture Store at Higley and University streets. Our warehouse is full of so many things to help in sicknesses and after knee, hip or ankle surgeries. We now have knee-walkers for after ankle and foot surgery recoveries, besides the different kinds of walkers and canes and even the wheelchairs. We also have the lightweight ones, the glider chairs, that you can use to push someone around at the zoo, the big swap meet and places that they might not be able to do all the walking around ---visiting people or maybe your spouse. People can go places that they might miss out in. We also have things for when babies come for a visit like baby beds, strollers, high chairs, playpens, potty chairs, even pull toys, and so much more. We have hospital beds (not electric) but nice and sheets for them.

There are so many things that you may need so come in and look around to see what all we have for your use. There is no

cost, except what you may care to give as a donation for the use of what you use. We have always strictly worked from donations. An exception is when you use the hospital beds. They have to be delivered and set up by our men and there is a small charge for the delivery and set-up. We also have rollaway beds for when company comes. We also have air mattresses that some use on the floor for kids who are visiting.

A couple of quotes that I think go together: "To be ambitious for wealth, and yet always expecting to be poor; to be always doubting your ability to get what you long for, is like trying to reach east by going west. There is no philosophy which will help a man to succeed when he always doubts his ability to do so, and thus attracting failure. No matter how hard you work for success, if your thought is saturated with the fear of failure, it will kill your efforts, neutralize your endeavors and make success impossible-----Charles Baudouin.

The next one---"People often become what is expected of them," by Reggie Jackson "A great manager has a knack for making ballplayers think they are better than they think they are. He forces you to have a good opinion of yourself. He lets you know he believes in you. He makes you get more out of your self, and once you learn how good you really are, you never settle for playing anything less than your very best."

DV

From My View

by Charles Dubbs

This is the month that many of our activities begin their fall programs. As we prepare for the month we also know that many of the leaders of the various activities have not contacted the office to let

Jackie know what the schedule will be for the group. Preparing the monthly calendar is always a difficult task, but it is made more difficult because we are never sure when people in charge come back or even whether an activity will continue. Please remember the staff must depend upon all leaders for the monthly schedule. We also need to be sure that space is available or rooms assigned. We have had some changes this past summer and space is limited. Please assist Jackie by confirming your dates for the next month prior to *Citizen* publishing date (confirm by the 5th of the month for next month's activities.) Please check the website for any activity changes reported to the office.

Thank you to those folks who contributed their old glasses to the Lion's Club. Harry Cole was very pleased to find your donations. Please remember the box for old glasses is located in Read Hall; check the display case. We know some people read the column!

Also a thank you goes to those who discovered the "Textile Recycle Bin" prior to the September *Citizen*. The bin is located in the parking lot adjacent to the library. A check has already been sent to Sunshine Acres as a result of your contributions. Clothing and fabric placed in the bin provides for a cash

donation to Sunshine Acres in the name of Dreamland Villa Community Club.

The fall entertainment schedule will be available shortly from the printers. Check the *Citizen* for the entertainment schedule each month. A mixture of shows, concerts, and dances has been scheduled.

The Study Session and Board Meetings commence with the month of October. We look forward to having those directors who have been out of state return for the activities and business of DVCC.

With the rains come the weeds and with the weeds come the complaints. Please check your yards and do your best to keep them clear and free of weeds. Gordon Watson with his volunteers work diligently to follow up on the complaints. Complaints that involve non-members of DVCC are sent directly to Maricopa County Enforcement for violation of County Abatement Rules and Ordinances.

The maintenance crew has had some unexpected work items due to the recent monsoon season, with water entering a number of the clubrooms and the dust settling in the swimming pools. We appreciate their work keeping our clubhouse and rooms spic and span. Brian, our Maintenance Foreman, Tyler and Dean recently completed a day's seminar program on troubleshooting and maintaining swimming pool heaters courtesy of Leslie Swimming Pools, our major supplier of chemicals for the pools.

John's Villa Restaurant is open for your breakfast and lunch. New breakfast combos are being served, and I understand that the fish fry is back. Let's remember to support our John's Villa.

We look forward to seeing folks around and participating in the various activities.

From the Quill of Penelope Pinfeather

It has been a quiet summer here at DVCC. Thank goodness for our pools! It is so nice to take a dip in the pool on a hot summer day, even if it does take the color out of my hair. Our maintenance staff keeps the pools sparkling clean even with all the monsoon dust storms that we have had. Our staff is still able to have the pools clean and open by 7:30 AM. I just don't know how they do it!

Did you notice the flowerbeds in front of Read Hall? They have been relined and filled with new soil, Jade plants, and Fire Tip Aloe. The flowerbed in front of the office has been planted with Barrel Cactus. All of the plants are low maintenance and

drought tolerant. It looks so nice now that it is done. Brian and Tyler worked so hard in our summer heat on this project. Dean and Mark have tiled the front entrance to Read Hall. It looks so much better than that old carpet. The floors have all been stripped and waxed thanks to Sherry, Mark and Dean. The carpets have been steam cleaned by Tyler and Brian. I think our maintenance crew works harder in the summer time getting things ready for our season.

I have been in contact with Dazzle Entertainment and have heard some buzz around our community about the Fashion Show. I have been told that a signup sheet will be in the office by the first of October. They are looking for models, servers and dressers. So if you are interested, please sign up. It sounds like fun!

Arizona Day Trips

“Music Is the Language of the Soul”

Would you know what a pipa is? What a frog scraper is? Where would you find an Ud, a Shegbureh, a Kangoma, or a Jabawai in the same building? Even heard of them? Well, neither had I. But there is a place to see and hear them. The Musical Instrument Museum (MIM) that's where. Here you will find over 10,000 musical instruments from all over the world in one location.

What a fascinating place! It is amazing how many different, interesting musical instruments there are in the world. No matter what country, what color, creed, religion there is, people all over seem to find a way to make music. No wonder music is the language of the soul.

The museum is really an all day trip or two just in itself. Divided by regions of the world there are twelve plus rooms full of instruments. Instruments from Africa, Middle East, Central and South Asia, Southeast Asia, Oceania, Latin

America, Europe, the United States and Canada are on display. There are a large variety of drums, lutes, flutes, guitars, and more. The people in these various countries used what was available to them from their environment and lands to create a variety of sounds to celebrate events, accompany rituals or just plain entertainment. It was amazing to think of how many variations of the same type of instrument were created by different people.

As the brochure says, “Travel the world of music in MIM’s five geographical Galleries. State-of-the-art audio and video recordings allow you to hear and see the creative spirit of people from every country in the world as they play their instruments. Attend a traditional Beijing opera. Celebrate a contemporary Ukrainian wedding. Pulse to the rhythm of Nigerian drums. And let the good times roll with Cajun zydeco.”

When you come into the museum, after you pay your \$13 (for seniors) fee, you are given earphones so you can actually hear samples of the music from each country. Start out with the orientation video in the Orientation Gallery behind the guest services desk and then move on to the various rooms to view their displays. We started upstairs first touring the Africa, Middle East and all the Asian rooms. Then we moved on the Oceania and Latin American rooms. By this time I was pooped. Within these rooms each country had typical musical instrument and in some areas costumes and masks were on display. Videos in each area also gave you a taste of the people who played them and danced to their native music.

By the time we had finished these rooms we had walked ourselves OUT. Too tired to go further we missed the United States/Canada room and Europe room. We also missed the downstairs displays. While we went in on one afternoon, it is an all day event if you started out when they open and stayed until they closed. You might see it all in that case (maybe). For us, we will go back another day to catch what we missed. It's well worth it.

The museum also has a café, a gift shop, and a room for experiencing various musical instruments, as well as

the Mechanical Music Gallery and Artist Gallery. In the Artist Gallery the piano that John Lennon used to compose the song, “Imagine,” is on display. There is also a Music Theatre with a full schedule of concerts throughout the year. The Target Gallery hosts special and traveling exhibits. The Conservation Lab provides an opportunity to see instruments being restored and preserved. If you like to volunteer, the museum has a program and is a great way to get involved.

It is considered the most extraordinary museum you will ever hear. Even Tony Bennett said, “MIM is my favorite museum in the world. Everyone needs to see it.”

The museum is located on the southwest corner of Tatum Blvd and Mayo Blvd. Head up the I-101 north, exit on Tatum to the south and it's just a short distance from the freeway. There's plenty of parking and a short walk to the entrance.

That's it for this month...I'd highly recommend a visit to this museum if you have never been there. Next month we will see you someplace else in Arizona. Welcome back, neighbors.

Yahoooooooooooo! Summer is over and many winter visitors are back. So let's meet and greet our friends for our monthly potluck dinners the third Thursday of the month. This month it will be October 18, 2012, at 6:00 PM at Farnsworth Hall. Bring a dish to pass and your own utensils. Coffee and Tea will be provided. We will have a surprise guest to give us a sample of a coming show to DVCC. An interesting travel log will be shown for your enjoyment.

Dreamland Villa Men's Golf Club

By Ray Zabel

For two weeks in September Dreamland Golf Course was reseeded from the 13th thru 24th and there was no play. Starting the 25th play began again. I have been writing week after week that the course is in the best shape ever. This includes tees and greens that are in the best shape ever. During the reseeding of the two weeks, they are redone and reseeded all the bare spots. The course will be in the best shape ever.

We had our Summer Club Tournament in August and the winner was Larry Waterstradt.

We had a 2-Man Scramble September 5th with Mark Boehmer, Ken Hyink, Lin Bybee the winners.

Monday and Wednesday the club will still be teeing off around 6:30 AM until the middle of October when the tee off time begins about 10:00 AM.

We keep track of your scores and develop your handicaps. This is done because a portion of your playing fee you get back in chits you can use in the pro shop. Keep in mind that our first Club meeting will be the 25th of October at Read Hall at 5:00 PM. This meeting will include dinner, drawing for starting times. The starting times begin at 11:00 AM.

We also have a group that plays on Friday and the starting time is 6:30 AM.

Some scores we have for the last few weeks are:

Bare, Bill 45, 45; Bodor, Marty 39, 42, 40, 41, 42, 40; Boehmer, Mark 39, 43, 42, 42, 41, 44; Bybee, Lin 41, 41, 45, 41, 47, 47, 47, 41; Capelliotti, Pat 45; Cole, Harry 41, 35, 41, 40, 40, 41, 35; Gerholdt, Al 46, 49, 44, 46, 46, 41, 43; Rife, Paul 40, 46, 47, 48, 45; Tatman, Dale 47, 50, 37, 38, 39; Vincent, Freddie 42, 41, 41, 46, 44, 45; Waterstradt, Larry 35, 37, 36, 35, 33, 36, 33; Wiland, Dick 48, 49, 39, 42, 41, 44, 41, 45; Zabel, Ray 40, 36, 36, 40, 38, 38, 40, 42, 38.

Golf Poem

In My Hand I Hold A Ball,
White And Dimpled, And Rather Small.
Oh, How Bland It Does Appear,
This Harmless Looking Little Sphere.
By Its Size I Could Not Guess
The Awesome Strength It Does Possess.
But Since I Fell Beneath Its Spell,
I've Wandered Through The Fires Of Hell.

My Life Has Not Been Quite The Same
Since I Chose To Play This Stupid Game.
It Rules My Mind For Hours On End,
A Fortune It Has Made Me Spend.

It Has Made Me Curse And Made Me Cry,
And Hate Myself And Want To Die.
It Promises Me A Thing Called Par,
If I Hit It Straight And Far.

To Master Such A Tiny Ball,
Should Not Be Very Hard At All.
But My Desires The Ball Refuses,
And Does Exactly As It Chooses.

It Hooks And Slices, Dribbles And Dies,
And Disappears Before My Eyes.
Often It Will Have A Whim,
To Hit A Tree Or Take A Swim.

With Miles Of Grass On Which To Land,
It Finds A Tiny Patch Of Sand.
Then Has Me Offering Up My Soul,
If Only It Would Find The Hole.

It's Made Me Whimper Like A Pup,
And Swear That I Will Give It Up.
And Take To Drink To Ease My Sorrow,
But The Ball Knows ... I'll Be Back Tomorrow.

Stand proud you noble swingers of clubs and losers of balls!

A recent study found that the average golfer walks about 900 miles a year.

Another study found that golfers drink, on average, 22 gallons of alcohol a year.

This means that, on average, golfers get about 41 miles to the gallon!

Kind of makes you proud. Almost makes you feel like a hybrid.

Pickleball at Dreamland Villa

by Ralph Shirey

The pickleball players have been playing indoors at Farnsworth Hall to get in out of the summer heat. A great time was had by all and we got our exercise.

Maintenance had scheduled to strip and wax the floors so we had to stop playing. They are about finished so maybe we can put the boundary tape back in place and resume play.

The pickleball players have been selling water, soda and snacks at the Legends of Country Music shows to raise money for their equipment. With attendance at each show running 200+ we have sold a lot of refreshments. Through the summer we have added two new paddles and two dozen more balls so as to have equipment

at both locations. There is equipment in the shuffleboard room if you want to play at the outdoor courts at the Read complex. Use your Kee card to gain entrance.

If the weather permits, we will be playing outdoors by the time you are reading this.

Come and join us on Mondays, Wednesdays and Fridays about 8:00 AM to play, if you don't know how to play we will show you the game, work with you and in no time you be enjoying the fastest growing game in senior circles! Wear comfortable court shoes and you may need a hat or sun visor. Be sure and bring water, we live in the desert you know.

Enjoy all of the outdoor and indoor activities in your Dreamland Villa where retirement dreams come true.

Computer Club

As the fall season has arrived, we look forward to seeing many of our members back into their winter homes. We hope they will be attending our classes regularly again. We have missed you.

During the summer months several have been at the regular classes and many have received help with their problems.

At the first General Meeting on September 5 at Room 9, Bob Oberholtzer and Stuart Haynie had put together an interesting presentation telling us how to maintain the XP, the Vista and also the Windows 7 computers. Copies are available at Room 9. We assume that each of you will take advantage of this information and can keep your computers

running in excellent order. We were happy that fifteen members came to the class.

Bob is at Room 9 every Tuesday morning at 9:00 AM. Stu is there every Friday at 9:00 AM, and he looks forward to helping each of you if you have problems. And the Q/A is every Saturday morning at 9:00 AM. We hope to see more of you now as it makes for a very interesting morning as many things can be discussed and many problems can be solved.

Several members came to the monthly brunch on the 3rd Thursday of each month at the Golden Corral at about ten thirty. Since many are enjoying their time together and also the excellent food, that brunch will continue through out the winter months. Friends are also welcome.

The Board members will meet on September 20 at 9:00 AM in Room 9. Other members are welcome to attend as guests. They will be discussing upcoming classes and events.

The next General Meeting will be at Farnsworth Hall at 9:15 AM on October 3. At that time, there will be a discussion from attendees as to your requests for programs that you wish to be set up for the winter months. We urge anyone who would like to teach a class or demonstrate something you know to please let a Board Member know. By facilitating a class, you will be able to help others who are anxious to learn how to better use their computers.

If you have a laptop, bring it to the classes if you wish. See you there.

Quilting Club

by Becky Lamson

A heart felt "Welcome back" to all our quilting members that were gone during the summer months. We look forward to seeing your show and tell items from the summer.

A reminder that the meeting day and place have changed. We now meet all year on Thursday at Read Hall from 1:00 PM to 3:00 PM. October thru May we meet every Thursday. The rest of the year (June through September) we will meet on the 2nd and 4th Thursdays.

At our October 5th meeting we will have a short business meeting to plan what we want to do the remainder of the

year, followed by the Show and Tell session. We will end with open sewing. Bring a sample of all the projects you did over the summer please.

We welcome your unused quilting fabric and batting. You can contact the Quilt Club President Becky Lamson at (480) 202-7003, and she will arrange a time to pick it up or you may drop it off during our weekly quilt meetings at Read Hall on Thursdays from 1:00 - 3:00 PM. New or prospective members are always welcome.

Quilters' quote of the month: Blessed are the children of the piecemakers for they shall inherit the quilts!

Singles Club

by Fleda Krafczik

Happy Halloween to everyone. It is time for all of us to relax and enjoy the cooler weather and get back into the fun of the season. Welcome back to all the winter visitors; you were surely missed. The Singles club is gearing up for fun in the sun as we plan our monthly outings.

We have a Wii party every 3rd Thursday at Read Hall at 5:00 PM; there are many games to choose from, great fun and good exercise, too. The potluck is the 1st Tuesdays of each month at 6:00 PM in Read Hall. There are a lot of great cooks in our club and even the men make good dishes.

Breakfast out this last month was at the Golden Corral, always a favorite. The lunch out was at Madison's Grill with a little time to play scuffleboard. A few of the members attended Fire & Ice at the Mesa Arts Center, so many things to do and see. WOW! A Wild West Dinner and Stage Show with a great time shared by all. Dine out was at P.F.Changs for Oriental food which is always a winner.

The club's regular meetings are the 2nd and 4th Wednesdays of each month at 9:30 AM in Read Hall. The club always welcomes new people to come to a meeting and or the potluck to get acquainted with members and makes new friends. For more information call Bob Pleasant at 981-7543.

Are You Interested in a Photography Club?

by Glynn Short

I am a photographer residing in Dreamland Villa with formal training from New York Institute of Photography, Mesa Art Center, Fotomark in Scottsdale, and also including a number of on-line courses. Additionally, I have broad experience working in a number of photography disciplines.

I would like to establish a Photography Club for Dreamland Villa residents for beginning amateurs, intermediate and expert photographers.

Some objectives would be:

1. Learning technical aspects of film and digital photography
2. Learn and apply creative techniques
3. Opportunities to promote your work
4. Interaction with other photographers
5. Opportunities for group exhibits
6. Field Trips to do photography

I am hopeful there will be enough interest from our community to put together an Organizing Committee to get started. I have been told we will have access to meeting Room # 8.

I would like to schedule the first organization meeting at Dreamland Read Hall, Room 8 for Friday, October 12, 2012, at 10:00 AM. Please call Glynn Short 480-467-7211 or email: oldscot1@hotmail.com if you are interested.

I am looking forward to your participation.

500 Card Club

by Joan Wissinger

Mark your calendars! 500 Club is restarting October 12, 2012, at 7:00 PM at Read Hall! No one showed up for four weeks after Don and Leniere entrusted me with the key. Hope everyone had a great summer, and I'll see you there, - Friday, October 12!

Arts and Crafts

by Jennifer Tompkins

Welcome back to the desert everyone. Hope you all had a wonderful summer back home and are now ready to have a wonderful winter in Arizona.

The Arts & Crafts Club is starting our 2012-2013 season this month with our Organizational Meeting on Tuesday, October 16 at 8:00 AM in Farnsworth Hall. Please plan to attend. If you are new to the Dreamland Villa Club, please remember to bring a sample of your crafts for jury. If you would like to participate in our Craft Shows this year, please call Faye O'Blenness at 480-350-7181. She will be back in Mesa the first week of October. At this time the November and December shows are full but she will put you on the waiting list for an available table. She will call you when a table becomes available. Our shows are very popular, and it is important to get you name on the list early. If you don't get a table for the first shows, you may get a table for the third or fourth show.

Please remember that all crafts sold at the Dreamland Villa shows must be homemade. We welcome new crafters.

Our 2012-2013 schedule is below. Plan to attend the shows. They are a great place to shop for that unique gift MADE IN THE USA.
