An Idea That's Sure to Grow on You

by PJ O'Malley

Where are you most likely to stumble upon fresh fruits and vegetables that are the tastiest, most nutritious, guaranteed pesticide-free and least expensive varieties? Roadside produce stands? Maybe. Farmers' markets? Sometimes. The all-time answer: at the coming Community Garden* of Dreamland Villa where you and your neighbors grow them yourselves! Plans are under way to turn the neighborhood eyesore at 55 Place between Butte & Billings into an active, productive, flourishing, beautiful community garden that we residents can take pride in. As you know, that parcel of land has lain dormant for decades, growing nothing better than weeds. But under caring management, we think this quarter acre is ripe for exploitation

of the beneficial kind. If you sense that a community garden would be just the ticket to bring neighbors together, join in a healthful and, or, fruitful activity, feed their families, and enjoy what the Lord showers freely upon us, you'll want to make your voices heard. Resident P.J. O'Malley is opening up slots on a team to hammer out a proposal to the Board for just such an adventure. He needs gardeners, carpenters, Internet researchers, idea people, energetic beings, tilling equipment operators, and others willing and interested residents in transforming this land into a virtual "Garden of Eatin'." So if you have any talent, input, latent farming desires, can donate time, money, muscle and/or expertise, do call me and leave a message when it would be best to chat, or email

me at pjomal@aol.com. For more general info, check out "community garden" with your search engine. Let's turn that Dreamland Dirt into homegrown wholesomeness, and get our community involved in loads of stumbling fun and production. *Community Garden: a parcel of land divided up for enthusiasts into personal plots, say 10' x 12', with access paths to each, city water, and a shed to store tools. A nominal charge would likely apply annually for water and maintenance. The garden should further offer a composting area, planting and harvesting assistance, and info/training sessions on organics, soil enrichment, home canning, heirloom seeds, irrigation systems, etc.

DVCC Board Will Host Evening Meeting
by Patty Thorpe

I want to remind you the Board decided to have one March monthly Board meeting at 7:00 PM at Read Hall instead of the usual 9:00 morning meeting for all of you who are unable to attend the day meeting. We, of course, welcome all of you who normally come to the morning meetings. The meeting will be held March 10, 2015. I encourage all of you who may who not have attended a Board meeting to please join us. We think you might have a better understanding of what the Board members do to represent all of you in our community. Please note you must have a membership card to attend this meeting. If you haven't become a member as yet, I encourage you to please do so. Just go to the office and Irene or Jackie will be happy to help you with the process. When becoming a member, it will allow you to use all of the facilities and the numerous activities that Dreamland Villa has to offer. On behalf of all of the Board members as well as myself, I hope to see many of you at the March meeting.

Credit Card Services Are Now Available
by Patty Thorpe

Want to use your Credit Card for paying your membership dues, buy tickets for a show, or even buy tickets for the pancake breakfast? Well, it is now available for your convenience at the Dreamland Villa office. You may use your Visa, MasterCard, American Express, or Discover card. A minimum charge of \$5.00 will be required. A fee of 2.837% of the total purchase will be charged to your account to cover Dreamland Villa's cost for these services.

A Spaghetti Feed Is Planned for March
by Red Westall

We love our spaghetti, and once again you have the opportunity to enjoy a home cooked meal including the spaghetti (sauce is homemade), salad, garlic bread, and coffee or tea. The event is taking place at Farnsworth Hall on Wednesday, March 18, 2015, at 5:00 – 7:00 PM. The proceeds from this dinner will help buy pool covers for Read Hall swimming pools. This dinner is a bargain at \$5.00, so bring your appetite and come for great spaghetti.

Hope to See You at Our Tea Party!

The Dream Steppers proudly present their second tea and fashion show this year on Wednesday, March 11 at 2:00 PM.

We will feature a light meal to include desserts and choice of tea or coffee, entertainment, and a show of fashions worn through the ages – perhaps some by your grandmother or even your daughter!

This year's theme is the "Roaring 20's", and we invite you to come dressed in that mode, if you wish. We will once again offer prizes for best costumes selected by our waiters along with raffle prizes. Remember, ticket sales are in advance only and once they are gone, ladies (and gentlemen), that's it!

We hope to fill Farnsworth Hall with about 240 people, eight seats per table. Price of a ticket this year will be \$7, as last year's admission didn't cover our expenses. Tickets will be available at the Read Hall office starting in February. Tables of eight may be reserved. Come Join Us for a Fun Afternoon!

Again, I want to communicate and explain two decisions that have been made within the Dreamland Villa Community Club over the past several weeks. The first decision is to change space allocations of some of the activities within DVCC. Our membership base is involving themselves in more of our activities which has created a space issue. The Lapidary Shop has had the biggest increase in members who wanted to join in the fun with rocks. The monitor of the Lapidary Shop, Pat Clark, has done everything possible by adding days, evenings and weekends but knows that these changes are only temporary. Many more members are using the Exercise Room which is in need of more space to accommodate the additional number of people. There aren't any plans for changes in the Art Room, Computer Club or, the Ceramic Shop. However to keep up with the increase in people using these activities, these shops and clubs may see changes in the future as well. I ask everyone to please work together as we try to make changes to accommodate the increase in people using the club's activities with limited cost outlay.

I've asked Red Westall to create a plan that would satisfy

some of these changes without costing the club an arm and a leg. If you are interested in obtaining facts of what Red and his committee have come up with, please come to the Board meetings where the changes are being discussed.

I understand that change is not easy to accept. However, if we want to move this club into the future and not spend a lot of money, we all have to give a little. We may not like it but it has to be done. Red has held several meetings with all the activity monitors and has tired to meet most of their requirements.

The second decision I want to communicate is the Board's decision to close the Ceramic Shop on a temporary basis. Our club is looking for a monitor for the shop and as soon as we can find a qualified person as the monitor, the Ceramic Shop will open again. I ask for your patience and understanding regarding this matter.

I want to thank all of you from the bottom of my heart who have paid your dues for 2015. Everything is looking good on the financial front. We told you the truth about our financial situation, and you stepped up and agreed to do what you could and would do to help. I would say we have a great team. Great job, Team! Remember you can always call me if you ever have anything you would like to discuss. 608-843-3871.

See you around the Villa!

DVCC Needs Your Help!

by Patty Thorpe

There are openings for two very important positions as of October 1, 2015.

Donna Zurbay has been the Volunteer Committee Chairperson for the past three years and has done an outstanding job. However, Donna has informed me that as of October 1, 2015 she will be resigning from that position.

The other position is to take over the duties as the Membership Chairperson that Karen Peterson has handle with great success over the past three years. Karen's position will become vacant on October 1, 2015 as well.

I would like to ask our entire helpful and capable members out there in Dreamland Villa Community land if anyone would be interested in taking over one of these positions to aid Dreamland Villa Community Club?

Please contact the office at 480-832-361 or call me at 608-843-3871.

Telephone Directory Updates Must be Submitted by June 1

by Barbara Miller

Any changes you would like to make in the 2016 Dreamland Villa Telephone Directory should be submitted to the Dreamland office no later than Monday, June 1, 2015. Residents requiring changes will find a form on page 19 of the present directory under Notice to All Residents. Please fill out the form and return or mail to the office. ALL residents should check his/her telephone number and information to make sure it is correct in our present directory. There will be no new directory in 2015 since the company who did our directory went out of business.

News from the Librarian's Desk

by Margie Gilbert

Things are warming up already, but the fun continues in Dreamland Villa. We are still observing our winter hours. We are open from 10:00 AM until Noon on Monday, Wednesday, and Friday as well as the first and third Saturday every month. We are also open Wednesday afternoon from 1:00 PM until 3:00 PM. Books are checked out for three weeks and you may renew them if necessary.

Thank you to all of you who participated in our annual book sale. We had people beyond our usual volunteers call and offer to help during the sale. We had many wonderful books to sell and to those of you who spent some of your time with us buying books, we thank you, too! This year was one of our most successful ever. We took in over \$950.00 this year. We will be continuing our work of refurbishing the library with some more paint projects as well as new blinds for our front room. A big thank you also goes to Sunshine Acres Children's Home who comes and gets the books that didn't sell. Their Thrift Store is a wonderful place to shop and a good organization to support.

We are also very thankful for those of you who continue to donate books. Our book buying budget is quite small and we really appreciate the many lightly used volumes you donate over the years. We have a library to be proud of. Thanks for making that happen.

If you want to read a new "Best Seller" that we don't have on our shelves, please put it on the request list which is at the sign in desk. We do our best to find those books and get them on the shelves as quickly as possible. When you are checking books out, please remember when you check out a book from the "newly purchased" shelves to take only one at a time. No limit on the "newly donated" books or from the rest of our collection.

Again, thanks to all of you who donate time, books and who read our books. You all make this library a happening thing. Thanks for your support.

Citizen Book Review

by Margie Gilbert

Murder by Mocha by Cleo Coyle

Murder by Mocha is the tenth in a series of coffee house mysteries. The same author writes a Haunted Bookshop series under the name of Alice Kimerly. The website for these books with all the recipes and lots of other information about both series is www.CoffeeHouseMystery.com.

Set in New York City, the Village Blend Coffee House is owned by Madame, Claire Cosi's former mother-in-law. Clair manages the Blend and is the head barista. Claire's ex-husband Matt roams the globe brokering coffee deals and sometimes coming home for a visit. Claire and Matt's daughter, Joy, a culinary student who has her sights set on owning her own restaurant, helps her mother at the Blend on special occasions. Mike Quinn, NYPD Detective and Claire's current boyfriend yet again helps Claire figure out what and who have caused the latest murder in her life!

Madame has teamed up with a friend to market Claire's Village Blend Beans (Claire roasts her own) in a "Mocha Blend Magic" aphrodisiac. It is to be sold exclusively on Aphrodite's Village, a website for women. Claire is charged with managing the launch party which ends when one of the website's editors is found dead. Love, hate, jealousy and greed are all part of the mix, and with the hint of illegal drugs thrown in, Claire depends on Mike Quinn to help her preserve her reputation and that of the Blend.

With a fairly large cast of characters and more involved plot than many of the other cooking/baking/catering/quilting/knitting series currently in vogue, this is not quite the light read that this genre usually gives its readers.

Thank you, Dreamland!

by Aggie Forsyth

Pat Berg, who came up with the idea for the spaghetti dinner fundraiser, and the rest of the DVCC pickleball players would like to thank all of you who came out on February 11th to enjoy our fund raising spaghetti dinner. We had a great turn out making it a huge success; in addition we had fun doing it and, I believe, you had fun eating it!

Although the dinner was sponsored by the pickleball players, we had a little (read that "lots of") help from our friends. We'd like to thank Katy Senke for food prep and serving, Jim Cook for printing tickets and the lovely office personnel, Irene and Jackie, for selling advance tickets for us. Very special thanks and an honorary membership in pickleball goes to the following: Bea Westall for all of her assistance in planning, shopping and setting up; Bob Westall for his ability to cook that very special spaghetti sauce; Red Westall for his spaghetti cooking ability and Ray Bican for his spaghetti cooking tips, and from all of them, their cheerful willingness to help us. Last, but not least, thanks to Larry Eller for the wonderful entertainment! Of course, thanks to all the players who stopped playing pickleball long enough to help with this project. Don't you love Dreamland?

Audit Report

The 2014 Audit Report will be posted on a bulletin board near the club office and will be available in the office for anyone who wants to read it.

Do Not Pick Fruit on Someone's Property

by Patty Thorpe

Wow! I can't believe it! People are trespassing on other people's property and picking fruit from their front yards. There is so much fruit in bags at the office, at some churches, and all over the Villa, stating "Free". I have received several telephone calls complaining that this very thing is happening. I bet if you stopped and asked the homeowner if they could spare a few oranges, lemons, or grapefruit, they would be happy to do this. I know I would. So please don't pick fruit on someone else's property unless you have permission.

Patience Is a Virtue

by Patty Thorpe

Our office staff consists of two people, Jackie Young and Irene Nissen. Both of these women have some very difficult tasks the Board asks of them. They both must enforce the rules and regulations the Board of Director has voted on. The difficult issue for them is that neither one of them has any say in how the Board of Directors votes.

I expect both Irene and Jackie to deal with everyone and anyone that comes into the office with dignity and respect. However, I must ask the same of everyone and anyone who comes into the office and asks for assistance. If you don't like the answer you've been given, please do not try to convince them otherwise: they are only following the Board of Directors' rules. However, you do have the right to call one of the Board members including myself and complain. I'm sure you may not like what one of us might tell you either, but Dreamland Villa Community Club is ruled by the Articles of Incorporation, the By-laws and, the Rules and Regulations, in that order.

So I ask you to please remember what your parents might have told you, as I remember what my great-aunt told me and I told my sons, "Patience is a virtue"! "You can get more flies with honey than you can with vinegar". I invite you to call me at any time at 608-843-3871.

Committee Reports:

Maintenance, Pool Report and Complaints – Earl Munday
Staffing was reduced from 5 employees to 2.5. Emergencies

were handled along with maintenance and repairs.

Complaints were mostly compliance issues i.e. underage people living in Dreamland and weeds. Earl explained that because we are not an HOA we were unable to enforce these types of issues when submitted. He advised the membership that those homeowners that do not comply with these types of issues are sent a letter from DVCC and ask them to correct the problem. If compliance is not met then it is forwarded to the county. Because it goes to county it can take time to correct. 14 outstanding issues still remaining from 2014.

Entertainment – Harry Cole

On February 2nd, 2015 there will be a Super Bowl Sunday get together at Farnsworth Hall and it starts at 3 p.m. Revenue with this hall is from rent received from Entertainers. There are about 6 shows coming and Harry asked that all come to support them as they may not be able to return to Dreamland. There will be a Variety Show on February 27. The show will be at 2 p.m. and again at 7:00 p.m. Saturday Evening.

Library – Julie Hyink

At this time they have 19 volunteer and 4 librarians. There will be a book sale at Farnsworth Hall on Saturday, February 7th. Discussed renovation and pulling of books. Report is attached and part of these minutes (attachment 1).

Sheriff's Posse – Captain John Pawloski

Thanked the members for their contributions last year. Without their support the Posse would not exist in Dreamland. Reported on updated vehicles. Explained that the Sheriff's Office is requiring all Posse members to take additional training as the Posse will be requiring to do the same thing Deputies do. At this time they have 12 volunteers in the Posse.

Kitchen Manager – Ken Hyink

He is in charge of Food Service Safety. He stressed how important that volunteers get Food Handlers Cards. Discussed benefits meeting new people when one volunteers to help with the kitchen duties. Expressed what a wonderful job the cleanup crews do after events and that it is greatly appreciated.

Kitchen Activities – Bea Westall

Reviewed the Pancake Breakfast and car show. Would love to see more volunteers with Food Handlers Cards. Encouraged everyone to come to the Pancake Breakfast this Saturday.

Hobbies, Crafts & Indoor Activities – Red Westall

The goal this year will be to make better use of Read Hall. The Lapidary is expanding and moved into the Art Room. The Art Room is able to share with the Lapidary department. Looking into moving the pool tables into the exercise room and move the exercise room into the pool room. This will give room for fitness classes as well as a better set up for the exercise machines.

Outdoor Recreation Activities, nature Walk and Nominating Committee – David Senke

DREAMLAND VILLA COMMUNITY CLUB

BOARD OF DIRECTORS MEETING

Tuesday, January 13, 2015

**Welcome – Patty Thorpe
Open Forum**

P. J. O'Malley #753 suggested a Community Garden being started at 55th Street and Billings on wasted land as it is in an ideal location for the community. Needs were water; leadership, and ok from the Board to do it. Sara D'Spain suggested that there would be a cost problem regarding water; and asked Mr. O'Malley to look into grants or other ideas that would work that would not cost the club money. Mr. O'Malley commented that he had looked into County and City Governments to make sure there would be no issues such as permits. A decision was made to have P.J. O'Malley be chairperson of a co-committee under David Senke (Outdoor Recreation Activities). Harry Cole commented that he would like to see the committee use a portion of property behind the Read Hall pools.

Charles Dubbs gave his report on the Coffee Social from 8/2/2014 to 12/27/2014. They took in 278.00. Expenses came to 205.90. The expenses included furnishing donuts for the Swap Meet and buying a memorial brick for the previous hosts, Kelcie and Avalon Daughtery, for their 25 years of service with the Coffee Social. Leaving a total of \$72.10 to the Club. Report is attached hereto and made a part of these minutes (Attachment 1).

Reviewed how membership in the Club required each occupant of the household/property to pay dues. Report is attached hereto and made a part of these minutes (Attachment 2).

Gave his opinion on the Proud Supporters letter written by Ward Jennings and felt it was the wrong timing to be put in the Citizen.

Carylan McLean #536. Express that the By-laws need to be looked at and condensed; suggesting the Committee to review. Patty Thorpe reported that she is having Jim Cook to review all the By-laws with his committee, which will continue throughout the summer, to present to the Board, at the October 2015, their findings and changes needed to improve on the By-laws.

Letter to Proud Supporter – Ward Jennings

Revision of original letter was made and sent to all Board Members review before the board meeting. Board members expressed the letter was excellent but posting it in the February Citizen was not good timing. Harry Cole expressed that the bottom of the letter be placed on top. Motion to print letter in the March Citizen was made by Carol Cooper and seconded by Sara D'Spain. Discussion. Vote: Unanimous Motion Passed

SESAC Information – Pat Clark

SESAC (Society of European Stage Authors and Composers). This organization issues licenses for public performance. Because DVCC offers venues at Farnsworth Hall SESAC has contacted the office demanding that DVCC buy a license. Other similar communities were contacted and asked if they were contacted by SESAC and if so how they handled it. The answer to that was not only did they have to pay SESAC but other Performing Arts Organizations (4 in all) have also contacted them and other fees have been added to their expenses. Pat Clark does not feel that this will go away and suggested that DVCC look into an Entertainment Attorney or pay for the license. Harry Cole stated that he still thinks it is a scam and that we should ignore their request. It was decided by the Board to table this subject to a Study Session.

Maintenance responsibility regarding vacant alley – John Pawloski

They are still in the process of collecting data and reviewing. It was decided to table this subject to a later Study Session.

Study Session name be changed – Lyle Wood

The Board made steps in the last Study session to vote for small issues and club funds. This indicates that we stepped beyond Study Session. Board members were worried about the transparency of the club when it came to issues and funds voted on. It has been decided that this Board will begin doing Board Meetings in the evening a few times a year to see how it will work for those who have day jobs. Information has been posted in the Citizen. Inspection Reports on Farnsworth Hall Pool and Spa – Earl Munday

A review of past reports from inspectors regarding the pool and spa. Ms. Thorpe feels that this is a subject that we really seriously need to get this work done. Discussion. It was decided to table this to the next Study Session. It was suggested that Earl write up and send to the Board members, before the next Study Session, regarding the repairs that need to be done and estimates for this work so that Board members can have the information before the meeting.

Advertising on the Web-site – Cyn Munday

Cyn Munday addressed concerns that information was not being entered onto the web-site concerning events. There was question about how the Web-site needs to address this toward advertising for these events. Barbara Miller addressed that for the Citizen all events need to be in article form because if they are in advertising form DVCC will be charged for it. It was decided to Table this for the next Study Session.

Letter by Ward Jennings "Want Your Input" – Ward Jennings

Sara D'Spain like the idea for membership input and plans to incorporate it in the Strategic Planning Committee. Ward Jennings explained how it evolved and his intentions. After discussion it was decided that a letter of this type should be coming from the Board as it will give a little more authority and to Table this until March.

Changing the way the Club functions – Patty Thorpe

We need to look into other ways to generate money. To keep asking members to contribute is not the only way to generate money. There are other ways to earn or get money and this subject needs to be discussed at a later Study Session.

Candidates for the Help Services Board of Directors

By: Gale Pauley

The annual election for members of the Help Services Board of Directors will be held from 9:00 AM to 4:00 PM on Tuesday, March 10, 2015, at the Help Services building located at 5210 E. University, just east of Higley Road. Those unable to vote on Election Day may cast their vote early by coming to Help Services any day during the preceding week (except Sunday) between the hours of 9:00 AM and noon. All residents of Dreamland Villa and Velda Rose Estates are automatically members of Help Services and are, therefore, eligible, and are encouraged to vote.

Help Services is a 501 (c) (3) public charity organization that provides, on a loan free basis, sickroom and other health care equipment to the sick, injured and convulsing residents of Dreamland Villa and Velda Rose Estates. Help Services operates solely from the donations it receives and is managed by a Board of Directors made up of 12 volunteers from the communities it serves. Four Board members are elected each year for three year terms. The resumes of this year's candidates follow.

Clifford Bean

I present myself as a candidate for re-election to the Help Services Board of Directors. I have lived in Velda Rose Estates since December of 2009, after having lived in Lincoln, Nebraska for 42 years. I moved here to look after my father who was still living by himself, in his nineties and in need of assistance from time to time.

Over the years I have served on several church boards as well as on the Velda Rose Estates Board. Currently I am on the board of a local Amateur Radio Club and serve as treasurer of the club.

My first term on the Help Services board was a challenging and a busy time. I served on the 40th anniversary committee and am currently serving on four committees as well as serving as the Assistant Treasurer.

I totally believe in the importance of what Help Services does – in providing medical equipment to those who are in need. I look forward to the privilege of serving for another term!

Jim Cook

I have served on the Help Services Board of Directors for a number of years, many of which also serving as an officer. I am running again for the Board primarily because I enjoy working with a great group of people and for an organization that, personally, means a great deal to me. I also am running for the Board because I have initiated brought to their completion. I will appreciate your vote on March 10th.

Charles Dubbs

My wife, Hazel, and I moved from California to Arizona in 1997. We became residents of Dreamland in January of 2000. This past year I became a volunteer for Help Services. I believe that Help Services provides an excellent

and needed service to the residents of the two communities served. I am also aware that we have many in our communities who need the service, but fail to take advantage of the loan of equipment. I am interested in serving on the board and sharing any of my talents or experience that might be helpful to Help Services in meeting its goals.

My education includes the equivalent of an AA in Business and Bookkeeping; a BA in Christian Education; a Master of Theology and a Doctor of Humanities. For ten years, prior to my retirement, I was certified as a HUD Occupancy Specialist and Managed Low Cost Housing.

During my earlier years, I served churches in the area of Christian Education and Preaching. As I served small churches, my income was supplemented by employment as Assistant Controller for Prestolite Battery Co.; Controller for Union Machine Works; President and Finance Officer for Buemer Machine Shop and as Regional Manager for West Coast Enterprises (dba H & R Block). Following my retirement from the ministry, I served as the administrator for Garfield Park Village, a low cost senior housing community in Santa Cruz, California. After moving to Dreamland Villa, a bookkeeping position became open in the Dreamland Villa Community Club. I applied for the position where I continued to work until December 2012.

Larry R. Scheider

Resident of Dreamland Villa.
Degree in Accounting.
Professional designations:
Enrolled Agent-EA.
Certified Financial Planner-CFP.
Served on the Board of Directors of the National Association of Tax Professionals for ten years.

Served on the Board of Directors of Help Services and as its Treasurer since 2012.

I am running for a full term on the Help Services Board of Directors and will appreciate your vote.

From the Office

by Jackie Young

Greetings, fellow Dreamlanders! Have you noticed all the beautiful and positive changes that have taken place in Dreamland Villa like the Memory Brick area in front of the office and the improvements in Read Hall? It is so heartwarming to see all the wonderful volunteers hard at work and to see the generosity from donations given by residents to make these projects possible. Speaking of volunteers, I would like to thank all the residents who assisted with membership this year, especially Karen Peterson and Helen Ickes, the co-chairs. Irene and I couldn't do it without you!

As many of you know the company that was publishing our phone directory went out of business in 2014. We are currently talking to another company to publish for us. If you have a new number or the information in the

last phone directory was incorrect, please stop in the office and fill out an update.

Once again I would like to encourage every member to attend the monthly Board meetings. I ask that you come and get your information first hand. I am always amazed by the rumors and innuendos that seem to fly around our community at lighting speed. At the Board meeting you can not only hear the information but you are welcome to speak in the open forum at the beginning of the Board meeting. Change and growth can be difficult, but as we all know it is necessary.

The office is here to assist in any way we can. We do not make the decisions, but we have jobs to do to enforce the decisions of the Board of Directors, so please don't yell at us and be rude to us for doing what I can assure you is a difficult job.

Do you plan on leaving for a few weeks or even the whole summer? Here are some tips for preparing your home for your absence. Some items on your checklist take a bit longer than others. A week or two weeks before your departure date you should consider any of these items that need your attention.

1. Arrange for your mail and regular deliveries to be stopped or forwarded. Do this at least ten days before the effective date.
2. Notify your telephone, Internet service provider or satellite TV provider to put your service on hold.
3. Notify any newspapers when you will stop delivery and when to resume.
4. If you live in an area with an HOA, notify them of your departure date and when you'll be back.
5. See if there are any local vacation watch programs offered by either your HOA, your local community or your local police department.
6. Arrange for storage of valuables that you won't be taking with you. For instance, store jewelry or important documents in a safe deposit box.
7. Coordinate emptying of refrigerator with trash and recycling pickup. Start eating up the leftovers and cleaning out the refrigerator.
8. Speaking of trash, start trimming trees and bushes in the yard so you can have that trash picked up before you leave.
9. Remove any standing water (pools, buckets, bird baths, etc.) from the yard. If you have a fountain, either empty it and turn it off or leave the water circulating to avoid mosquito problems.

DVCC ART DEPARTMENT ANNUAL ART SHOW – MARCH 14

After completing seven classes last Nov/Dec and this winter session, Jan/Feb, students are ready for the Annual DVCC Art Department Art Show. Some new students, will show their first attempts at art. And believe me they have learned very well. Intermediates have progressed over the last few years. As always we have a lot of advanced level students working in oil, watercolors and acrylics and their works are great! Even the teachers will show some of their artwork.

So you won't want to miss all the fun artwork at the 39th Annual Art Show to be held on March 14th from 9:00 AM to 2:30 PM at Farnsworth Hall. Come see your friends' work, come see the work of people you don't know, too. Maybe you will be inspired to take classes next November or January when we start up again. OPEN PAINTING-STARTING MARCH 11

After the Art Show, starting Wednesday, 1:00 PM, March 4, and on Friday afternoon, March 6, at 1:00PM, the Art Department room will have open painting time. There is no charge, no instruction, just time to paint. Only DVCC paid members may attend.

My thanks to our instructors, Ila Wandtke and Bob Brum for their patience, time and knowledge to help our students. Thanks goes to the Art Department's Board of Directors: Bob Brum, Jill Hollique, former Secretary, new board member and secretary, Becky DeFord, Vivian Ward-Golletz, treasurer, and Ila Wandtke. They volunteered to help put on the Art Show and keep our Art Department running. See you at the Art Show!

It has been good to have many of our members attending our classes these past few months. There will always be new things to learn and although we are senior citizens, we do have the desire to keep up with the latest gadgets, their applications and the trends. And in the endeavor, several board members have been attending meetings of the EVACC, East Valley Association of Computer Clubs. Doing this has been an adventure, plus those attending can see how other communities in the area conduct these meetings and classes. A learning and sharing experience.

For the club's March General Meeting, Shari Durst from the Mesa Public Library is bringing a 3D printer to Farnsworth Hall. She will be taking a piece of jewelry someone in the audience is wearing and will make a copy of it with the 3D printer. She will discuss the technology and uses of the new device. Already there is a TV Ad showing "food toys" produced by this type of printer. Isn't this the goal of the Computer Club to continue to be learning about all the new technology?

At the February meeting Guy Reed from Tempe Camera Repair, Inc. was the speaker. Guy gave an informative hour long presentation on cameras with

Computer Club

the technological advancements which have been made in recent years, the capabilities of several makes and types of cameras. He detailed the advantages and disadvantages of various types of lenses. He reviewed various printers which can be used in conjunction with the computer to enhance photographs taken by the cameras.

Eight photographers entered in the annual Photography Show this year with 58 photos. Photos were professionally judged and ribbons awarded for First and Second place in the following categories; Landscape, People, Animals, Birds, Flowers, Plants and Trees and Other. There was also, a People's Choice Award. Please check the April issue of the *Citizen* for the winners, but there will be earlier

postings on the www.dreamlandvilla.org web site. A list of future field trips are listed there as well.

The March Calendar is full of classes. On Tuesday morning Joe Hoover and Bob Oberholtzer are there to help with all PC operating systems and Android Tablets and Smart phones. Kay Hawbaker presents Windows 8.1 features which make using both work programs and fun Apps flow together without a hitch. Well, maybe a hitch here and there. Dan Nelson will be there on Wednesday morning to explore all things related to discovering your ancestors. He returns on Friday mornings to help members enjoy apps on their iPads and iPhones. They project his iPad onto the screen so everyone in the class can follow along. Megan Tackett and Kay Hawbaker have been using YouTube to search for answers to all the questions members bring to the Saturday morning Q&A sessions. This is team work at its best.

If you enjoy eating at the Golden Corral, come on March 19 at around 10:30 AM and ask to sit with the computer club people. There is room for many to attend and we invite any Dreamland Villa person to come and eat with us.

Dreamland Book Club

"So many books, so little time" Frank Zappa

This quote is so true. Each month our book club members have a choice between two books, many read both. We use Mesa Public Library book group kits, so there is no cost. Our discussions are enriching, adding value to our reading. Some times the

reader is disappointed in the book she chose, but then after discussing it with others in the group value is found.

We will meet three more times this winter season; March 5, April 9 and May 7. We gather at Anita Thompson's (address and phone # in DVCC directory), 3:00 – 4:30 PM.

The Magic of Volunteers Memory Brick Project

by Cyn Munday

There has been an ugly rumor floating around the Villa that the "Club" increased the dues so they could make improvements (i.e., Memory Brick Project). NOT so!! This project has been 100% funded by donations (i.e., Quail sales) and volunteers!

Last February it came to our attention the "Club" may not be push enough to fund needed improvements to their facilities. The question then became what could we do WITHOUT ANY expense to the club to fund the needed improvements. Hence, the idea of the Memory Brick Project was born. This project went through months of being formed by volunteers and funded entirely by donations from other members of the club. From getting approval for the location since this would be placed on the grounds to funding the needed supplies: rental of jackhammer to using other dumpsters to dispose of the broken asphalt, to purchasing brick and sand and yes, even the new solar light post. The Club is not paying for electricity here, folks! There has not been one dime used from club funds for this project, and I am thrilled to be

able to say to ALL the volunteers – we did it! We had an idea, we had the faith and we persevered and we did it!

There is a long list of volunteers, and I am not even sure of everyone's name, Therefore I will not try to list them all here at this time. The important thing to remember here is that we can work together to make things happen. Because this is a project that will be on-going, we do plan to have a Dedication Party on Saturday, March 7 to share in the pure joy of accomplishing a major project just by working together. The funds for the Dedication will not come from the club either. It will come from wonderful donations that others have given just because they believed in this project and wanted to make it happen.

We do ask your support for the folks that put a lot of blood, sweat and tears into these projects just for the betterment of the community. There have been quite a few projects this fall/winter besides the brick project and it's time to celebrate. It is OUR community and OUR responsibility to make it all work out. We must all do our part even if that part is just giving a much needed kind word in passing! We all need to stick together and we can and will have many more successes! After all, there have been so many before us doing the same thing, isn't this the least we can do! Again, THANK YOU to everyone who has helped and continue helping!! You are the ones who keep the air in our lungs to keep it going!

Quilt Club

by Becky Lamson

At our first meeting in January, we had election of officers and the results are President: Pat Norris, Vice President: Betty Sharpy, Secretary-Treasurer: Rita Carlson, and Reporter: Becky Lamson.

Our picture this month is of the quilt we will raffle this spring. You may have seen this quilt on display in the office during the past two years. Our Quilt Club has decided to raffle it. The money from the raffle will go to purchase batting and other supplies needed by the Quilt Club for the quilts we donate to charity. The raffle drawing will be held at the April Pancake Breakfast on April 18th. Tickets can be purchased from Quilt Club members at our club meetings any Thursday 1:00 to 3:00 PM at Read Hall. We will also have the quilt on display and tickets available during the potluck dinners and pancake breakfasts in February, March and April. The ticket price is 1 for \$1.00 or 6 for \$5.00.

The quilt top was hand pieced by an unknown donor. It was custom quilted by our quilt club member, Leslie Starks. The binding was sewing on at what we call a "binding bee" by various club members. The quilt can be seen in the display case in Read Hall.

On February 19th our group project was a Snowman Door Hanging. We will have pictures of them next month.

We have been busy at our meetings this year making pillowcases for donation to Helen's Hope Chest.

We welcome new members. Bring a show

and tell item, work on a project of your own or help us out by working on one of the charity quilts. You're welcome to just come and socialize.

We welcome donations of quilting fabric and batting. Call Becky Lamson (480) 202-7003 and she will arrange a pickup time or drop them off during our club meeting 1:00-3:00 PM on Thursdays at Read Hall.

Quilters Quote of the month: Good friends are like quilts. They age with you, yet never lose their warmth.

Singles Club

by Lois DeLong

The Singles Potluck will be held on March 3 at 6:00 PM. at Read Hall. Our meetings are scheduled for March 11 and 25, 9:30 AM at Read Hall. For our dining choices this month, it will be breakfast at Wild Berry on March 6, lunch at the Cheesecake Factory on March 18, and dinner at BJ's on March 30.

In February our activities included attending a performance of Hayden's Lord Nelson Mass by the San Tan Chorale and Orchestra and a visit to the Fountain Hills Art Festival. We also took in the races at Turf Paradise Racetrack, tried our luck at the Lone Butte Casino, and attended the Apache Junction Rodeo.

Dreamland Villa Ladies Golf League

by Kay Hawbaker

Twenty-two players competed in the February tournament. It was a fun year and we welcomed new members to the league. Many loved the course, saying that it was more difficult to maintain a consistent score as the course presented a good number of challenges.

The Awards Presentation will be held on either March 25 or March 27 at noon. The location is to be determined. We are looking forward to the announcement of the flight winners of the February tournament, as well as the "Club Championship" and the "President's Cup" winners. Gobbles and Birdies will be awarded as well. Next month's *Citizen* will give the names of the winners. Look for pictures from the luncheon as well.

There is a league meeting before golf on March 5 at 12:30 PM at Read Hall in the Poker Room. We will be making plans for the Awards Presentation and will be discussing issues for next season.

During March our season winds down, and we wish all the members getting ready to depart for their summer homes a safe journey. Hopefully, everyone who played with the league this year will want to play again next year. Those of you who stay, know that we will continue to play during the entire month of March. You will just have to sign up on sign-in sheet at Royal Palms or call or e-mail the league coordinator to let her know you're planning to play on the next Thursday.

You may sign up for next year's season anytime during the month of March. Our dues are \$15.00 and checks can be submitted to Burdell Tatman.

Report on results of the 400.00 Fee by Cyn Munday

Discussion to reinstate the membership fee for new home buyers. A survey was taken earlier with letters going out to 32 new residents. 8 replied that they would join if they were charged a fee; 5 said no and 1 did not say one way or another. Old fees were the following \$275.00 Admission Fee; \$175.00 Transfer Fee making a total of \$400. That was changed to a \$400 Club membership with \$225 reinstatement fee. Action was taken last year to waive the \$400 fee. Legality was discussed and found there was not a problem. Red Westall suggested that to raise the fee and then include a free membership card for the year. It was decided to send this back to Policy/Procedure committee and get the correct specific language identifying renewals and bring back to the March Study Session.

2015 Membership Report – Jackie Young

End of 2014 there were 2,079 members; End of January 2015 there was 1,664 members. 45 residents joined that were not members. 25 existing members added another household member. Discussion was held on new Kee Cards and when they are activated. By-laws were reviewed regarding time lengths and why a 30 day grace period.

SESAC – Pat Clark

After discussion it was suggested to put SESAC to the side. It was suggested that this is brought up at the Board meeting and be voted on.

Farnsworth Pool Gas Coverage – Earl Munday

Cost saving will not show up on the pool covers until a later date as the bill for gas is mid-month to mid-month. Earl will report later when he has better figures. Maintenance is happy with savings they seem to be generating.

Plot/Alley Ownership Report – John Pawloski

It was determined it was County Property. Maintenance Supervisor with the County will be meeting with John next week. This is a problem that will not be handled in a short period of time, but as time goes on and after

this meeting John will be able to give a more detail report.

Letter to Proud Supporter – Sara D'Spain

Sara reported that Ward Jennings feels that there has been so many changes to the original document he is withdrawing authorship. It was suggesting that Sara take it back to the Strategic Planning Committee and at this point it is considered a dead issue.

Inspection Report on Farnsworth Hall Pool and Spa. – Earl Munday

Discussion on replacement of relining the Spa and dual drains along with the decking. Will be looking for newer estimates. Estimates at hand are last year's estimates. John Palowski asked if they have looked at buying a whole new spa instead of relining the old spa. Earl will look into that and bring it back to the board along with the new estimates in March study session.

55 Plus Signs – Earl Munday

Talked about putting up 12 new signs. After discussion it was decided to buy 12 more signs and get them posted. Corky mentioned that he put up over 100 signs in the past. Block Watch signs will be going up along with the new signs.

Parking Lot Lights – Carol Cooper

Member mentioned that Parking Lot Lights are not working at Farnsworth. They will check timers and see if that is the problem. Carol told Board that if they need to replace them and they have to have a lift to do so that the Fundraiser Club will be glad to put that on their Wish List.

Update on new PC Program – Jackie Young

They are still working on it and starting to use the new system. She is hoping to use a room and give all Board members a Demo of it when time allows.

Change Office Hours – Patty Thorpe

Earl suggested that we go with keeping the office open during lunch hours, a few nights, and a few weekends. Volunteers can be there however they need to be trained in how to do memberships. Sara and Patty will look at it and will bring it to the March board meeting.

Update Space allocation – Red Westall

Red explained what the changes would be in rearranging walls and reallocating space. All thought it was a great plan. Cost of material would be around \$1,000. Concerns about ceiling pipes, light and Air/Heat. Red will go back and look at concerns and return to the board with his report.

New Business

Checking account has been closed. Funds will be admitted in DVCC Account under the heading of Ceramic Fund. Discussion on how the accounts will work.

Discuss 50/50 – Carol Cooper

Gave a report on first 50/50 done by Fundraising Committee. Asked permission of the Board to be able to do 50/50 for all Dreamland Villa Community Club Events. All agreed. Asked to be courteous and talk with those who are head of projects before going

and doing 50/50. Report is attached and made part of these minutes (Attachment 1)

Patty brought up the fact that Alicia Short donated \$ 200.00 towards maintenance and set up for their Art Show.

Cyn Munday reviewed the idea with the Board Members about the Plaque on the back wall and taking the photos of presidents down. Photos will be placed in book below the wood plaque. All were in favor. Carol Cooper will put down on wish list, with the Fundraising Committee, to be able to purchase the name plates that will be attached to the Plaque. The Plaque will be supplied by the Wood Shop.

Reviewed with the board the idea of Poker Run to raise funds. Explained that the committee would like to do this the first of April. Will present more information as the plan forms. May be through email as time allows.

Phone Book Proposal – Carol Cooper

Reported that information received from Rays Printing. After discussing with the Board they asked that I get 3-4 different types of proposals from Ray. Black and What v.s. Color. Price Break on quantity? They all expressed they want Alpha as well as Street. Will have to reduce book by removing other material from 2014 phone book. Need Map and would like to have Rules posted. Carol will get with him and present it again to the Board. Report is attached and made part of these minutes (Attachment 2)

Discuss Rules and Regulations/By-Laws on Web-site – Carol Cooper

They were on the web-site 3 years ago and it was decided to take them down at that time. After discussion it was decided to go ahead and post on Website as long as it did not include the CCCRs.

It was decided to sell old desks, old tables, 2 pool tables and a few other items at the Swap meet.

Maintenance regarding the following items – Earl Munday

Address Real Estate Agents through The Board of Realtors – Sara D'Spain

It was discussed to give the correct information through the Board of Realtors and giving them a contact person. This will be done after March meeting which is when the returning of the initiation fee will be brought up. Once the Board of Realtors is notified it was decided that this should be done on a routinely basis.

Advertising on Web-Site – Cyn Munday

It was decided that it would not hurt to put a link of those who were entertaining at Farnsworth Hall as well as mention the event on the Web-Site.

Annual dues by household update – Lyle Wood

Lyle stepped down from this project as he is planning to step away from the board this year. John Palowski said he would head up the committee. He asked all those who would like to be on the committee to contact him by email.

Information on Cell Tower – Lyle Wood

Again Crown Castle asked to buy the easement around the cell tower. Lyle produced the numbers they offered which was not much more from the last offer. The Board felt like getting an analysis of the offer would not hurt, however, Board Members are not willing to sell the Tower at this time.

Meeting on the Go – Patty Thorpe

Patty found companies online that offer this service. After talking with the Board and hearing the community express having a full time board available at all times she investigated the possibility of using this type of service. Board members were all in favor of the idea and was agreeable to spending the money for the program that would need to be downloaded on Board Members computers. Also discussion about members being able to tap into the meetings as well. By-Laws will need to be changed should the Board vote to start Meeting on the Go.

New Philosophy for Dreamland Villa – Patty Thorpe

She expressed that Dreamland Villa needs to be looked at as more of a Business than a Club. Club membership cannot sustain the upkeep of Dreamland facilities. She expressed doing an Ad Hoc committee under the Strategic Planning Committee regarding how Farnsworth Hall and other ways this community can make us money.

General Meeting for Dreamland Residents

November 11, 2014

Summary

Open Meeting - Patty Thorpe, Moderator
Pledge Allegiance

Patty Thorpe, Moderator and Resident of Dreamland Villa, welcomed all the residents that attended the meetings. Approximate total of residents attending came to about 800. These meetings were for the sole purpose of keeping our residents informed of what was happening in their community. Ms. Thorpe asked the residents to please listen to our presentation and that we would listen to their questions and try to answer each and every one of the questions asked.

Sandra Arkland, Resident and Real Estate Agent, reminded the residents of the reasons people choose to live in a 55 plus community. Some of those included property values, secure neighborhood, safety, and the Posse. Majority of Dreamland

homes are kept up and the market is coming back up in this area. Should the Club discontinue existing she questioned who would monitor the 55 overlay that was established in the 1960's. Without someone filling out the forms and doing all the paperwork that is required to keep our homes in a 55 plus environment, we could lose the 55 plus overlay and multi-generational families will buy homes and move into them. Sandra reminded all the residents how important it was to buy the Fire Protection Insurance each year since this community is in a County Island. If they don't pay it, then they need to check their Home Insurance to make sure it covers fire damage for their homes. Our homes are a big investment and our biggest asset. Many of her clients that are moving into retirement communities are wanting amenities such as pool, activities, clubs, and entertainment

to name a few.

Lane Allen, Resident, reviewed the survey results that were taken last spring. 33% responded to the survey. Lane also gave a financial overview of what this community has and what it takes in. The financial status is grim. He also went over a Budget Work Sheet for 2015. We are unable to update the facilities and repairs that are badly needed such as asphalt in parking areas, pool heater, air conditioners, bathrooms refurbished, roof repairs, carpet repairs to name a few. We asked that members consider a Dues Increase to \$175.00 a year to keep the facilities open.

Earl Munday, Resident, reviewed the items in which the Board voted on to control expenses and income which included closing Farnsworth Hall during this past summer and reduction of staff. Future items that could reduce expenses or income were presented. To name a few: the closing of Farnsworth Hall all year, closing pools permanently, sell empty lot south of Farnsworth, sell cell tower at Farnsworth, or sell one or the other facilities all together.

In closing Patty Thorpe reviewed as a community what could happen if we do nothing. She encouraged all members to come and vote on the 18th of November, and ask non-members to please join us in helping our community keep its charm and value as it will need everyone's effort to help, not just a few.

After each presentation there was a question and answer period.

Those who attended the meeting were given a "hand-out" explaining some of the issues discussed.

Enforcing both parties of a household paying dues – Patty Thorpe/Jackie Young

Many members have express how they did not think it was right that they had to pay for membership for the whole household when only one in the house uses the facilities. After explaining that they are part of the family and team and it was the only fair way of doing it some members accepted the idea. Discussion resumed with Board and members.

Jackie Young reviewed what happens in the office. She expressed that it will be impossible to police members without a new Kee card system. Until the Kee card system is replaced there are no solutions in changing the dues or memberships.

Patty informed Ms. Watson she would be sworn in at the next meeting

2016 General Membership Dues – Lyle Wood

It was decided that an Ad Hoc committee would be formed, similar to the planning done for the Nov 11 and 18, 2014 and Jan 13, 2015 General Membership meetings, to present for consideration by the membership the revising of the 2016 dues structure based on household rather than individual membership.

Supporter of Dreamland Villa Retirement Community – Ward Jennings

Mr. Jennings was asked to present to the Board an article to the Citizen that would be positive in asking for non-taxable donations from all residents of Dreamland Villa. This

money would be used to help improve and preserve their retirement community that they chose to live in. With their help we should be able to maintain the 55 plus overlay. Pat Clark, Lyle Wood and Cyn Munday were asked to review the document with Sara D’Spain and make necessary revisions to the document. They will then send the document to Board Members before the Board Meeting so the Board Members can review and comment on it and the document can be sent to the Citizen the same day as the Board Meeting. Many expressed how they liked the concept along with positive expressions and close monitoring of the money. Report is attached hereto and made part of these minutes (Attachment 6)

Mr. Jennings also presented information regarding a plan for the Strategic Planning Committee and has had meetings with Chairperson, Sara D’Spain. Mr. Jennings expressed that all the Board members must participate in the Strategic Planning Committee and that we need to have a positive spin going out with positive ideas.

Maintenance Responsibility in Dreamland Villa 2, Plot/Alley Ownership

Issues have risen regarding cleanup of an Alley located between Dreamland Villa and Casa De Paz. Is this Maricopa County’s, Owners, or Dreamland Villa’s responsibility? Earl Munday responded by saying that DVCC maintenance crew will not be responsible for this piece of property if it did not belong to DV. It was decided that Harry Cole and John Palowski, Sr. will investigate the problem and report to the Board at the next Board Meeting. Report is attached hereto and made part of these minutes (Attachment 7)

In January we had a very nice informative in-service training program for all volunteers for Help Services. It was held in Read Hall and the luncheon following was prepared by John's Villa. This program is designed to help inform the volunteers of what they should learn about other member's jobs as well as their own. We also train each new volunteer before they ever work on their own. There are always two monitors working; one at the desk and one helping to find what people need and getting things to their cars. It is important that they all are familiar with what we have in our warehouse to loan to our people in Dreamland Villa and Velda Rose Estates.

If you have never been to our facility to find out all that

Help Services' volunteer in-service training session.

we have to loan to all in our community I want you to know a few of the things that we have. We have hospital beds (not electric, but very nice) wheel chairs, glider (transport) chairs, walkers of all kinds, canes, crutches, crutches with arm supports, commodes, intervenes stand, toilet seat risers. We have baby things for when you have your grand and great grandchildren visiting. We have baby beds, high chairs, playpens, high chairs that hook onto the table, potty chairs, and more, even some toys.

Our election for Board members is coming up on March 10th. Be sure and vote. See the separate article about the election and the candidates in this edition of the Citizen. You don't need to be Board member to take on some of the committees' jobs, so you may be asked to fill one of these jobs in the future.

I have been a Board member since 2000, and I have decided it is time for me to quit now. Six terms is enough and at my age, 95. It is time I rest, and just do nothing but what I want to from now on. This is my last time of writing this article for the paper. It's been a joy to have been allowed all these years with all of the really nice people. They are a serious bunch of people but they can laugh and enjoy each other, too. I have enjoyed every minute of the time I've been here. I will still be a volunteer as long as I possibly can. I enjoy the people that come in --- most have a story to tell.

We also had our annual volunteer recognition breakfast this past month at the Golden Coral. Candidates running for the board were also introduced.

We had memorials for Mary Ann Zinnel, sister of Lois DeLong and Ruth Ward, mother of Connie Ward

Let's enjoy another quotation from my book: Most of us miss out on life's big prizes. The Pulitzer, the Nobel, Oscars, the Tony Awards, and the Emmys. But we're all eligible for life's small pleasures: A pat on the back, A kiss behind the ear, A four-pound bass, A full moon, An empty parking space, A crackling fire, A great meal, A glorious sunset, Hot Soup, Cold beer. Don't fret about copping life's grand awards. Enjoy its tiny delights. There are plenty for all of us. --- by United Technologies Corp. advertisement

Having a happy life and good health is what we wish for all of you.

As Betty wrote in her article she is retiring as a longtime member of our Board and as author of our monthly article. Betty has served as a Board member since 2000. For a number of those years she served as Assistant Secretary. Also, during that time she served as the Chairperson of the Memorials Committee and the Publicity Committee and as a member of the Exercycles Committee. Readers of the Citizen will probably remember her most for her monthly articles. But she has done much more than that. If you have recently looked at our scrapbooks you may have noticed a new look. Not only has Betty maintained these historical records but she, with the help of some others, completely redid them for our 40th Anniversary celebration. Recently she helped revamp our Memorial Donation Account procedures. And she has been an inspiration as we undertook various face lifting activities at our office and warehouse. Betty recognized that change is inevitable and, despite her years, accepted the challenge. "I give up" was not part of her vocabulary.

As a tribute to her devoted service and contributions to our organization, the Board, at the Volunteer Recognition Breakfast held in February, presented Betty with a Certificate of Recognition which recognized her many contributions and conferred on her the title of Honorary Member of the Board of Directors. We didn't want her to get too retired.

Poker Fun Run Coming to Dreamland Villa

by Carol Cooper

On Saturday, April 11, Dreamland Villa will be holding our first annual poker fun run. This is a fund raising event for our community. The fun run actually has little to do with poker beyond using the hand-ranking to score the event. You don't need to be a poker player to participate. There will be prizes for the best poker hands. So circle April 11 on the calendar and join us for a fun time. Details for the poker fun run will be in next month's edition of the Citizen. See you there.

Potluck Dinner Will Be Held on March 19

by Patty Thorpe

Let's celebrate St. Patrick's Day at Farnsworth Hall on March 19, 2015, at 6:00 PM. Come early to get settled in and visit with new or old friends. Please bring your favorite Irish dish to pass which will serve 6 to 8 people plus your own eating utensils. We will provide coffee, tea, and water for your convenience.

The potluck dinner is a great way to meet people if you are new to Dreamland Villa Community Club, or if you have lived in the Villa for a long time. We welcome everyone, so please get out of the house and join us. If you are alone, please don't be afraid to come by yourself. Richard and I would be happy to have you join us at our table along with many others who would love to have you at their table as well. We had 117 people who joined us last month. So now it's your turn to join us as we really look forward to meeting you or seeing you again. If you have any questions, please call me at 608-843-3871.
