Welcome to Dreamland Villa!

by Cyn Munday

Are you a new resident here at Dreamland Villa? Please know we would like to welcome you and assure you this is a friendly, clean, quiet community. This is a 55+ Adult community with the majority of all activities/events planned and run by volunteers, including our Welcome Committee. As a volunteer group we want to welcome all new residents. There will be an orientation meeting in October for those of you who are new and would like an informational synopsis of your new community. We desire to be informative and friendly and encourage you to come down and get a little familiar with your new

community and meet some of the other folks who have just moved here. We would be happy to give you a tour of the amenities and share information with you regarding the Rural Fire Department as well as information on Help Services.

Please visit our website at www.dreamlandvilla.org for a complete listing of activities and a little history of the club. There are a variety of activities open to all residents. Please take a moment to look over the calendar. There are many links to aid you in your search. The Citizen newspaper is the official paper for Dreamland Villa and is

available online or you can pick up a copy during the summer each month either at the Office complex on 55th Pl. or the Farnsworth Theater/pool area on University.

Retirement should include getting to know more friendly folks. There are various card games going all summer so please check the schedule and come meet some new folks.

We look forward to meeting you soon and hope you will not hesitate to call with any questions you may have regarding Dreamland Villa. Again, we are glad you are here and genuinely hope you will come join us!

President's Message

Hello everyone! As I write this, we have had our last meeting of the board of directors for the season. We will be on hiatus until the study session in October. It's June in the Villa and with many active residents gone to cooler climates it is pretty quiet around here. There are enough of us year-round residents that we will continue with the coffee socials, pot lucks, and many other of the activities. Please consult the Citizen for the

schedules of each event or activity.

On the day of our May board meeting, we found out that Copper Heights has rescinded their application for a substance abuse re-hab operation at their facility on 56th St. Your voices WERE heard! More details will be available to us at a later date.

It is very slow this time of year for all of the retail businesses in our area and they need your support. Especially John's Villa, our own little gem. They lease their space from us, and it would be nice to see them stay afloat another year. Plus one of the owners is a home owner and member of our community. All of the small businesses and restaurants need our business, now during the summer especially, when their business is down tremendously.

That's it for this month. Take care everyone, hope your A/C keeps you cool.....and see ya around the Villa!

Lois Arlene Dean, Former Long-time Resident of Dreamland Villa Passes

May 3, 1928 – April 16, 2017

Lois passed away peacefully on Easter, April 16, 2017 at the age of 88 after a long, debilitating struggle with Alzheimer's Disease. Lois was born on May 3, 1928 in Spencer, Iowa. She was preceded in death by her daughter Kathy Dean and ex-husband Clayton Dean. She is survived by two daughters, six grandchildren, 14 great grandchildren and 4 great-great grandchildren.

When her health was failing, Lois moved to Livermore, CA where she lived with her daughter Sherill's family for a few months until she moved to an assisted care home, then to Kindred Nursing Home where she passed away. Memorial services took place at Love of Christ Church in Mesa, April 30, 2017.

Dreamland Villa Memory Bricks

by Cyn Munday

Summer is approaching quite quickly and so many of our wonderful winter visitors have left for the warmest time of year. There are some of us that will remain here all summer. Our memory brick garden was designed with the idea of a nice place to stop and sit for a while and visit with others or just rest a bit. Hopefully you have had an opportunity to stop by and look at some of our wonderful engraved bricks. I know how much I appreciate all the work and planning that was put forth for this project and want to let you know it is an ongoing project. There is still plenty of room for you.

All bricks are just \$50 each and take a few weeks for completion. The company doing the work is excellent and has helped us many times with our questions and orders. They are a local company here in greater Phoenix area so very personalized in our needs. Please don't hesitate to contact us if you have any questions regarding the purchase of a brick; we are always willing to work with you.

We have a lot of bricks available for purchase and hope you will consider purchasing one soon.

I would like to thank all of you who have trimmed your trees and bushes so we can see our signs. Things are back to normal on crime, not much to report, thank GOD for keeping crime away from us. Now that summer is here keep vigilant. We need your eyes more now that the winter visitors are gone. It seems that crime goes on the rise in summer. Keep your lights on and eyes open. Thank you all for your meetings, I will post them on the web shortly. Have a great summer, Charlene.

News from the Librarian's Desk

by Sydney Clark

Summer hours are here at the Dreamland Library and we are open every Wednesday and the first Saturday of each month from 10 a.m to noon. It may be hot outside, but the air is cool inside and our fabulous volunteers continue to process new purchases and generous donations from our Dreamland residents. Come on by and check out our selection of new books and DVDs. We have current magazines and duplicate volumes for sale if you are taking a summer trip and don't want to risk losing a library book. Look for our special "sale" table outside, under the umbrella. And of course, lots of puzzle boxes are looking for new homes. We look forward to seeing you and sharing this gem of a community library.

It seems like it was just yesterday when we got home. We are already missing the warm weather and sunshine. Here's a nice story: the last time my wife and I worked at Help services which was this April, this lady came in to bring back a cane. My wife and I just love these stories while we are working, her story went like this. She said, "It's just so overwhelming to me to see so many things that are here to loan to people in need and at no cost."

The beautiful part about these stories is when you hear them it really makes your day. We will miss visiting with these good folks for a time, but we will return when the cool October breezes start pushing us back to our home in Arizona in the valley of the sun.

Anyway moving forward, next month I'm going to once again restart my spotlighting of our monitors.

How it works is, I pick out a few names each month and insert them in the text of my article. It's another way of saying thanks for all your great help.

This month I'm starting what I call Kitchen Tips, fun stuff that you will enjoy like this one; Stuff a miniature marshmallow in the bottom of an ice cream cone to prevent ice cream drips. Fun, right?!

We also have the following for your reading enjoyment: hospital beds, commodes, toilet risers, knee-walkers that fold, canes of all different kinds, crutches, C- walkers, wheelchairs, beds, just to mention a few.

And, as always, we are financed solely by your donations, plus it's a tax deduction for you as well. Mondays from 9 a.m. to noon we will check your blood pressure.

We have a team of qualified folks to help you with bequests for people who have no beneficiaries. For more information about this, or if you have any other questions, please stop in

at the Help Services office.

Our summer hours will start this June, Monday through Friday, 9 a.m. to noon, we will be closed on Saturdays for the summer. Check us out on our webpage at www.HelpServicesInc.org. That's it for this newsboy.

CLUBS/SPORTS

Arts & Crafts

by Jennifer Tompkins

Due to an overwhelming increase in rent for the use of Farnsworth Hall and decreased participation of DVRC resident crafters, we have had to cancel further Arts & Crafts Shows at Dreamland Villa after over 40 years of great shows and people. A lot of hard work has gone in to making these shows happen and we thank everyone who has participated over the years. We also would like to thank everyone who has come to the shows over the years to shop and buy. The show would not have been a 40+ year success without you.

Dreamland on the Go Travel

By Kathie Chismar

The Rose Garden at Mesa County College is a local gem on the college campus at Dobson and Southern. A few residents of Dreamland Villa recently enjoyed an informative guided tour with Mary Lou, who shared her extensive knowledge of the gardens. She also gave us excellent tips on growing and caring for roses. The garden is maintained completely by volunteers and is free to anyone at any time. The best times to see the roses in bloom are late March, April, May, June, November, and December. Additional information is available at their website at <http://www.rosegardenatmcc.org>. Donations are accepted at receptacles along the walk.

Sue Sinclair is working on her motor coach tours and escorted tours for the 2017-2018 tourist season. Upcoming trips include Branson in September and a second trip in November, Albuquerque and Santa Fe in October, Switzerland and Italy in September, and Thanksgiving in New York City in November. If you would like the flyers for these packages, contact me at 480-830-6641 or 732-986-7788. Sue Sinclair is a full service travel agency on Main St and Recker. If you book your travel needs thru me, she gives a commission to the Dreamland Villa Retirement Community. Please support your community while taking advantage of our professional services.

I have a single woman who is looking for a roommate for the trip to Branson November 29 to December 4. If you are interested, call me for the details.

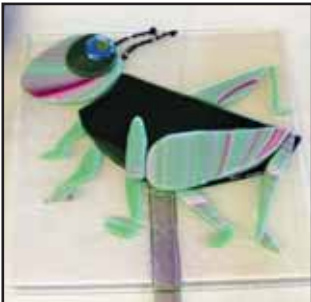

Fused Glass

by Cyn Munday

Summer is here and the heat can be oppressive however, Fused Glass is open each Wednesday morning and afternoon for you. This is a good opportunity to try out your artistic ability and visit with a few others with the same interest. Dave and Katie Senke have taken off for the summer but we full-timers are here for the duration. Please note; I will be taking a few weeks off June 21st, June 31st and July 5th.

This is a fun class with a lot of chatter and creative ideas flowing. For those of us without an original idea in our lovely heads, there are others that have gone before and left pictures behind for us to copy. It is amazing to see some of the work our people do for pure enjoyment and for original gifts too.

Glass is available for purchase and we will do our best to help you feel comfortable and to have a good time.

Summer Fun Poker and Texas Hold'em

by Jerry Hopp

This is a great way to meet new people! We are looking for players for Texas Hold'em on Tuesdays at 6 p.m. sharp. We play Texas Hold'em all summer. We have new tables and a new AC/Heater unit in the poker room.

On Fridays from 10:30 a.m. to 2 p.m. we play 5-cent Poker. You will need a current year key card of Dreamland Villa for both.

Call Jerry at 715-630-4151 if you have questions or if you are interested in Fridays. See you at either, or both, in Room 8.

Computer Club

by Kay Hawbaker

Terri Tiehen, the club secretary volunteered to write a Newsletter for the computer club and you can find copies of it in the office. The following article was researched and written by Terri for the Newsletter.

Personal Digital Assistants

"Digital Assistant Devices, commonly called Personal Digital Assistants (PDA's), include the Amazon Echo and Goggle Home. These are essentially mobile devices that function as personal information managers and are common on handheld devices. You have them on your mobile phones, on your computers and tablets (e.g. Siri, Hey Cortana, OK Google, and Windows 10). But now they are available as separate, external Bluetooth speakers that can be placed virtually anywhere in your home, or take it with you on the go. When a person speaks to a PDA, the device will do what you ask it to do, such as play a favorite song, provide information, deliver news and sports scores, state the weather, make lists and calendar appointments, control your smart home and even

order products, among other things!

Amazon makes the Echo, the Echo Dot, the Echo Tap and the Amazon Fire TV, while Google now has a similar device called Google Home. Just how do they work? These devices record information and temporarily store the recordings, sending them to cloud servers for processing.

Because PDA's can be used to provide reminders for such things as taking your medication, turning off lights and keeping appointments, their benefits can be well worth the investment. Here is an "information-only" comparison of the devices: Amazon Echo \$179, Echo Dot \$49 and Google Home \$129. If you are interested, or want to seek additional information, you can go directly to Google or Amazon's websites, or research PDA's online."

Be sure to donate your used printer cartridges to the Computer Club! The computer club receives a cash back coupon for the cartridges from the Staples reward program. The coupon is then used to purchase supplies for the computer room or an individual member use the coupon and then give cash donation to the computer club. There is a box in the DVRC office and Read Hall where one can drop off the cartridges. This is a great recycling method and it helps the computer club.

The Saturday morning "Question and Answer" class at 9 a.m. is the only summer session meeting. It is a time to share with others who have questions, concerns, or unusual experiences with any Windows Computer or Android device. Several regulars have iPads and iPhones and can address issues with these devices. Not all issues are solved, but as in life we learn from failure and the effort used to explore the problem.

Kay Hawbaker, monitor of Saturday Morning Q&A.

Singles Club

by Lois DeLong

Our activities for the month of May included our monthly Games, Grub and Gab session, a visit to OdySea Aquarium and a tour of the amazing Musical Instrument Museum. We also enjoyed A Toast to the Rat Pack show at the Chandler Center for the Arts.

Our casino destination for the month was Casino Arizona. In addition, we found time to have breakfast at Village Inn, lunch at Golden Coral and dinner at BJ's.

Our next potluck will be Tuesday, June 6, 6 p.m. at Read Hall. Our meetings are scheduled for Wednesdays, June 14 and 28, 9:30 a.m. at Read Hall.

The Singles Club is active all summer with new plans and activities each month. Visit one of our meetings or our potluck to see if you would be interested in joining the club. We welcome new members. For further information, the Singles Club calendar is available at dreamlandvilla.org.

Men's Golf

This will be the last article for the DVMGL, as most of our members are returning to their home bases and local courses. It has been a grand golf season and we will look with great anticipation to the resumption of league play. We wish our distant golfers fair breezes and lots of birdies.

Our last scramble was won by the team of Kari, Perry, Marks, Bjorkland, and Goetch with a net score of 23.2. Second went to the team of Boder, Duffy, Barreau and Henehan with a net score of 23. In third place was the team of Lawler, Wiland, Hayes and Avant, with a net score of 24.6.

Did you hear about Moses, Jesus and some old geezer going out to play golf? Moses tees off and the ball goes into the pond. Moses walks over the water and hits the ball a foot from the cup. Jesus tees off, and hits a tree, but the ball bounces miraculously about six inches from the cup. The old geezer tees off and his ball goes into the water. But a big bass swallows the ball and an eagle swoops down and grabs the bass in its talons. The eagle flies over the green and the bass drops the ball and it goes into the cup for a hole-in-one.

Moses looks at Jesus and says, "You know, I really hate when your Father plays."

We'll see ya next season. Stay well and be happy.

Woodshop

A diamond in the Rough? Well maybe not a diamond, but a great place for the woodworker in all of us.

The Dreamland Retirement Community Woodshop is a fully equipped shop with up-to-date tools and equipment to complete most woodworking projects, plus there is always a monitor handy to answer any questions or even help getting you started on your woodworking project, wood furniture repairs, or just about anything having to do with wood.

And it's not just for men, we have women who come in now and then and they work the machines and complete projects as well as any man could. So come on by and see what were all about, there's always room for your project. During the summer, we are open 9 AM to noon Monday through Thursday.

Dreamland Villa Quilting Club

by Becky Lamson

Our photo this month is of Stained Glass Tulip Wall Hanging Quilts made by our members during the April special project class. The wall hangings make a lovely gift for a special day, or "just because".

In May, we continued to work on the lap quilt Bella Luna - Moon over Glacier Bay. Our plan is to have the quilt completed for our quilt raffle this fall.

The Quilting Club meetings are every Thursday from 1 to 3 p.m. at Read Hall. New and prospective members are always welcome. If you desire, bring along an item for show and tell.

We welcome your unused quilting fabric. You can contact Becky Lamson at 480-202-7003 and a pick up time will be arranged, or you may drop it off during our quilt meetings at Read Hall on Thursday afternoons.

Quilters' quote of the month: "What I make with my hands, I give of my heart!"

Wet Paint

by Alicia Short

Changes are coming for the Art Department. First we have requested DVRC Board for some upgrades for the art room. If all goes well this summer, we will have new storage shelves, a new sink and more electrical outlets. The ceiling had a water leak and that will be fixed too. So hopefully when classes start again in November, we will have a cleaner more efficient look in the room.

Other changes includes, sadly to say, that Becky DeFord our sketching teacher is resigning and is planning to travel more with her husband David. They have put their house up for sale and will be relocating sometime in the future.

Another change that Alicia Short (me) was planning to be

moving to Cottonwood and would not be teaching again on a regular basis. However, that could change too. I am having a knee replacement sometime soon, (in May as I write this article). Rehab time can be as long as 3-4 months or maybe less, so I read. That's probably going to depend on how good I am at the rehab part. We have decided to put off putting our house on sale for the time being. If we have a change of heart, who knows I may still be around. It was my plan to try to come back for two-day workshops in mixed media, anyway. But if I'm around in November and December, I'll be back teaching a class. January and February are up in the air.

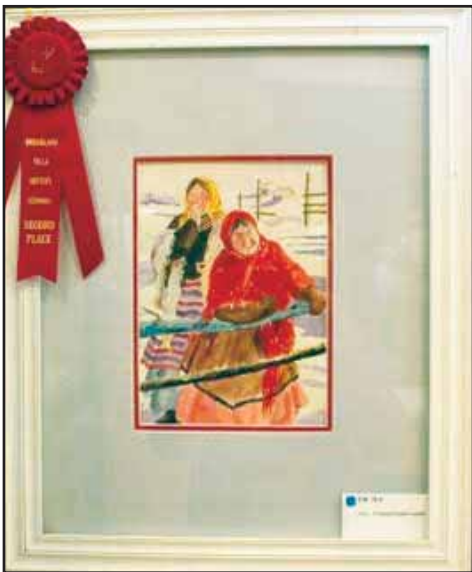

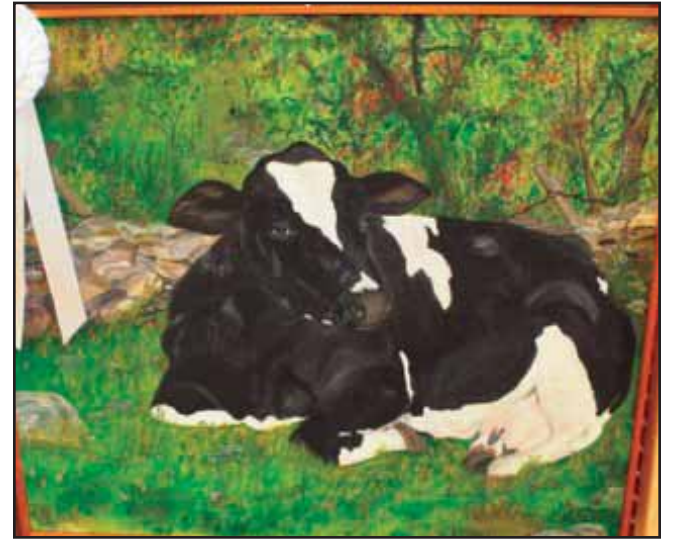

We do need teachers. We could use someone to teach drawing/sketching and other mediums. If interested, contact

the art department coordinator Ila Wandtke at: ilalee222@cox.net

Announcements about November December classes will come later.

The Art room is a good location for doing other crafts. So if there is anyone interested in leading some type of crafts please contact Ila Wandtke. We will see what can be worked out. Priority will go to art classes for days, time and space. One of the ideas tossed around at the end of this year's season was to try to have a wine and art night. You bring your wine or other drink and we will help you paint a painting. Details are being worked out, so look for future writings about this possibility.

So have a good summer. See you in the fall.

Congratulations to the painters who took 2nd, 3rd and honorable mention in the Fine Arts Show on March 11.

Hey Jude, The Beatles were Fantastic!

by Cathy Jageler

Couldn't help but move to the music! If you are a Beatles fan – you had to love it! It was more than just a concert. We enjoyed the story of their history and video clips we all grew up seeing. Included were clips from the Ed Sullivan show and the final live performance on the rooftop of their Apple Corp offices. The narrator, Brian Epstein, gives the

audience a glimpse of what goes on behind the scenes, along with listening to some of the greatest songs written.

One of our Dreamland Villa guests said "The only thing that would have made it better – is if they could have played another hour!" How good is that?

Thank you to everyone who attended.

Polka/Old-Time Music Jam Session

by Bonnie Stark

We ended this season's Polka/Old-Time Music Jam Sessions at Farnsworth Hall with a fantastic dancing and listening crowd, and wonderful musicians playing many old favorites in waltzes, polkas, fox trots, jitterbugs, with a couple of Latin beats thrown in.

The slate of musicians at this jam session were: E.J. Monthye, Butte, Montana, piano accordion; Del Schroh, Saskatoon, Saskatchewan, guitar and vocals; Jim Bahm, Billings, Montana, saxophone, button-box accordion and vocals; Sam Pecorilla, Monroe, Oregon, piano accordion; Dick Lindquist, Hibbing, Minnesota, drums; Lionel Stepp, Torquay, Saskatchewan, guitar, banjo and vocals; Jerry Kahle, Cologne, Minnesota, backup electric tuba; Paul Bria, Keizer, Oregon, piano accordion; and Bonnie Stark, Billings, Montana play some remarkable music together!

We'd like to thank our faithful "kitchen crew" and "door keepers": Charlotte Monthye, Jennifer Tompkins, Cathy Jageler and Linda Hooser, who serve the snacks, handle the entry doors and take care of anything extra that needs to be done. Margie Johnson always does an excellent job with selling 50/50 tickets, and six lucky winners were happy to win! Please remember that all proceeds of our Polka/Old-Time Music Jam Sessions go to Dreamland Villa Retirement Community for allowing us the use of Farnsworth Hall.

Thanks very much to our sound man, Lew Hooser, who continues to give us the best possible sound. We also appreciate the set-up crew who arranges the hall for the musicians, dancers and listeners.

Since most of our musicians and dancers are "Snow Birds", we will not have our jam sessions over the summer months. However, we look forward to starting up again on November 17th, for the first Polka/Old-Time Music Jam Session of the 2017-2018 dance season and continuing each third Friday of December, January, February and March in Farnsworth Hall, starting at 12:30, and ending at 3:00 p.m.

Our Polka/Old-Time Music dances are open to the public. You're invited to come out to see which guest musicians will entertain you that day. Have a safe summer everyone; see you in November.

CARD BINGO

by Sydney Clark

Last month I was able to take a little trip to Santa Fe, NM to join some of my friends who graduated with me from high school in Frankfurt, Germany. While I was gone, Linda and Jerry Hopp filled in and card bingo was another Thursday success. I am so thankful for all the support this weekly game receives from all you special Dreamland residents. For those of you who have never attended, please come and join us for some laughs and socialization time. Every Thursday at Read Hall, starting at 10 a.m. You just need to bring 3 nickels, 3 dimes, 3 quarters and a \$1 bill. We look forward to seeing you.

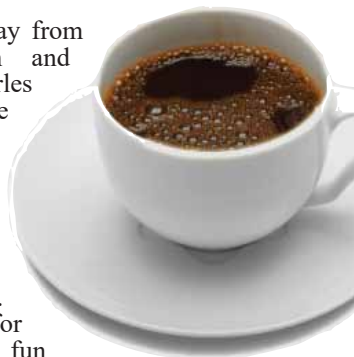

Coffee Social

by Sydney Clark

I took a little time away from Dreamland last month and while I was gone, Charles Dubbs once again did the Coffee Social routine he relinquished to me last year. Like riding a bike, you never really forget what you need to do and the Saturday coffee social came off without a hitch. Thank you, Charles, for letting me go have some fun with my old high school friends.

We meet at Read Hall every 2nd and 4th Saturday and this month the dates are June 10 and June 24. The donuts will be fresh and the coffee hot when you walk thru the door at 7:30 a.m. We look forward to sharing some early Saturday time with you all.

Fundraising Activities

By Charlene Grande

I am pleased to announce that Deb Rychalk and I, Charlene Grande have been appointed to the Fundraiser Committee.

We have a lot of new projects coming in this next year, so keep an eye on your *Citizen* paper for all of the times and places for the events. August will be an Ice Cream Social and a movie, date and time will be coming soon.

See you soon, Charlene.

Dreamland Villa Retirement Community, Board of Directors

Tuesday, May 9, 2017 Approved Meeting Minutes

Welcome: Pat Clark, President.

Pledge of Allegiance

Call to Order: 9 a.m., Pat Clark, President.

Roll Call: Ward Jennings, Secretary.

Present: Pat Clark, Ward Jennings, John Pawloski, Sr., Janet Peterson and Deb Rychlak. A quorum was present.

Ratification of Minutes: Janet Peterson moved to ratify the following minutes:

Board of Directors April 11, 2017 Minutes and Study Session Minutes dated May 2, 2017 Minutes. The motion carried unanimously.

Treasurer's Report: Ward Jennings, Treasurer. Financial reports on file in the office and posted on the official bulletin board. A special report showing a comparison of kee cards sold through April 30, of each year since 2011 is attached to these minutes on the website.

Administrative Services Manager's Report: Vicki Mitchell's report is on file in the office.

Standing Committee Reports and MCSO Posse Reports: Reports, if provided by the Committee Chairpersons, are on file in the office.

Old Business: None

New Business:

Pool Furniture Replacement: John Pawloski, Sr. moved to authorize the Chairperson for the Buildings and Grounds Committee to spend an amount not to exceed \$3,000 to buy approximately three new tables, 16 new chairs, six new handicapped chaise lounges and restring several chairs for the pool areas. The amended motion carried unanimously.

Farnsworth Hall Marquee: Deb Rychlak moved to authorize the Farnsworth Hall Manager to purchase a new top to the Farnsworth Hall marquee for \$2,860 plus tax with an additional installation price of \$779. The new top shall state the Farnsworth Hall is available for rent and shall provide a telephone number. The motion carried unanimously.

Mission Statement Revision: Ward Jennings moved to approve a new mission statement "Our Mission is to offer events, activities and facilities for the enjoyment of our residents and maintain Dreamland Villa's status as a 55 + age-restricted retirement community." After some discussion about the use of the word "residents" in the mission statement, the motion carried unanimously.

Farnsworth Hall Website: Deb Rychlak moved to authorize the Farnsworth Hall Manager to utilize Larry John Wright, Inc. to create a Farnsworth Hall rental webpage for an amount not to exceed \$1,885. The Farnsworth Hall venue

page will be used to advertise the community's event venue to the public. This page will display an attractive multimedia presentation to the visitor highlighting why they should book Farnsworth Hall for their next event. Features shall include a virtual tour that allows visitors to explore the venue from the convenience of their computer or mobile device, a slideshow of the venue with captions, a description of services and amenities available for a variety of event categories (weddings, parties, corporate, etc) and contact information for questions and booking, and a contact form. The motion carried unanimously.

New DVRC Webpages: John Pawloski, Sr. moved to authorize the Secretary/Treasurer in coordination with the Website Committee and other interested persons to create a new home page for the DVRC website (cost not to exceed \$3,695) and two new interior webpages: A Directory of Services (cost not to exceed \$1,600) and a Real Estate Section (cost not to exceed \$2,000); additional details provided in the Dreamland Villa Website Proposal available on the website. The 2016-2017 Kitchen Subcommittee Chairperson has authorized the use of its restricted funds, approximately \$2,700, to cover the virtual tour and post production costs related to the new home page. Two questions need to be answered before the completion of the website work: (1) How will the content management or key word search causes our new website to be first or near the top of searches and (2) what would the fee be for monthly management of the website's content management changes. The motion carried unanimously as amended.

Bingo Revisited: Possible motion: John Pawloski, Sr. moved to provide the Directors advise and consent to create a new ad-hoc Bingo Committee to prepare a proposal to develop a new Bingo program to raise funds for DVRC and provide the Directors advise and consent to approve Charlene Grande as the ad-hoc Bingo Committee Chairperson. This motion does not establish a permanent Bingo Committee and this motion does not authorize anyone to move forward with any implementation actions. Charlene has stated that if the Directors authorized a new permanent Bingo Committee she is not willing to chair that committee. The motion carried unanimously.

Fire Suppression Equipment. (This was a late item for the agenda.) Based on a May 3, 2017 inspection report,

some sprinklers are missing and several sprinkler heads are inoperative. John Pawloski, Sr. moved to authorize \$2,140 of capital reserve funds to be used to pay Metro Fire Equipment to install new sprinklers in the Farnsworth Hall mezzanine, closets located under the mezzanine and entry area, and replace eight sprinkler heads at both Farnsworth and Read Halls. The work shall also include inspection of check valves and pipe obstructions. The motion carried unanimously.

Adjourned: 9:49 a.m.

Submitted by Ward Jennings, Secretary
The following two items are attached to these minutes on the Dreamland Villa website:

Kee Cards Report showing sales through April 30, of each year since 2011.

The Dreamland Villa Website Proposal

Open Forum Comments: Jackie Young stated she has passed the Kitchen Manager test and now has her Kitchen Manager License.

Copper Heights Maricopa County Zoning Hearing scheduled for May 11, 2017 has been cancelled by the owners of the facility according to Beth Coons because people created such a "ruckus" that the

Copper Heights owners felt they would lose their zoning request. Residents of Dreamland Villa provided more than 80 letters opposing the continued use of this facility as a drug rehabilitation facility for under-aged persons. The owners entered into a consent agreement, among other things, requiring them to (1) stop their residents congregating on the west end of their property, the primary source of foul language and cigarette smoke and (2) discontinue their residents walking through any portion of the Dreamland Villa Subdivision. Should they violate any portion of the consent agreement, the fine is \$1,000 per day. They have requested an eight month extension for the current permit in order to relocate their operation to a new building at 70th Street and Main Street in Mesa. The Maricopa County Board of Supervisors meeting scheduled for June 7, 2017 has also been cancelled.

The Directors agreed to meet for a Strategic Planning Committee meeting on July 11, 2017 to discuss the second quarter financial results, status of the new website's development and how to address the continued declining revenue that threatens the long term future of Dreamland Villa as we currently know it.

Administrative Policy And Procedures Manual: Deb Rychlak, Policies Committee Chairperson presented a revised Administrative Policy and Procedure Subject: Facility Rental and Lease Rules and Fees Revision. The Directors requested that the DVRC Members Celebration rent be increased from \$200 to \$250. The policy should be revised to stipulate that this rate is for the kee cards hold only and not for extended family members. The Directors requested that the Policies Committee work with the Farnsworth Hall Rental Manager to review the existing Short Term Facility Rental Agreement (for a single event) with the intent of making the agreement shorter and more concise.

Mission Statement Revision: Ward Jennings, Secretary suggested the current mission statement is outdated and proposed four options. The Directors favored Alternative Four: "Our Mission is to offer events, activities and facilities for the enjoyment of our residents and maintain Dreamland Villa's status as a 55+ age-restricted retirement community."

Copper Heights: Request to Maricopa County to Rescind the Senior Citizen Overlay (55+ age-restriction.)

Ward Jennings, Secretary, advised that the property owners of 152 N. 56th St., Mesa, have requested a zoning hearing to be held on Thursday, May 11, 2017, requesting Maricopa County rescind the property's 55+ age-restriction status. The zoning request would permanently permit the facility to continue to offer drug rehabilitation services to its less than 55 year old open facility residents. The Board of Supervisors hearing for the requested zoning change is scheduled for June 7, 2017. The DVRC office has received more than 50 hand written and signed letters from concerned DVRC residents. Ward, on behalf of DVRC, shall be present at the hearings to present the letters and demonstrate how disrespectful and offensive these drug rehabilitation residents have been toward our community's 55+ aged residents.

Dreamland Villa Revenue: Should the revenue continue to decline the result will be that Dreamland Villa will be unable to maintain the legal requirements to document its compliance with the 55+ age-restriction rules. Ward Jennings, Treasurer, presented several ideas for the Directors and attendees to consider addressing the declining revenue.

Photos of today's Dreamland Villa were presented comparing it to a multi-aged subdivision. Ward suggested the Directors and

attendees consider this negative messaging as part of the 2018 annual fund raising drive to residents who did not make a 2017 financial contribution to DVRC.

Two groups of Real Estate agents who advertised in the 2017 Directory have received no new listings from our residents. That raises the question: Will the 2017 Directory advertisers renew their ads for the 2018 Directory? Those real estate agents have demonstrated a strong interest in keeping Dreamland Villa a 55+ age-restricted Subdivision but residents have not been listing with them.

Ward presented a four page proposal for a new website homepage with four interior links. The proposed new homepage would include a drone video overview, with voice-over and captioning, presenting the community's attributes to people not currently familiar with Dreamland Villa. One interior link would be for the existing website for DVRC residents. A second link would promote Farnsworth Hall rental to include the venue's virtual tour. A third link would present the Directory advertisers' names and advertisements which provide services for our residents and their homes. The fourth link would promote available rental properties and homes listed for sale wherein the listings properly reveal that Dreamland Villa is a 55+ age-restricted retirement community with requested one time \$400 transfer fee and \$175 per person recurring annual fee; fees necessary to keep Dreamland Villa a 55+ age-restricted retirement community.

The cost of the proposed new homepage and proposed three new interior links would be paid for by increased revenue related to the new web pages.

Bingo Revisited: Charlene Grande, Fundraising Committee Chairperson suggested the Directors approve a new ad-hoc Bingo Committee to prepare a proposal to develop a new Bingo program to raise funds for DVRC. Charlene said would chair the ad-hoc Bingo Committee if it was approved by the Directors. Charlene also stated that if the Directors authorized a new permanent Bingo Committee she would NOT chair that committee.

Strategic Planning Committee: Deb Rychlak read the responsibilities assigned to this committee in the Administrative Policy and Procedure manual and suggested this committee be convened to focus on declining revenue issues. It was suggested that Deb coordinate a meeting with Bruce Gile, Strategic Planning Committee Chairperson.
