Welcome to Dreamland Villa!

by Cyn Munday

A genuine welcome to all of the new residents in Dreamland Villa! This fine retirement community would like to let you know you are very welcome here and we hope to meet you soon. Please come and join us for an Informational Social meeting for all new residents on March 8 at 7 p.m., refreshments will be served. This is a friendly group and we encourage you to come to meet some other new residents. Our volunteer group is committed to meeting you for this purpose.

Please visit our website at www.dreamlandvilla.org for a complete listing of activities and a little history of Dreamland Villa. There are a variety of activities especially scheduled for the winter season where we hope you will join in and participate. Please take a moment to look over the website calendar. There are many links to aid in your search.

Retirement should include having fun, getting to know more friendly folks with the same interests and doing those things we always thought about during our working days when we never found the time. A good neighbor is one who reaches out to help you feel welcome. Should you have a fairly new neighbor or one who has not previously joined in activities here at Dreamland, please invite them to our monthly meeting and encourage them to have a look at our facilities.

We are looking forward to meeting you soon. Our volunteers will greet you warmly with our friendliest smiles. Please do not hesitate to call the office at 480-832-3461 with any questions you may have regarding Dreamland Villa. Again, we are glad you are here and genuinely hope you will come and join us!

Its Official!!

Dreamland Villa Retirement Community

by Ward Jennings, Secretary/Treasurer

On January 20, 2017 the Arizona Corporation Commission approved the restated Articles of Incorporation authorizing the former club to be re-named Dreamland Villa Retirement Community, file no. 0058072-7.

The residents of the Dreamland Villa Community, who also provide the financial support to keep the corporation financially solvent, showed up in one of the largest membership turn-outs, voting 563 in favor of the name change. Only eight voted against the forward thinking re-branding concept.

The Directors and Dreamland Villa Retirement Community Office staff have been busy communicating this new message to the real estate professionals, their associations, the

title companies' escrow agents and Dreamland Villa's new home buyers.

A 1980 Maricopa County Zoning Ordinance designated Dreamland Villa as a 55+ age-restricted Subdivision and requires Dreamland Villa Retirement Community to comply with the legal requirements set forth in the US Department of Housing and Urban Development, Housing for Older Persons Act of 1995. Dreamland Villa must comply with paragraph 100.305 (a) of the Act and be able to document that at least 80% of the dwelling units are occupied by at least one person 55 years of age or older. Paragraph 100.307 (c) of the Act also requires regular updates of the documentation, through surveys or affidavits, at least

one every two years.

The purpose of re-branding the "club" to the Dreamland Villa Retirement Community: inform realtors, escrow agents and new residents that for Dreamland Villa to remain a 55+ age-restricted Subdivision, it is absolutely essential that the Read Hall office and staff exist to comply with the regulatory requirements.

The new residents' one-time transfer fee paid at the close of escrow and the recurring annual fees are intended to cover the costs of processing the new residents' paperwork, the required verification of occupancy surveys or affidavits and maintaining the retirement community.

Protect Dreamland Villa's Senior Overlay

Senior communities are plentiful in Mesa – for good reason. Not only is our lovely city the second home to many active retirees, but there are tax and lifestyle advantages to residents in a registered "55+ Community."

Those of us with kids and grandkids love them, but many of us chose Dreamland Villa to avoid the ruckus of living in

a family neighborhood. Here, there are no kids doing wheelies on bikes in the middle of the street, no rough-housing on front lawns and no yelping and hollering – unless you're in Farnsworth Hall during Country Jam.

Remaining a protected, 55+ community means every resident in Dreamland Villa must update their information every two

years. Fortunately, our efficient Dreamland Villa office staff will contact you if your information must be updated.

When they reach out to you, they are not trying to bother you – they are working to protect your community. If you hear from a staff member, please cooperate with them and provide them with the information they need.

To learn more about Dreamland Villa's senior overlay, take a look at Pat Clark's President's Message. He goes into more detail about the change in our community's designation at the state level and the effort of keeping our overlay up-to-date.

Thank you for your cooperation and for helping our community have more ruckus-free days!

President's Message

By: Pat Clark

Pat Clark

Hello everybody! Wow, it's March already and some of you are already getting ready to travel back to your summer hide-a-ways. If you can stick around awhile, the best weather of the year is right now and will be here until later in May.

I want to thank those that took the time out of their schedules to vote for the new board members for the Dreamland Villa board of directors. The new directors will be sworn in on Monday, April 3rd at Read Hall.

The re-branding of Dreamland Villa is going slowly but fairly smooth. We have been notified that the state has recognized our change in their records. We are now working on ways of getting out the word to all of those involved in the real estate industry, so that we get marketed correctly and have all of the HUD HOPA rules adhered to as they pertain to us.

A major part of our adhering to the rules is making sure we have an up-to-date senior overlay from every residence in Dreamland. They become outdated every two years, and so therefore must be updated. Because the dates individuals filed theirs varies, it is a constant task for the office staff to keep up-to-date records which we must have in order to prove we

are adhering to the 80% rule. So please, all of you, owners, renters, anybody who is temporarily holding a property in Dreamland, when you receive a notice from us, it is because your senior overlay has gone 'stale' and we have to update it as soon as possible. It is imperative if we are to maintain current, correct and verifiable records as required by HUD.

I invite you all to the board of directors monthly study session, which is held the first Tuesday of every month. Then join us for the monthly board of directors meeting on the second Tuesday of the month, these two meetings are the only way for you, the members, to stay correctly informed about your community. And trust me folks, I've heard some real "head shaker" kind of rumors out there.

The season is in the early winding down stage, so I want to thank ALL of the member volunteers and committee members that make Dreamland Villa Retirement Community what it is. Without you all, we wouldn't have all of the wonderful events at Farnsworth Hall. The pancake breakfasts, pot lucks, high tea, spaghetti feed, swap meets and bake sales, along with the annual book sale. This includes entertainment of all kind and outside rentals of the hall. Special thanks to Donna Hopp for finding work for all of you wonderful volunteers. Thanks to the Neighborhood Watch folks, and all of those that help get the monthly Citizen delivered. A big thanks to all of you who are a monitor of an activity. It is you that makes it possible for members to use all of the great amenities and activity groups that we have available when you pay your annual fees. Thanks to any I'm sure I missed.

Have a great month everyone, and see ya around the Villa!

Results of the February 14, 2017 Election: Dreamland Villa Board of Directors

by Gary Barnard, Nominating Committee Chairman
 The 2017 Election for Directors was held at Read Hall on Tuesday, February 14, 2017. The results:
 Deb Rychlak received 59 votes to fill the three year Director vacancy.
 Janet Peterson received 58 votes to fill a two year Director vacancy.
 John Pawloski, Sr. received 55 votes to fill a two year Director vacancy.

Memorial: John Kunkel

John Kunkel, a winter resident of Dreamland Villa, died November 21, 2016, after many years of fighting a valiant battle with Alzheimer's. He is survived by his loving wife and best friend, Donna, and his three children, three stepchildren and many friends.

John was born at Pearl Lake, Minnesota, January 4, 1940. He was adventuresome, courageous, a friend to all, and he loved the outdoors. We lived in Vermont for over 30 years where he was a good steward of our land. Several years ago, we made the decision to conserve our land with the Land Trust for future generations to enjoy the woods, roads and trails, and the wild life that lives there.

While spending winters in Arizona, John enjoyed two hiking clubs, senior basketball, and several card games each week. We enjoyed the entertainment, the various classes, potlucks, and, most of all our friends. He also participated in Community Theater at Farnsworth Hall. Our friends, both in Arizona, and Vermont, were supportive of us as John's disease progressed, and that made it possible for him to continue enjoying his activities through November 2015.

We want to also thank Dreamland Villa Club for the use and set up of Read Hall for his Memorial Service on December 5, 2016, where so many of our friends attended. We were loyal dues paying members of Dreamland Villa for 15 years even though John could no longer participate the last year. Being members of Dreamland Villa enhanced and enriched our lives, and we would encourage residents who live here to be dues paying members so this community can live on forever. You, and others who follow you, will be glad you preserved this community for all to enjoy!

Sincerely,
 Donna Kunkel

New Commander of the Posse

by Kay Hawbaker

Recently John Pawloski resigned his role as Posse Commander. His replacement is Cliff Gagnon who has been a member of the Posse for twenty years in many different roles. One of the most interesting is his being a trained horseback deputy performing in local functions. He is devoted to serving his community and in his twenty years with the Posse, he has done so in many ways, from traffic control around accidents which occur in Dreamland, to many house

checks from May to December, and patrol via squad car of the streets.

He lives in Dreamland and is a supporting member of Dreamland Villa Retirement Community. He volunteers on the Nature Trail cleanup, which occurs each fall.

Cliff grew up in Sandstone, MN and attended the University of Minnesota. He served in the Army and worked for Northwestern Bell (which later became Quest) until he retired in 1997.

Cliff and his wife, Beverly have been married 59 years. They have three grown sons, two grandchildren and 13 great-grandchildren.

Here in Mesa, Cliff is a member of the American Legion and the Knights of Columbus. He continues to enjoy horseback riding in the Superstition Mountains and up on the Mongollon Rim. In the summer, he and his family spend time in northern Minnesota. They have a boat docked at Grand Marais, Minnesota and enjoy going out on Lake Superior.

We have two boys on bicycles saying they are working with Dreamland Office or have permission from office to go around the neighborhood knocking on doors to paint addresses on curbs. They do not have permission. Beware, they may paint your #'s first then demand money!!! Please call MCSO non-emergency 602-876-1011 if they come to your home.

Thank You To Key Card Volunteers

By Helen Ike

Words cannot express the gratitude I have for all you volunteers who helped me with the Dreamland Villa Retirement Key Card process. It would NEVER be possible to carry out all the work without you, and especially when we were learning a new system, as well. As you are well aware, there are numerous functions that are required in order to complete the job and the hours get long at times. Your patience, accuracy, efficiency and humor are all pieces that make the work pleasurable. I have so enjoyed being with each of you and so appreciated your willingness to provide such a positive response when I called upon you for help.

I would be remiss if I did not mention my co-chair, Cyn Munday! Thank you especially, Cyn, as your hours were countless. You were always there and so willing to pick up the slack and accommodate needs when required. I know you have much on your plate! Also, I would like to thank Karen Peterson for her advice and for laying the foundation for the process during her previous years as Chairman. I called upon you frequently this year, Karen, and couldn't have completed the work without you.

Additionally, Irene and Vickie in the DVRC office were always so available for whatever was needed. You both are hugely wonderful adjuncts to the process and are owed much gratitude for everything you do. Vicki, as a new employee, you rose to the occasion in fine fashion.

In closing, I look forward to the opportunity to work with all of you again, if possible, next year. Please remember the Volunteer Luncheon is on March 29 at 11:30 a.m. – 1 p.m.

It allows us to show our appreciation for you in an even more tangible way. Once again, thank you all!!!

Dreamland Villa Memory Bricks

by Cyn Munday

The Memory Brick Garden was originally created as a fundraising event back in 2014. Yes, we have been working ever since to promote our community with this lovely way of remembering each other and others who have been important in our lives.

A little history of Dreamland will show there were many uses for the spot of sidewalk just outside the office complex prior to our Memory Garden. The last thing there was a block covered with uneven asphalt with a cactus in the center. This was not the 1st spot chosen for the memory garden however after asking for ideas from many folks around here this spot was chosen as the one we needed to use. If you look at the picture you can see how it looked before and after and will most likely agree. It took months of planning, investigating and gathering quotes before this project would be approved and ready to roll. Nearly a year later, it was finally ready to begin and thanks to people (I still don't know who they all were) – we had so many volunteers come out to work on cleaning up the old asphalt and preparing the ground for the new bricks.

We couldn't do this without you. To all of those of you who have purchased a brick or just supported our efforts with your ideas and pitching in to help with the installation are all important and vital for a community project to succeed.

You have the power to make a difference! Thanks to you all sincerely. Remember bricks are still available at the very reasonable cost of \$50.00 per brick.

Insured / 30 Years Experience

Dreamland Villa Retirement Community Board of Directors February 7, 2017, Approved Study Session Minutes

Welcome: Pat Clark, President.

Pledge of Allegiance.

Call to Order: 9 a.m.

Roll Call: Ward Jennings, Secretary.

Present: Pat Clark, Bruce Gile, Ward Jennings, John Pawloski, Sr. and Janet Peterson.

Treasurer's Report: Ward Jennings, Treasurer. The January 31, 2017 Balance Sheet, Statements of Revenue and Expense, Capital Expenditures, and Restricted Funds and the Treasurer's Report were presented. The 2017 Annual Fees were slightly higher compared to the same period last year. The combined cash balances were \$35,411 greater than the same period in 2016.

Old Business: None

New Business:

2016 Audit Report Presentation: Nancy Schnoor, Audit Committee Chairperson, addressed the management letter's recommendations. The Audit Committee Report for the year ending December 31, 2016 Audit and the Management Letter are available in the Read Hall business office.

Administrative Services Manager Job Description: Ward Jennings commented that the job description was last updated in 2009 and should be revised to include the administration of the property management system data, the new WINPAC key card system, and incorporate the abolished bookkeeper position's responsibilities. Syd Clark, Personnel Committee Chairperson

stated the Personnel Committee is working with the Policy Committee on this and other Personnel policies.

Committee Chairpersons Resignation:

Policy Committee Chairperson: Ann Krasselt has resigned as Chairperson. President Clark has nominated Char Grande as the new Chairperson. The Directors acknowledged they would provide their advice and consent at the February 14, 2017 Board Meeting for this appointment.

Farnsworth Hall Rental Chairperson: Bruce Gile stated that he intends to resign as Chairperson at the end of April 2017. No replacement of the Chairperson was discussed. However, the Personnel Committee stated they are working with the Policy Committee to possibly hire a full time event manager to be the Farnsworth Hall Rental Sales Coordinator.

Administrative Policy and Procedure, Section: Accounting. Ward Jennings provided a revision to the Accounting Policy stating that any item purchased costing \$1,000 or more and having a useful life greater than one year, regardless of the source of funds to pay for the purchase, shall be capitalized-not expensed. The policy change shall be submitted to a Director vote at the February 14, 2017 Board of Directors Meeting.

Property Management System: Ward Jennings discussed a revised 55+ age restricted compliance computer generated report and compared its results to a similar report generated December 5, 2016. Both reports indicate that a significant number of rental property owners are not providing affidavits

for the occupants of their rental property. The current computer system does not provide for a systematic approach to identify properties that need updated affidavits and also export an EXCEL file to be used with mail-merge to address this issue. The Directors are seeking a solution to the problem.

ARMLS Dreamland Villa Real Estate Listings: Ward Jennings provided examples of current real estate agent listings that continue to state "Voluntary HOA if you wish to use the pool & clubhouse facilities" or similar wording and fail to identify Dreamland Villa as being a 55+ age-restricted Subdivision. Similar disclosure issues are prevalent in approximately 40 current MLS listing of Dreamland Villa Subdivision properties. See the next paragraph, Re-Branding Status.

Re-Branding Status: Ward Jennings stated that a targeted mailing of a "Press Release or Announcement" to real estate professionals and the title companies of the name change and required disclosure corrections should be completed by February 17, 2017. Other actions are being taken to create a new website for the Dreamland Villa Retirement Community to better market Farnsworth Hall as a rental venue, promote real estate agents who are ambassadors for our Community, provide vendors who provide services to maintain our homes, lifestyles and well-being as well as the current community activities and information.

Candidates for the Help Services Board of Directors

by Gale Pauley

The annual election for members of the Help Services Board of Directors will be held from 9 a.m. to 4 p.m. on Tuesday, March 7, 2017 at the Help Services building located at 5210 E. University, just east of Higley Road. Those unable to vote on Election Day may cast their vote early by coming to Help Services any day during the preceding week (except Sunday) between the hours of 9 a.m. and noon. All residents of Dreamland Villa and Velda Rose Estates are automatically members of Help Services and are, therefore, eligible, and are encouraged to vote.

Help Services is a 501 (c) (3) public charity organization that provides, on a loan/free basis, sickroom and other health care equipment to the sick, injured and convulsing residents of Dreamland Villa and Velda Rose Estates. Help Services operates solely from

the donations it receives and is managed by a Board of Directors made up of 12 volunteers from the communities it serves. Four Board members are elected each year for three year terms. The resumes of this year's candidates follow:

Dean Albertsen

I have served on the Help Services Board for three years and have volunteered for this organization for over four years. Help Services continues to provide the assistance that has meant so much in the past. We will continue to do what is best for our communities through current and updated services that are deemed necessary. I will appreciate your vote so that I can continue serving you. Thanks for your support.

Delmar Enderich

I moved here in September 2014. I took over my mother's house on 58th Street. I have been coming here for 20 years to visit my mother. She worked at Help Services for about ten years. I am retired Navy after 21 years. Also retired as a long haul trucker. I love Dreamland Villa. Help Services is a big part of this community. So many people depend on Help Services to make it through the day. As a board member I will do all I can to help the people we serve any way I can. My mother thought Help Services was the best part of living here. I agree with that. I have worked with people from all over the U.S. I was supervisor in the Navy. Worked for 10 years as a buyer for my department. As a trucker I have been in every state. I hauled over-sized loads. I have been working at Help Services for almost 1 1/2 years now. I love it you get to meet new people all the time. New people are amazed at what we have to check out. Enjoy working with different people all the time. Help Services is a great place.

Lucille Kraiss

I have worked with Help Services as a monitor for ten years and served on the Board of Directors for three terms of three years each. Having lived in Dreamland Villa since 1990, I have volunteered in other areas of the Villa for several years. I enjoy dealing with old friends as well as with newcomers to both Dreamland Villa and Velda Rose Estates. Help Services is such a worthwhile organization, I would like to continue to contribute in any way that I can to make it even better. I am again running for another term on the Board of Directors of Help Services and would like your vote. Thank you in advance for your confidence in me.

Kriss Miles

I have been a resident of Velda Rose Estates for the past twenty years. Prior to moving to Mesa, I was a native of Seattle, Washington, and had been an employee of The Boeing Company.

I have been a volunteer at Help Services since 1997. First I was a Monitor and then I was elected to the board in 1999. I am still a Monitor and I have been the Secretary for the Board since my initial election to the Board many years ago.

I enjoy my involvement with Help Services as I feel it is a special organization for our communities. We are so fortunate to be able to have the use of all the wonderful equipment that is available. I have also met some very nice people who also volunteer at Help Services.

Therefore, I am seeking another term while I am still able to handle the duties of Secretary.

Joanna Padilla

I have lived in Velda Rose Estates just over eight years and have been volunteering at Help Services for over three years. I am on the Board of Directors in Velda Rose. For the last three years I have been in charge of scheduling our volunteers to work at Help Services and helped with the 40th Anniversary Open House. I have been a desk monitor and in a pinch I have been a warehouse monitor. I have learned a lot in my time volunteering at Help Service and have met many wonderful people. I feel I would be very helpful to Help Services and would appreciate your vote.

Volunteer Appreciation Luncheon

by Sydney Clark

As has been previously stated many times, Dreamland Villa Retirement Community exists because of the tireless energy and time put in by its many volunteers. DVRC simply could not continue to function without all of you.

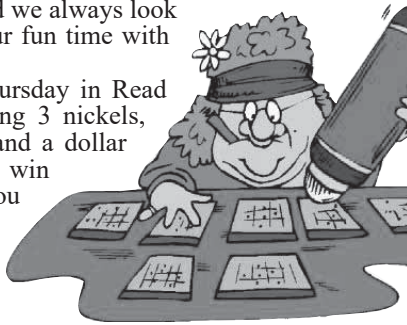

To show appreciation for the work you do, a catered luncheon for all volunteers will be held at Farnsworth Hall on Wednesday, March 29th with doors opening at 11:30 a.m. and food served at noon. You will be receiving a printed invitation within the next few weeks. Please bring it with you. We look forward to seeing you at this event.

CARD BINGO

by Sydney Clark

Last month saw an increase in attendance at Thursday's card bingo gathering and we welcomed several new Dreamland Villa residents, as well as family members of our regular group. It's great to see our friends and neighbors coming to join us, and we always look forward to sharing our fun time with your family.

We meet every Thursday in Read Hall at 10 a.m. Bring 3 nickels, 3 dimes, 3 quarters and a dollar bill. You may not win one of the pots, but you will definitely have a good time. Come join us.

Dancing at Farnsworth Hall

by Patty Berg

Line dancing at Farnsworth Hall is well underway with our winter visitors back with us. We also enjoyed a great night of line dancing at the Brooks and Dunn Tribute. If you were there you were able to see some of the dances that we do regularly in our Tuesday evening class. This would be a good time to begin a new form of exercise fun and join us at Farnsworth Hall for an evening of line dancing.

If you are a beginner or dance regularly, you will be able to dance with us. Our instructor, Esther Sparr walks through each dance several times and calls out the steps as the music is playing. The idea is to make the dances clear and fun. It is a great way to stay in shape. Dancing is all about moving your body and that burns calories.

You can look us up on Facebook at Fun Feet Line Dance Community and stay informed about what is happening. On Facebook we have videos of line dances, articles of other line dances in the area, updates and information about the Farnsworth line dances.

The cost for the evening for those who live in Dreamland Villa and have a current key card is \$3 and \$4 for all others.

Don't put it off any longer. Come on down to Farnsworth Hall every Tuesday evening from 6-8 p.m., get some exercise to good music and meet some new friends. You will be glad you came!

You Missed It!!!

by Cathy Jageler

Ed Gary

Remember this tune? "Good Night, Irene, Good night, Irene, I'll see you in my dreams". Well, William Florian changed one verse to go like this: "Sometimes Irene wears pajamas, sometimes Irene wears her night gown, when they are both in the laundry – Irene is the talk of the town!" Ha! Ed Gary & William Florian put on one heck of a show – for a very small crowd. But the show must go on! Before the evening was over, five or six girls from the audience were on stage, including us on your entertainment committee. One of the most fun shows ever.

Coffee Social

It's not quite as dark and cold in the early morning hour as I go to pick up donuts and I welcome the change. Spring is coming to Arizona and with that comes the warmer weather that my old bones crave. Come to Read Hall on the 2nd and 4th Saturday of each month for hot coffee and tasty donuts. This month the dates are March 11 and March 25. We'll be there at 7:30 a.m. and share birthdays, anniversaries and news about what is going on here in Dreamland. Come join us.

Dreamland Tuesday Bowling League

By Ray Zabel

This will be read the first part of March and many of our snow-birds will be going home or thinking about it. We miss them already. Our bowling season will be coming to an end soon -- but bowling doesn't stop. The summer bowling begins just after the banquet, the next Tuesday. We are about five weeks from the play offs at this time, so good luck to all.

At this time the "Alley Cats" (Rod and Linda Bilodeau, Richard Arnold, Ulic Henehan) are ahead with 17 points with five weeks to go in the second half. In second at this time are the "Good Guys" (Harry and Nancy Cole, Bob and Betty Rodocker) with 15 points. Tied for third with 14 points are "Rowdy Rollers" (Carolyn Taylor, Jack Cregar, Robert Grande, Larry Ressa) and "The Bounders" (Sandy Otto, Chuck Damert, Dianne and Arthur Clarke). There are nine teams that are four points behind them.

The first half winners were the "Good Guys" and are awaiting a chance to play any of the possible teams who have a chance. I might also add that the Good Guys may be playing themselves! The roll off is set for March 14th.

Since the bowling banquet will be March 28th at Golden Corral at 3:30 p.m., please put it on your calendar. We are having a drawing for all bowlers and will pass out your winnings, plus having a joyous time giving out the winnings and doing the drawings. And, don't forget the good food!

FUN TIME CERAMICS

Remember when you couldn't wait to have the time to do something fun? All you wanted was a few hours a week to do something for yourself. How exciting it would be when you finally found the time and a project turned out just right—or the laughs when it wasn't perfect, but it was yours anyway.

Get that feeling back when you try your hand at ceramics. Whether it's something you've done years ago or it's entirely new to you, we'd love to have you create with us. Perhaps you would like a special item, but don't have the time to finish it yourself. We've got you covered. Just talk to Dean and he'll help you out.

Easter will be here soon and we have a number of items available for sale to help celebrate finished and unfinished. You don't even have to live in Dreamland Villa (see below), as long as you're 55+.

If you live in Dreamland Villa, use of the facility is covered by payment of your annual fee.

If you don't live in Dreamland Villa, we're not leaving you out. Just stop by the club office and pay the monthly fee to take advantage of the opportunity to create a one of a kind art work crafted by you. We have some bisque available for small fee, or bring your own and visit with us. Everyone can use new friends.

We're here, scraping, cleaning, glazing, painting and firing from 9a.m. until noon every Tuesday and Thursday (except holidays) with the coffee pot on. Come join us.

Arts & Crafts

by Jennifer Tompkins.

If you enjoyed the Arts & Crafts Show on January 28th, our last show this year is Saturday, March 4th 9 a.m. to 1 p.m. at Farnsworth Hall. As always there will be new items, all made in America.

I look forward to seeing you on March 4 at Farnsworth Hall.

Tai Chi

by Cathy Jageler

Tai Chi classes are going on at Farnsworth hall. Evening class is from 5 – 6 p.m. on Wednesdays. Morning class is from 9 – 10 a.m. on Tuesdays and Thursdays. Come join the fun! \$2 for DVCC members, \$4 for all others.

Dreamland Villa Quilting Club

by Becky Lamson

Our photo this month is a flock of chicken pin cushions made during our January special project class. This was a fun project and all who made them had them stuffed before leaving class. It's nice to attend a class and go home with the finished project.

At our quarterly meeting on January 5 we had election of officers. All of the 2016 officers were elected for another term. The results: President/Reporter Becky Lamson, Vice-President Betty Sharpy and Secretary/Treasurer Rita Carlson.

The Quilting Club meetings are every Thursday from 1-3 p.m. at Read Hall. New and prospective members are always welcome. If you desire, bring along an item for show and tell.

We welcome your unused quilting fabric. You can contact Becky Lamson at 480-202-7003, and she will arrange a time to pick it up, or you may drop it off during our quilt meetings at Read Hall on Thursday afternoons.

Quilters' quote of the month: Quilters are Cut-ups.

Computer Club

by Kay Hawbaker

Our February speaker was Joe Hoover, our new Computer Club President and he spoke about "Cutting the Cord – Alternatives to Cable and Satellite TV". In March, John Ahrens has invited a speaker from the Main Mesa Library to come to present information about what is available through their services.

"Pink Blossoms"

by Becky DeFord -2016

The annual Photography Show was held on February 18 in conjunction with the Pancake Breakfast. Eight entrants displayed their photography work. Winners will be highlighted in the next issue of the Citizen.

On January 19, Joe Hoover's android class explored the KeePass program to keep track of passwords. The KeePass program can be used with a cloud service, such as Dropbox, so that you can access your passwords anywhere you have internet access. You need only remember the Dropbox and KeePass passwords. Versions of KeePass are also available for Windows and Apple users.

Berky Serno presented a 5-week class on Microsoft Word. If there is enough interest, she may be willing to repeat this class in the future.

The Computer Club is requesting that members donate old ink cartridges to the club as the club has a Reward Account with Staples. We can purchase supplies through this account with coupons for twenty dollars when we turn in cartridges.

The Q&A on Saturday morning is, as always, a time to come and ask and share information about any computer related subject. Everyone is welcome.

FUSED GLASS

by Dave & Katie Senke

What fun we have in fused glass – creativity, new projects to take home, conversation and an occasional snack. We are so excited to see all the new people who have stopped in and shown interest in what we do. And the winter visitors are back so we are seeing a lot of last year's members returning.

This may sound repetitive to those who read the *Citizen* regularly, but the new comers, we would like to give you some info on fused glass.

It only takes about 45 minutes to learn to cut glass and the procedure to follow to make your masterpiece. Once

you have learned to cut glass, which isn't difficult, all that is needed is your imagination. We also have many pictures printed to get ideas from and the internet is a great place to find new designs. Just type in fused glass and wow, you will be surprised at what you find.

The only cost is for the material you use and small firing fee. We hope to see you soon at fused glass.

News from the Librarian's Desk

by Sydney Clark

I am pleased to report that with the help of a small, but extremely hard working group of volunteers, our annual Book Sale was a great success. We all put in many hours pulling books from the shelves and arranging them in boxes. With the help of our great Building and Grounds staff, all those boxes were transported to Farnsworth Hall waiting for the doors to open early Saturday morning. With the Library's own books and the most generous donations of your own books, we had a very impressive array of all manner of reading material to offer.

This year we shared the date and location with the Swap Meet/Bake Sale and it proved to be a good decision. Many thanks to all those volunteers who worked so hard to make the sales a success and all of you who came to support us with your book purchases.

Library hours remain Monday, Wednesday and Friday from 10 a.m. until noon, Wednesday afternoon from 1 until 3 p.m. and the first Saturday of the month from 10 a.m. until Noon. Please come join us. We'd love to see you.

Aquacise Fun!

February thru March

by Cathy Jageler

We are happy to have our winter guests back – but it's been too dang cold to have class. Join us for the fall/winter season at the Read Hall Pool 1:15-2 p.m. on Monday, Tuesday, Wednesday and Friday. If the temperature is 70 degrees by noon – we have class, if not, we don't.

We work out, laugh a lot, and exercise our bodies and our minds. This class is fun without the impact on your joints. Make new friends and catch up with the ones returning. As a plus to all the fun, we go out to breakfast and lunch once a month (dates to be announced at class). Come have a good time dancing to the oldies. Read Hall Pool. Get there a bit early to warm up those muscles.

You must have a current Dreamland Villa card to attend. Hope to see you there!

Dreamland Villa Men's Golf League

By Jim Lawler

Well, we had a month that included wind, rain and cold. But we actually got through it and only missed one day of golf. Some great golf was still played and some good scores were achieved.

Rich Avant had a par round of 31 at Desert Sands and Uli Henehan shot a one over 32.

Other scores are as follows:

- | | |
|---------------------------------------------|----------------------|
| Hayes --- 39, 40, 43 | Keri --- 40 39 44 |
| Wiland -- 38, 38, 39 | Lentine - 38,36,37 |
| Lawler --- 33, 35,35 | Bjorkland -38, 39,40 |
| Avant ----31,33,34 | O,Blenness -39,37,41 |
| Mefee ---- 35, 37 39 | Perry -----39,40,41 |
| Repinski - 36,34,37 | Goetz ----- 33,34,34 |
| Pfalz ----- 37,39,40 | Tatman -----37,39,40 |
| McClone --38, 38,40 | Lilja ----- 38,40 41 |
| Boder -----36 37 40 | |
| Duffy -----33 40,36 | |
| Gioiosa and Henehan had rounds of 37 and 32 | |
| Creager ---- 37, 40, 39 | |

Mike Rapinski, John McClone, Gerry McFee and Don Pfalz are set to tee off on # eight hole at Desert Sands

the TPC Scottsdale. The TPC is now called "Golf's Biggest Party" and the 16th stadium hole ---- well, there is nothing like it in golf.

A player can hit a shot just off the edge of the green and be booted. And where else can you see caddies racing each other to the green. Only at the TPC -- only in Scottsdale, Arizona!

Many of our lush courses can be attributed to the Salt River Project (SRP). The SRP brought canals and irrigation to the Valley, and the lush fairways and beautiful greens followed.

The Phoenix Country Club (PCC) introduced grass greens in 1927. The Phoenix Open was held at the PCC from 1932 to 1986 before moving to

Dreamland Villa Ladies Golf League

By Kay Hawbaker

Twenty players competed in the February Tournament. A few of players were not available to play three Thursdays in the month, but played when they were available. We were able to move our tee time up during the month of February which was agreeable to most.

The Awards Presentation will be held March 23 in Read Hall. We hold a "Happy Hour" gathering after playing a scramble-best ball round. We are looking forward to the announcement of the winners of the February Tournament. The "Club Championship" goes to the player with the lowest gross score and the "President's Cup" goes to the handicap-adjusted, low-score player. Gobbles and Birdies will be announced as well. Alice Laswell will award the "play of the week" winners. Next month's Citizen will give the names of the winners. Look for pictures from the Awards Presentation as well.

There is a league meeting before golf on March 3 at 12 p.m. at Read Hall in the Poker Room. We will be making plans for the Awards Presentation and will be discussing issues for next season.

At the end of March, our season is over. We wish all the members getting ready to depart for their summer homes a safe journey.

Hopefully everyone who played with the league this year will plan to play again next year. You may sign up for next year's season anytime during the month of March. Our dues are \$20.00 and checks made out to DVLG can be submitted to Burdell Tatman.

Singles Club

by Lois DeLong

Our February activities included seeing the Elvis Presley Tribute Show at the Arizona Opry and the Elton John/Billy Joel Tribute Show at Wild Horse Pass Casino. We visited Tubac for their Arts Festival and went to Turf Paradise for a day at the races.

The accompanying pictures are of the Singles Club members at Tovrea Castle and at Dreamland Villa's High Tea, featuring Joyce Cullen in all her finery.

For our dining pleasure we enjoyed the Dreamland Villa Spaghetti Fest, had a hearty breakfast at Golden Corral, a tasty lunch at Black Angus and a delicious dinner at The Cheesecake Factory.

Our next potluck will be Tuesday, March 7, 6 p.m. at Read Hall. Our meetings are scheduled for Wednesdays, March 8 and 22, 9:30 a.m. at Read Hall. In March we'll be going to the Mazatzal Casino in Payson. Other activities for the month are in the planning stage.

If you're considering joining the club, attend one of our meetings or our potluck to find out more information about our plans and activities. For further information, the Singles Club calendar is available at dreamlandvilla.org.

Hiking Group

by Mary Seamandel

Hello hikers, hope you are all having a great winter and getting in some good hiking. The hiking group has done some fun hikes this winter. We went to Garden Valley and Treasure Loop Trails in the Superstitions. Both have beautiful Arizona scenery. We also went to San Tan Regional Park, did a fun hike and had even more fun at San Tan Flats for lunch after the hike. Everyone had a great time.

We also did a couple hikes in the Goldfields. Ward Jennings led us on some interesting trails. This March we are planning on going up to Scottsdale to do a new hike, the Gateway Loop Trail. Also on the schedule is a trip up to Payson for a double header on new trails. We will do a hike in the morning, have a picnic lunch and do another hike in the afternoon. So stay tuned for those coming up.

Don't forget to let us know at dvccoutdoors@gmail.com if you are interested in joining us and being placed on the list to get the hiking e-mails. We would be happy to have you join us. We hope to see you on the trails.

This month marks the end of the Spring session 2017 for the Art Department. Although several of our artists will be making plans to travel to homes north, the emphasis the last weeks here have been focused on the 41st annual Art Show. Please remember to set aside time on March 11 to come to Farnsworth Hall and view the works of our local Dreamland Villa Retirement Community residents and our neighbors. There is much effort put forth to avail to the public the opportunity to see the work of friends and neighbors. Live demos are going on the entire show plus refreshments. Each visitor is given an opportunity to vote for the People's Choice award.

Wet Paint

For the summer months following the show, a list of winners and their art work will be highlighted in the Wet Paint articles of the Citizen.

We would like to add more classes to the schedule next year and grow the classes. We are excited to anticipate some needed remodeling to the art room as well. If you know of someone who has teaching ability or has had experience in art, please contact Art Director Ila Wandtke. She is listed in the new DVRC directory. If you have a suggestion for additional fine art classes you would like to see taught, we welcome ideas for that as well. See you at the Art Show!

READER NOTICE: Under Arizona law, all residential and commercial contractors are required to be licensed by the state unless they fall under the handyman exemption for projects which require no building permit and are less than \$1000 for the total contract price. In addition, homeowners using licensed residential contractors may have access to the Residential Contractors Recovery Fund if the contractor is unable and/or unwilling to perform the job and if alternative dispute resolutions available through the Registrar are unsuccessful. For more information or to verify the license status of an Arizona contractor, call (602) 542-1525, (888) 271-9286 (toll-free outside Maricopa County) or visit www.rc.state.az.us.
