Welcome to Dreamland Villa!

by Cyn Munday

Have you recently moved to Dreamland Villa? We would like to welcome you and assure you this is a friendly, clean, quiet community. As a volunteer group we want to welcome all new residents to the Dreamland Villa Community. There will be an orientation meeting in October for those of you who are new and would like an informational synopsis of your new community. Our mission is to be informative and friendly and encourage you to come down and get a little familiar with your new community and some of the other folks who have just moved here. We would be happy to give you a tour of the amenities and

share information with you regarding the Rural Fire Department as well as information on Help Services.

Please visit our website at www.dreamlandvilla.org for a complete listing of activities and a little history of the club. There are a variety of activities open to all residents. Please take a moment to look over the calendar. There are many links to aid you in your search.

Dreamland Villa has 3 swimming pools including an Olympic sized pool at Farnsworth as well as a lap pool and therapy pool at the Read complex. There are two spas as well as a Lapidary Shop, Computer Club, Art Department

and beautiful wood shop just to name a few of the potential possibilities for your enjoyment. Retirement should include getting to know more friendly folks and doing those things we always thought about during those working days we never found time for back then. We are finding more and more benefits of living in this clean, quiet environment and certainly joining in the many events is one of them.

We look forward to meeting you soon and hope you will not hesitate to call with any questions you may have regarding Dreamland Villa. Again, we are glad you are here and genuinely hope you will come join us!

Kitchen Committee Wrap-up

by Sydney Clark

The Farnsworth Kitchen Committee and its contribution to Pancake Breakfasts, Spaghetti Feeds, Potlucks and all things food has come to an end for now. It's been a lot of work making sure that the pantry is stocked, we've made some mistakes in our inventory, the Health Inspector spent a couple of hours ensuring we meet County food preparation standards and the maintenance crew have set up tables and chairs more times than they can count. But it's been fun!

New volunteers learned how to crack dozens of eggs and I think we have that "wash, rinse, sanitize" routine committed to memory. I told you before how to tell if the spaghetti is done, and there will be another opportunity to test that in the Fall when we do another fund-raising Spaghetti Feed. And I think we will again participate in a Bake Sale. Dreamland neighbors sure know how to bake! The Food Handler Certificate, mandatory

if you have anything to do with our Farnsworth Kitchen, is easy to obtain on-line, the fee is reimbursed and the time it takes for the test is minimal. Consider obtaining one and joining our volunteer family. You'll have a great

time. For you potluck people, join us at Read Hall on the 3rd Thursday of the Month. Doors will open at 5 p.m. Bring your own plates and utensils, but coffee and water will be provided. We hope to see you there.

President's Message

By Pat Clark

Pat Clark

Greetings everyone, and welcome to May! It's getting awful quiet around the Villa as most of our winter residents have headed for their summer homes.

As I write this, we just finished our April board study session and meeting. I have to tell you folks, things aren't as well as we'd like. Annual fee payers are down this year, we only have a little over 1,600 right now. Last year's totals were closer to 2,000.

Folks, if more people do not pay the requested annual fees we are going to be in big trouble. Our treasurer made the dire prediction that at this rate we will probably be closing the doors in a few short years. The problem pure and simple is apathy. Too many folks figure someone else will pay and they don't have to. I know there are some of you that just cannot afford to pay, but there are far too many that can, yet choose not to. There are only about 45 percent of the residents that are paying their annual fees and we pure and simple will not survive at this rate.

Another area where apathy is running deep is in getting folks to be involved in their community. I happened to be reading our founding corporate documents from 1961 and it lists the 15 original board members, basically our founding fathers so to speak, though they were not all men! Point being those 15 board members came from sections One through Three, because that is all that existed of Dreamland Villa at that time. Sections One through Three is the area bounded by Higley, Main, University, 56th St. We had 15 board members from three sections. Today, Dreamland Villa is 19 sections and we can't even get 7 people willing to step up and donate their time to help their community with its legal and business dealings. Right now the board of directors consists of 5 members. There are plenty of folks more than willing to find fault with the board, we need you to step up and help instead.

For those of us that are year-round residents, may your A/C units run well all summer. I will be cutting back the official hours at Lapidary to Tuesday, Wednesday and Thursday mornings, starting the week after Mother's Day. I have been told that Cyn Munday will have Fused Glass open at least once a week. The wood shop will be open Monday – Thursday mornings only. I do not know the other activities plans as of now, so be sure and consult your Citizen newspaper for dates and times of activities.

For those of you left in town, see ya around the Villa!

Office Hours Are Changing

We wish all our winter visitors a safe trip home as we go into our summer hours at the office.

The office will be open from May 1st through September 1st, Monday to Friday from 8 a.m. to noon. We will open full time again on Sept 5th from 8 a.m. to 4 p.m.

News from the Librarian's Desk

by Sydney Clark

It's May in Dreamland and that means that the Library moves to its summer hours. We are only open Wednesday morning from 10 a.m. until noon and the first Saturday of the month, 10 a.m. to noon. New books continue to arrive from our most generous neighbors and the Library has also purchased some of the new works of authors such as Clive Cussler, Catherine Coulter, James Patterson and J.A. Jance. Recently we were given a large collection of cooking, quilting and cross stitch books so very kindly donated to us by our Velda Rose neighbor, Dennis Thurman. They were lovingly collected by his late wife, Wylda, and we think if you're a quilter or cross stitcher, you might also enjoy them. Stop by on a Wednesday morning and take a look. If you are staying here through the summer, please consider joining our volunteer family. We would love to have you join us.

Dreamland Villa Memory Bricks

by Cyn Munday

The Memory Brick Garden is in need of some new bricks. All of you who have not yet joined our little garden, there is still plenty of room for you. I personally just lost a very dear friend and am so thankful she already has a brick in our garden. I know I will miss her terribly but when I see the names of those who have gone before us and personally knowing some of them, it is comforting to see their name and recall some small memory. We all come and go but being carved in stone (so to speak) says a lot. It's very comforting to those who are left behind.

All bricks are just \$50 each and take a few weeks for completion. The company doing the work is excellent and has helped us many times with our questions and orders. They are a local company here in greater Phoenix area so very personalized in our needs. Please don't hesitate to contact us if you have any questions regarding the purchase of a brick; we are always willing to work with you.

We have a lot of bricks available for purchase and hope you will consider purchasing one soon.

Neighborhood Watch

By Charlene Grande

Now that the winter visitors are leaving, it is the time to up the watch on our neighborhood.

We need to keep vigilant at all times. Keep the lights on and doors locked at all times.

Please trim your trees and bushes so we can see the new signs. Some of the signs are totally covered.

We have had 10 meetings this winter with good showings 20-25 people in attendance. Clifford and Audrey were there from the Posse, I also came to give some info on the DVRC.

There were many questions about the New Dreamland Villa Retirement Community and the 55+. Please, come to the study sessions, the first Tuesday of the month and find out about your community that is what it is all about. Only you can help your community by being involved.

The R.U.O.K. program is still in the works. I'll keep you informed on the progress of that program as of now, no new information.

Here are the numbers for the Posse to come to your meetings, you can have meetings all year not just in the winter. Clifford Gagnon 602-228-8219 and MCSO Liaison Jerry Vance 602-876-1853. I am also available to come to your meetings to help with any questions that may come up with that is not about Neighborhood Watch, Charlene Grande 708-228-8376.

We still need more Captains so, if you know of anyone interested in being a Captain Please call me.

by Lewis (Lew) Hooser

Again congratulations to all the new board members! It was my last meeting for the winter here in Arizona and I can tell you I will miss being here. My wife and I love it down here in the Valley of the Sun. But we need to head north now to check on all the grandchildren, friends and do a little camping.

It seems like it was just yesterday we got here. I will miss visiting with the monitors and the stories they tell about how it feels to help someone who needs a special piece of medical equipment to help speed along their recovery or just the stories about who visited them unexpectedly and needed a bed or baby needs like toys, high chairs or crib, etc.

We provide the best equipment to Dreamland Villa and Velda Rose Estates as follows: hospital beds, commodes, toilet risers (with and without hand rails), knee-walkers that fold, canes of all different kinds (some quads, some folding, etc.), crutches, C-walkers, wheelchairs, beds, just to mention a few. We also have items such as strollers, booster seats, highchairs. So, come in, take a look around, have a cup of coffee and maybe a cookie with the office folks and check us out.

And, as always, we are financed solely by your donations, plus it's a tax deduction for you as well. Mondays from 9 a.m. to noon we will check your blood pressure.

By the way, we will work with folks on bequests for people who have no beneficiaries. For more information about this, or if you have any other questions, please stop in at the Help Services office. Our winter hours of operation are Monday through Saturday, 9 a.m. to noon. I will be posting the summer hours next month so watch for that. Check us out on our webpage at www.HelpServicesInc.org. Next month I will start a segment on Kitchen Tips so watch for that. That's it for this newsboy.

Meet the Posse

Ron Tancrede is presently serving as the Dreamland Villa Sheriff's Posse Administrative Officer. He resides on Colby St. with his wife Windy and their two dogs.

He retired as a Postmaster for the Postal Service in 2005, and moved into Dreamland Villa in 2009. He has been a volunteer in many capacities, with different organizations, including ten years with the Rollinsford, NH Fire Department. He enjoys everything that Arizona has to offer especially golf and riding his motorcycle.

Feeling that he still had something to offer, he joined the Maricopa County Sheriff's Posse in 2015 and was attached to the Dreamland Villa Posse. Feeling that if he was going to do the job, he was going to take advantage of the classes offered by MCSO to be as effective as possible. After taking many hours of classroom training, he attended the Sheriff's Shooting Academy and became one of the two Possemen in Dreamland Villa Posse to be Qualified Armed Posse.

He enjoys meeting the residents of Dreamland Villa while on patrol and at Block Watch meetings, and looks forward to serving the citizens of Maricopa County for many years.

Ellis Island Too: The New Name for the Block Group

There were 31 people attending the annual block party on Ellis Street between 62nd and 63rd streets on Sunday, March 19, at 4 p.m. at the home of Ralph and Iona Shreffler.

Iona's 94th birthday was celebrated and husband Ralph had a decorated cake for her. The couple will celebrate their 74th anniversary in May.

There was a piñata skit which ultimately decided who would eat first and in descending order. It was a fun skit that had people laughing.

There were several suggestions on the name for our block. After a few votes the block residents approved Ellis Island Too. "We are all immigrants here in Arizona from other states," noted David Stevens.

Dennis Jacobsen grilled the meat, Ann Banta made the lemonade and potato salad, and several other residents assisted to make the block party a big success.

End of Season 'Cruise In - Outdoor Show'

by Lew Hooser

Cruise In! What a fun way to wind down this year's great Farnsworth Hall winter entertainment. I want to personally thank everyone that attended the Cruise In festivities. It's great to see the support from all the folks from Dreamland and Velda Rose Estates.

For all of us youngsters who lived and love the 50's and the 60's rock and roll era and the great cars of that time - it was a great day! It was like a memory trip down that historic highway Route 66. The live entertainment was over the top from the fabulous Dreamland Steppers doing "Rock Around the Clock" - to the Linda and Lew Show variety music.

The car show had some awesome prizes to give away from a grand prize of a \$75.00 toolset to T-shirts, cup holders and pocket toolsets. Twenty two cars of all different styles and colors.

The entertainment committee outdid itself with fun foods - hot dogs, sloppy joe's, ice cream and all the extra fixin's. They also had fabulous door prizes to give away that included a Coyote coupon book to a wine basket. And the 50-50 drawing was bonanza this time around, wow!

So if you're reading this recap and you missed our 'Cruise In' at Farnsworth, you missed a fun day.

Thanks to all the good folks in the entertainment committee that put this together, Cathy, Don, Janet, Dave, Terri, Deb, Linda and Lew, Sharron and Lindsey, Barb and Dick.

CARD BINGO

by Sydney Clark

Traditionally here in Dreamland, most things go dormant during May in preparation for the long, hot summer. Not so with Card Bingo! Join me and your neighbors as we enjoy a friendly game of Card Bingo in Read Hall right on through the summer months. Every Thursday morning at 10 a.m. we will be meeting for the chance to throw our cards into the center of the table, call out "Bingo!" and go around the room collecting our winnings. Empty out your change purse, scrounge around in those kitchen drawers and bring 3 nickels, 3 dimes, 3 quarters, one dollar bill and lots of smiles to share with us all.

Dancing at Farnsworth Hall

by Patty Berg

Although we have lost our winter visitors, there is plenty of us that stay here year around. A lot of the activities stop for the summer months, but not line dancing. We will continue having a great season of line dancing at Farnsworth Hall.

We will be line dancing all summer and now is a great time for you to begin a new form of exercise fun - come on over to see what we are doing. Line dancing is an excellent way to exercise to good music. All beginners are welcome, as we teach easy dances and give instruction as we dance. The idea is to make the dances clear and fun. You don't need a partner to line dance and both men and women have fun at the lessons and practicing your steps afterward at the open dancing.

You can look us up on Facebook at Fun Feet Line Dance Community and stay informed about what is happening. On Facebook we have videos of line dances, articles of other line dances in the area, updates and information about the Farnsworth line dances.

We are at Farnsworth hall every Tuesday evening from 6 to 8 p.m. The cost for the evening for those who live in Dreamland Villa and have a current key card is \$3 and for all others is \$4.

Don't put it off any longer. Come on down to Farnsworth Hall every Tuesday evening, get some exercise to good music and meet some new friends. You will be glad you came!

Karaoke Sundays by Bart!

5 - 8pm at Read hall

by Cathy Jageler

Well, it was a very nice set up - I could tell this guy is a pro - we had all the lights and action possible. The music book was full of great songs and people were signing up to sing. Then, out of the pool - came our little Dreamland lady, Joyce Cullen, who is 95 years of a bundle of talent and passion. She has been singing since she was three! What a hoot! She almost got a standing ovation for her Frank Sinatra 'New York, New York'. But we didn't want to scare her off! Which we now know that could never happen. She went on to Patsy Cline, 'I Fall to Pieces' and a few others. Joyce even told the guy "I really don't need the words, or I better not!"

We also had a great Tom Jones! Then Russ came up with "Ticks" (meaning he'd like to check you for ticks) ha! The last duet was the best though - Bart & Roni did the beautiful "You don't bring me flowers, anymore".

Sixteen people had an enjoyable evening. Hope you will join us next time.

CLUBS/SPORTS

Computer Club

by Kay Hawbaker

It is hoped that all our friends who left town had a safe trip home. They will be missed. In the meantime, those remaining here in Arizona for the summer will keep busy with those activities which never seem to get done when the winter season is upon us.

The 2017 Photography Show had 96 pictures displayed and these are the ribbon winners.

Scenic Category winners were 1st place David DeFord and 2nd place Jean Olson. The People Category winners were 1st place Kay Zelko and 2nd place Jean Olson. Dick Olson won both first and second place in the Animals Category. The Doors/Windows Category winners were 1st place Dick Olson and 2nd place Jean Olson. Flowers Category 1st place Becky DeFord and 2nd place Kay Zelko. In the Macro Category, Dick Olson won both first and second place. Kay Zelko took both in the Birds/Butterflies Category. In the Water Category, Becky DeFord won 1st place and John Ahrens won 2nd place. In the final two categories, Old/Abandoned and Night photography Kay

Zelko won 1st place and Becky DeFord won 2nd place.

April was the last DCC General Meeting of the season. Gordon Flannery, owner of Byts Computer Repair was the speaker. The general meetings will resume on the 4th of October. The first Wednesday of the month often happens before the *Citizen* is available, but John Ahrens sends out reminders to members the week before the meeting as a reminder.

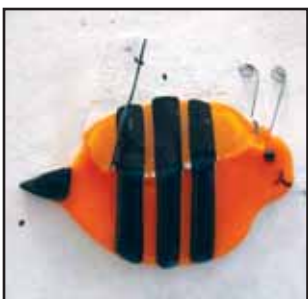

The computer room will be closed from May through October except for the *Saturday Morning Q&A* which Kay Hawbaker will hold most of the summer. Other resources available to members during those months is to call Roy Baker, Dan Nelson, or Terri Tichen for computer assistance.

Anyone wishing to join the computer club may do so in September and then will not be charged again on January 1 for the year 2018. Dues remain the same: \$15 for one person, \$20 for two people living in the same household. However please feel welcome to stop by on Saturday morning for Kay's Q&A session where the goal is to learn something new each week.

Updated calendars will become available in September for the fall season. It is anticipated that genealogy, android devices, iPhones and iPads classes and the Saturday Q&A sessions will continue. The Board is looking into short classes that will focus on specific topics.

Fused Glass in the Summer

by Dave & Katie Senke

Good news for those who stay in Dreamland year round. Cyn Munday will have class on Wednesday during the summer. Starting May 1st classes will be from 9:30 a.m. to noon and 1 to 3 p.m., Wednesdays only. We give a big thank you to Cyn for volunteering; it will be appreciated by many. Dave and I will miss everyone in

fused glass this summer and will be anxious to get back.

So much has been happening this winter. New members as well as old have been working hard to make many unique pieces. Just look at the few pictures we have here or stop by and see what has been done. Every class has someone challenging themselves with a new project. We have hundreds of pictures to peruse or come in with your own idea. We have many stencils to help you make your project. We would love to have you stop by and see Cyn and learn this fun and exciting hobby. Again we would like to thank Cyn for helping us so much with this class.

Arts and Crafts

by Jennifer Tompkins

Our last Arts and Crafts Show for this season was Saturday, March 4th. It was a great show including new crafters bringing us many different beautiful items and our faithful crafters that have been showing here at DVRC for many, many years. Some items available for purchase were homemade peanut brittle and pies, homemade breads, sterling silver jewelry, greeting cards, many different wood products, photos and paintings, quilts, microwave bowl Cozies and even golf club critters for your planters and yard. And this is just a short list of all the great MADE IN AMERICA items available at

every show.

We hope everyone has a great summer of good weather, good times and lots of time with family and friends wherever you spend the warmer months.

Our first show of the 2017-2018 Season will be November 4th from 9 a.m. to 1 p.m. at Farnsworth Hall where admission and parking are always free. We'll be looking for you there!

If you would like to participate in the Dreamland Villa Arts and Crafts Show, please contact our table chairman, Kathy Williams at az.williams@outlook.com or 480-277-1468. We are looking for new and unique items to add to the show.

Dreamland Villa Quilting Club

by Becky Lamson

Our photo this month is of Star Potholders made during the March special project class. The block is made from 21 hexagons folded in half, then folded again. The star shows up when the quilting stitching is finished.

At our April meetings we worked on a 60" x 73" lap quilt named Bella Luna - Moon over Glacier Bay. Our plan is to have the quilt completed for our quilt raffle this fall.

The special project for April was a Stained Glass Flower wall hanging.

The Quilting Club meetings are every Thursday from 1-3 p.m. at Read Hall. New and prospective members are always welcome. If you desire, bring along an item for show and tell.

We welcome your unused quilting fabric. You can contact Becky Lamson at 480-202-7003, and she will arrange a time to pick it up, or you may drop it off during our quilt meetings at Read Hall on Thursday afternoons.

Quilters' quote of the month: To quilt or not to quilt, DUH!

Dreamland Villa Men's Golf League

by Jim Lawler

The golf has been wonderful. But all things must come to an end and the end of our golf league is approaching, as some of our golfers have already returned to their summer homes.

The best round of the month was turned in by Ulic Henehan who shot a two under 29. Rich Avant shot a stellar round of even par 31. The greens at Desert Sands, with their rounded contours, continued to be a challenge. Many good shots that hit well onto the greens rolled off 20 or 30 feet!

A scramble was conducted of the 3rd of March and the results are as follow:

1st Place	Net Score
Rich Avant	22.4
Jim Lawler	
Greg Hayse	
Dick Wiland	
2nd Place	
Tom Lilje	22.8
Frank Lentine	
Jim Gioiosa	
Jim Kari	
3rd Place	
Mike Rapenski	23.6
John McClone	
Jack Creger	
Dummy	

And remember - Your worst day of golf beats your best day at work!

Some people do not find golf interesting, but then they learn that that is where men and women go to let go of their anger. We learn course management as well as anger management.

Hank Aaron once said "It took me seventeen years to get three thousand hits in baseball, but I did it in one afternoon on the golf course." See what a mean!

FUN TIME CERAMICS

We've finally finished cleaning all the green ware! The pieces are on the shelf and available for your personal touch. A price list is posted so you can determine the final cost of your piece before you even start.

Mothers' Day will soon be here. There are many items available that would make a welcome and suitable gift for your loved one. The love and care you put into selecting and completing just the right piece can't be bought.

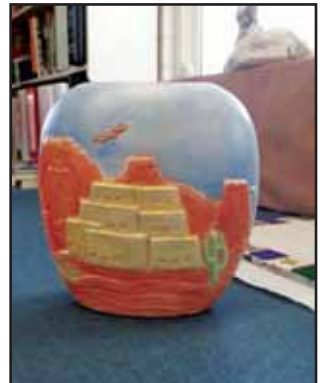

If you've been a bit hesitant about coming down to the club house, make ceramics your first club to try. Come on in, we'll help you select a piece and get started.

If you live in Dreamland Villa, use of the facility is covered by payment of your annual fee.

If you don't live in Dreamland Villa, just stop by the club office and pay the monthly fee to take advantage of the opportunity to create a one of a kind art work. We have some bisque available for small fee, or bring your own and visit with us.

We're here, no longer scraping and cleaning, but still staining, glazing, painting, firing, talking and laughing from 9 a.m. until noon every Tuesday and Thursday (except holidays). Get out of the house and come join us. The coffee pot is usually on. If not, start it up and we'll have a cup, too.

Fun Time Ceramics will close June 1 for the summer and reopen on September 5. Have a great summer everyone, stay cool.

Summer Fun Poker and Texas Hold'em

by Jerry Hopp

This is a great way to meet new people! We are looking for players for Texas Hold'em on Tuesdays at 6 p.m. sharp. We play Texas Hold'em all summer. We have new tables and a new AC/Heater unit in the poker room.

On Fridays from 10:30 a.m. to 2 p.m. we play 5-cent Poker.

You will need a current year key card of Dreamland Villa for both. Call Jerry at 715-630-4151 if you have questions or if you are interested in Fridays. See you at either, or both, in Room 8.

Hiking Group

by Mary Seamandel

Greetings to you all. The hiking group has been busy these last two months. We went on a hike we call the Awesome View Hike, with beautiful views of Weaver's Needle and the Superstitions. It also had great views looking west towards Phoenix. We also saw some wild horses hiking at Coon Bluff. The Goldfield's and Parker Pass were also on the schedule.

There were also a few hikes up towards Payson that had different rock formations and colors than you can find in the valley. All in all everyone enjoyed the hiking season. We wound down the season with a get together at a local restaurant where we talked about this season and what people are interested in doing next year. We will resume hiking in the fall so watch the Citizen for when hikes will begin. We are still looking for a permanent hiking leader, so if you are so inclined, please contact Dave Senke the chairperson for outdoor activities.

Singles Club

by Lois DeLong

Our activities for April featured "No Time For Sergeants" at the Hale Theatre and a performance of Broadway's Best show tunes by the Rhythm Cats. We also toured the beautiful Rose Garden at Mesa Community College and visited the amazing Mini Time Machine Museum of Miniatures in Tucson. The Lone Butte Casino was our casino trip of the month.

In addition, we enjoyed a few good meals along the way, with breakfast at Crackers, lunch at the Outback, and dinner at the Seafood Market Restaurant.

Our next potluck will be held on Tuesday, May 2, 6 p.m. at Read Hall. Our meetings are scheduled for Wednesdays, May 10 and 24, 9:30 a.m. at Read Hall.

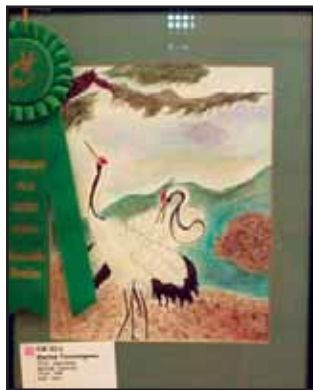

The Singles Club is active all through the summer months, so drop into one of our meetings or our potluck and find out what new events and activities are being planned. For further information, the Singles Club calendar is available at dreamlandvilla.org.

And finally, on a sad note, we attended the memorial gathering for our dear friend, Jean Slapper. We'll miss her spark, dry wit and presence in our lives. She'll be missed by all of us.

Coffee Social

by Sydney Clark

The "season" has ended here in Dreamland. Most activities have stopped in anticipation of the coming warmer weather, but Coffee Social continues as usual on the 2nd and 4th Saturday of the month. It's still light out as I go Friday night to order donuts and the sun is higher in the eastern sky Saturday morning when I head over to pick them up. Back at Read Hall the coffee pots are perking and will be ready for you when you arrive at 7:30 a.m. to join your friends and neighbors. This month we will gather on May 13th and May 27th, celebrate birthdays and anniversaries, and learn what's going on in Dreamland. Come join us.

The remaining second-place, third-place and honorable mention artwork will be shared in the June Newsletter.

Dreamland Villa Retirement Community Board of Directors April 4, 2017, Approved Study Session Minutes

Welcome: Pat Clark, President.
Pledge of Allegiance.
Moment of Silence to recognize former Director Carol Cooper's passing.

Call to Order: 9:16 a.m.
Roll Call: Ward Jennings, Secretary.
 Present: Deb Rychlak, Janet Peterson, Pat Clark, Ward Jennings, and John Pawloski, Sr.

New Business:
Comparison of First Quarter 2017 to 2016's Statement of Revenue and Expense and comparison of First Quarter Budget v Actual: Ward Jennings, Treasurer, provided the Directors and attendees preliminary comparison of first quarter 2017 to 2016 Statement of Revenue and Expenses. The 2017 revenue from annual fees, 55+ Fee and Donation Income is \$38,500 lower compared to 2016 while expenses are \$4,500 higher. As a result the Directors have made a concerted effort to lower expenses compared to those originally budgeted in January 2017. Overall 2017 total expenses are \$36,000 lower compared to the budget. Controllable accounts such as maintenance items, pool cleaning, pool maintenance and supplies, and other maintenance and supplies as well as salaries and wages comprise one half of that expense reduction.

Because 2017 revenue is less than projected in January, Ward proposed revising the operating budget for the remainder of 2017. Projected revenue is lower because at least ten of the volunteers who run Dreamland Villa Retirement Community could not reach agreement on the need for, design of or who would be responsible for a new website home page that could possibly increase revenue from a variety of new sources.

Annual Presidential Committee Chairperson Appointment: President Pat Clark provided an updated list of his 2017-2018 Standing Committee Chairpersons. The Directors concluded that the two existing committees should be dissolved: Sales and Marketing-Outside Sales for Farnsworth Hall and either Public Relations and Information or Resident Sales and Marketing. These committees have no sitting Chairperson. The Directors shall vote to provide their Advice and Consent to the appointments at the April 11, 2017 Board of Directors meeting.

Policies Committee: Char Grande Chairperson provided the Directors 18 pages of documents extracted from the Administrative Policies and Procedures manual, 12 of which were unrelated to any agenda item. The Directors received six pages of proposed Policy changes at the start of the Study Session. A substantial amount of time was expended sorting out what the Directors were being asked to approve since no proposed motions had been submitted. In conclusion, the Directors were being asked to approve: (1) committee name changes from "Blockwatch" to "Neighborhood Watch" and from "Farnsworth Hall Entertainment" and

"Operations" to "Entertainment Committee", (2) a revision to the Entertainment Committee description, and (3) add a new Advertising Committee which subsequent discussion revealed was incorrectly written.

The Directors shall vote on these items at the April 11, 2017 Board of Directors meeting.

Differentiate between Farnsworth Hall Management and Entertainment Committee Responsibilities. At the start of the meeting Deb Rychlak presented revisions to the Facilities Rental and Lease Rules and Fees intended to differentiate responsibilities of the newly filled Farnsworth Hall Manager position and the revised Entertainment Committee description.

Entertainment Committee's Proposed Project List: When Cathy Jageler was chairperson of the Farnsworth Hall Entertainment and Operations Committee; she had submitted a list to the Directors of items that she felt needed attention at Farnsworth Hall. With the revisions to the aforementioned policies, she concluded only two items were within her new committee's responsibilities: (1) put up an outdoor poster board and (2) buy two more shade tents.

Old Business:
Farnsworth Hall Pool-Return Closing Time to 10 p.m.: President Clark, John Pawloski, Sr., Buildings and Grounds Chairperson and Deb Rychlak discussed user comments and concerns. The Directors shall vote to reopen the pool at the April 11, 2017 Board meeting.

Unauthorized Gates in Farnsworth Hall Fence: Deb Rychlak discussed the 6140 E. Butte Street property owner's unauthorized installation of two gates in the block fence owned by Dreamland Villa and his unauthorized access to his property across Dreamland Villa's Farnsworth Hall property.

A March 15, 2017 letter, signed by President Clark, was sent to the owner who has not yet responded. Deb is researching additional options.

Bocci Ball Court Carpet Replacement: Dave Senke, Outdoor Recreation Activities Chairperson, read a letter from Bocci Ball Court users encouraging the Directors to replace the carpet on two courts and provided his opinion about which 2017 operations and maintenance budgeted funds could be diverted to pay for the carpet replacement. Lengthy discussions covered the previous carpet replacement, alternative materials for the next replacement, the current number of Bocci Ball Court users and possible future resident financial participation. David stated that he would only accept two courts having new carpet, replacing the carpet on one court was not acceptable. Janet Peterson asked if she could generate sufficient revenue from the 2018 Directory Sales advertising revenue by December 1, 2017 to pay for the directory costs and re-carpet two courts, would Dave accept that as an alternative. Dave said yes. Bocci Ball court carpet replacement shall then be tabled to the fourth quarter 2017.

Procedural Matter: The Directors in concert reminded attendees that all materials for discussion at the Study Session should be placed in the Director boxes not later than Friday morning preceding the Study Session.

Ward Jennings, Treasurer, commented that at no time during this Study Session did any attendee express concern about the declining revenue or ask what might be done to mitigate the problem.
