Our hope is you will come down and meet us soon. Our next social gathering will be Saturday, March 2nd at 10:00 am at Read Hall located at 320 N 55th Pl. Our committee (Cyndy, Bea, Carylan, Janis and Lucille) will be there to welcome you and will serve light refreshments. Please come on down and pick up some literature prepared just for you to help with your transition here to Dreamland Villa.

We look forward to meeting you and hope you will not hesitate to call with any questions you may have regarding Dreamland Villa. Again, this time is set aside specifically for you. We are looking forward to meeting you soon.

2019 DVRC DIRECTORIAL ELECTION RESULTS

By Johna Sharp, President

The results are in from the DVRC election held Tuesday, February 12th:

Larry Thoma – 84
Earl Munday – 88
Dan Hampton – 107

A total of 112 ballots were

cast, with 5 of them being absentee ballots.

Congratulations to our new 2019 Directors! These three currently serve as interim directors and will each serve a term of three years.

Joining them are current directors Kathie Chismar, currently serving as Secretary, and Johna Sharp, President. A big thank you to those of you who took the time to cast your ballot.

PRESIDENT'S MESSAGE

by Johna Sharp

We have a lot to be thankful for this year and I would like to take this opportunity to thank all the volunteers that have given generously of their time and energy to help make Dreamland a great place to live. Without our volunteers, many of our great gatherings and friendships would not be possible.

This month we have several activities for our members and our residents. We have two fundraising events this month; a pancake breakfast and a spaghetti dinner. For those avid readers, we have a two-day book sale put on by the Library Committee. We have entertainment put on by TAD management as well as a Wild West Dinner Show. We also have an open house to show off our newly renovated activity center in Read Hall. So, check your calendar and come join in on the fun and help to celebrate our many wonderful Dreamland resi-

dents and events.

For those who are newcomers, be sure to attend our New Residents Orientation to learn more about Dreamland or attend our twice monthly Coffee Socials. These events are there for you to meet new friends and to get involved in your community. We want to meet you and for you to learn more about us. You are what makes Dreamland a great place to live!

On a more serious note, there has been a lot of controversy around Kasey's Korner. The creators of the garden were asked to remove their personal items from within the Nature Walk property. While some of you may not support this decision, I challenge you to pay your dues and research the development of the vacant lot South of Read Hall to create a community garden. A garden that is sanctioned by DVRC and does

not appear to be an extension of anyone's property. Instead of pushing your own agenda, prove your commitment to the community you bought into. You will have the full support of the DVRC Board. Use your enthusiasm to create something designed for everyone so your efforts can be enjoyed by all. And for those of you that did pay your dues, DVRC thanks you.

And finally, we have lost one of our biggest advocates of Dreamland, long-time resident Barbara Miller. This sweet but cranky lady was dedicated to moving Dreamland forward with her tireless volunteering. Her non-stop dedication to raise funds will be sorely missed. We need more people like Barbara to keep Dreamland a thriving and positive place to live. Step up and volunteer! Dreamland needs you.

NATURE WALK

by Dave Senke

The Dreamland Villa Retirement Community Nature Walk runs from Higley Road to just past Recker Road and between Colby and Decatur. The section between 56th Street and Recker Road is shared with the Velda Rose Community (south half). It is a very unique area in Maricopa County where residents can walk and enjoy the wide variety of native plants, trees, and wildlife of Arizona. Some plants on the Nature Walk have markers naming the different varieties of plants and trees. Many guests visiting and residents alike have expressed great pleasure walking the Nature Walk.

Every year along with the general maintenance we try to do some improvements to the Nature Walk. Widening the walking paths to 4 feet and 6 feet wide has been in the works for the last year.

Recently we have partnered with Velda Rose to coordinate maintenance on the Nature Walk. So far this has turned out to be a great union. They believe in the same philosophy that the plants and trees should be native to Arizona.

There has been an overwhelming response from DVRC members and Dreamland Villa residents on the shape of the Nature Walk. Most have expressed thanks for keeping it up for generations to come.

Thank you to all the residents and DVRC members who have made donations to

the Nature Walk. Velda Rose also has donated to the Nature Walk account.

I went through the volunteer sign in sheets from the spring of 2016 through the winter of 2019 and came up with 71 different members/residents that have turned out to help on the Nature Walk.

Thanks so much to everyone who takes a little time out of their day to volunteer to this Dreamland Villa Retirement Community.

The photo shows some of the volunteers who helped with January Nature Walk clean up.

A BIG Thank You!

By Johna Sharp, President

I would like to thank all of the volunteers that helped to renovate the John's Villa space. Their time and dedication made this remodel possible. From cleaning to replacing drywall to painting, scrubbing and selling off the leftovers, these volunteers put in too many hours to count. A big shout out to Bea and Red Westall, Bob Westall, Harry Cole, Don Goodroe, Rich and Aggie Forsyth, Earl Munday,

Don Jageler, Dave Senke, Mark Novotney, Al and Carol Miller and to those who donated funds or items. Projects like these are what make Dreamland so special.

And, last but not least, another shout out to our maintenance team Larry Thoma, Jeff Childers and Adrian Rodriguez.

Thank you, everyone for your assistance with making this renovation happen! And don't forget to come by the open house on March 17th for a look see and enjoy some coffee and cake.

By Lewis (Lew) Hooser

The following is a story worth telling, I think. This happened a couple of years ago, I never thought too much of it until this past December when my wife and I worked at Help Services. A gentleman came into the store and wanted a cane for a short period of

time because of a knee problem. He was new to Dreamland and heard about our service from a neighbor. He also told us that he was just here for the winter. Anyway, we got to talking after he found the cane he wanted and asked about how Help Service got started, how many years has this service been available and how Help Services was funded and such. I pointed to the donation box on the desk.

I told him that's how we are funded and also funded by the

generosity of memorials that residents of Dreamland Villa and Velda Rose leave Help Services. This is the nice part, he pulled out his wallet and put a twenty dollar bill in the box and said, keep up the good work, true story! This year I was reminded that we have had folks borrow much bigger medical devices that would probably cost them a great deal to rent the same device somewhere else and not even put in a buck. It's amazing how that works, isn't it?

News update, Voting for Help

Services Board of Directors will be held from 9:00 am to 4:00 pm on Tuesday, March 12, 2019 at the Help Services facility located at 5210 E. University, just east of Higley Road. Those unable to vote on Election Day may cast their vote early by coming to Help Services any day during the preceding week (except Sunday) between the hours of 9:00 am and noon. As I mentioned to all of you from time to time, we hope that all the good folks in Dreamland Villa along with Velda Rose Estates will be

there for this election. Every election is very important to our communities because of the leadership role in the future of Help Services.

Remember, Help Services is financed solely by your donations and, as always, tax deductible. Our normal hours are Saturdays from 9 am to noon and Monday through Friday, 9 am to noon. Check us out on our web page at www.HelpServicesInc.org.

Well, that's it for this newsboy for this month. Remember to please VOTE!

CANDIDATES FOR THE HELP SERVICES BOARD OF DIRECTORS

by: Patty Thorpe

The annual election for members of the Help Services Board of Directors will be held from 9:00 am to 4:00 pm on Tuesday, March 12, 2019 at the Help Services facility located at 5210 E. University, just east of Higley Road. Those unable to vote on Election Day may cast their vote early by coming to Help Services any day during the preceding week (except Sunday) between the hours of 9:00 am and noon. All residents of Dreamland Villa and Velda Rose Estates are automatically members of Help Services and are, therefore, eligible, and are encouraged to vote.

Help Services is a 501 (c) (3) public charity organization that provides, for a loan free basis, sick room and other health care equipment to the sick, injured and convulsing residents of Dreamland Villa and Velda Rose Estates. Help Services operates solely from the donations it receives and is managed by a Board of Directors made up of 12 volunteers from the communities it serves. The election this year will be to fill four Board seats for three year terms and one Board seat for one year. The resumes of this year's candidates follow:

PETE DEUTSCH

Hello residents of Dreamland Villa and Velda Rose Estates and welcome back to our winter visitors. It is approaching that time of the year for the annual election of directors to sit on the Help Services Board of Directors. When voting I would like you to think of me. I've been a monitor at Help Services for four years and have served on its Board for the last three years. Additionally, I've served on a number of committees and am currently the Chairperson of the Inventory Committee. I also assist in the training of new warehouse monitors. Help Services is a wonderful organization and I'm proud to be a part of it and to be able to work with the other fabulous volunteers. Please vote for me on March 12th.

LUCILLE KRAISS

I have worked with Help Services as a monitor for 12 years and on the Board of Directors for three terms of three years each. Having lived in Dreamland Villa since 1990. I have volunteered in other areas of the Villa for several years. I enjoy dealing with old friends as well as with newcomers

to both Dreamland Villa Retirement Community and Velda Rose Estates.

Help Services is such a worthwhile organization, I would like to contribute in any way that I can to make it even better. I am again running for another term on the Board of Directors of Help Services and would appreciate your vote. Thank you in advance for your confidence in me.

BETTY MAYNARD

According to studies, they say people who volunteer are healthier and less lonely and have more friends. So, after serving on the Help Services' Board and being a Monitor, I really agree those studies are true and I want to continue on that enjoyable path. Please vote for me on March 12th.

BOOK CLUB

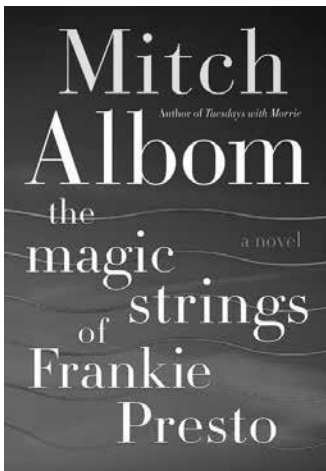

By Anita Thompson

"If you can read this, thank a teacher."

We have grown and have more people coming to book club and it's so much fun. We meet again March 7th at 3 PM at Anita Thompson's. The two books we are reading for this month are "Me Before You" and "The Marriage of Opposites." We have lively interesting discussions about each book and great snacks.

Book Review: The Magic Strings of Frankie Presto

By Anita Thompson

Everyone loves music. It's the one thing that everyone can appreciate without learning the language or context of a song or rhythm. Anyone can enjoy it, whether you're a musician or not, young or old, no matter where you're from.

I love music, it has been a huge part of my life, pretty much forever. I have a necklace that is a treble clef symbol and the message "when words fail, music speaks." For me, this is SO true.

I just finished a great book, "The Magic Strings of Frankie Presto" by Mitch Albom. Yes, he is a fa-

miliar author. He has also written, "Tuesdays with Morrie" and "The 5 People you meet in Heaven," which were also good.

The narrator of this book is music and it is so real I had to get on the internet to see if Frankie Presto was a real person. He isn't, this is fiction but a lot of the characters in the book are real musicians, names I know and love.

Frankie has a very interesting life. His mother dies the day he is born and Frankie moves all over the world. He becomes a world-famous guitar player and his magic strings turn blue when a life changing event happens. By the end of the book, all 6 strings have turned blue. There are great sayings about music that I wrote down so I could remember them -- things like: "Music can soothe a soul" and "We often come to music to feel we are not alone."

Thanks to Mary Lindgren for picking this book for our book group, and all the other good books we have read. The group has definitely broadened my horizons. This is a great read. I couldn't put it down. Maybe this will spark your interest in joining our book group, or just keep reading my book reviews for other interesting reads.

Montana Club

By Bonnie Leibrand

ATTN: All you Montanans looking for great food, interesting conversation and the chance to meet or get reacquainted with others from Montana, or if you missed the annual Montana picnic on February 10th, here is another chance to get together with great Montana folks. We will meet on Wednesday, March 20th at Mareno's, 6819 E Main Street, at 12:30. We'd love to have you join us. Please contact Carol Morrow at 480-710-1595 or Bonnie Leibrand at 406-600-6521 with any questions, suggestions, etc.

SINGLES CLUB

by Lois DeLong

In February, we went to Turf Paradise for the Gold Cup Race, saw the British comedy "Cash on Delivery" at the Hale Theatre, enjoyed the Brad Fitch/John Denver Tribute show, the Motown Magic Tribute show, and the Silver Star Theatre's dinner show. In addition, we cruised Canyon Lake on the Dolly Steamboat and had lunch at Tortilla Flat. Our casino choice of the month was Mazatzal Casino.

We also had time for a hearty breakfast at IHOP, a tasty Asian lunch at Tasty Joe's and a fine Italian dinner at Olive Garden.

Our next potluck will be Tuesday, March 5, 6 p.m. at Read Hall. Our meetings will be held on Wednesday, March 13 and Wednesday, March 27, 9:30 a.m. at Read Hall. The Games, Grub and Gab cardplayers will meet each Tuesday at 1 p.m. at Read Hall, except for the day of our potluck.

March activities will feature Barleen's Arizona Opry dinner show, "Singing in the Rain" at Hale Theatre, the Eagles Tribute show at Farnsworth Hall, "Beauty and the Beast" at Red Mountain High School, and "Wizard of Oz" by the Lumos Arts Academy.

We invite you to join us at a meeting or our potluck to learn more about the Singles Club and its activities. We welcome new members.

Dreamland Tuesday Bowling League

By Cyn Munday

We are now into our 2nd half of the winter season. Each week it's so great to see our fellow bowlers and try our luck once more with our battle against those darn pins that just don't always want to go down. This has been so great to get to know other people and inside activity that can be done all year. Our league has handicaps that are established the first week of bowling to really even out the playing field.

We're still here, discussing world problems (they would be fixed if only someone would listen to us), laughing and painting. We've painted Thanksgiving items, Christmas ornaments and gifts, New Years items, and Valentine gifts for our loved ones. There are a lot of holidays left, so choose a piece and paint it for yourself or a loved one.

If you'd like to help us solve the problems of the world (many times agreeing to disagree), visit, or just paint, come join us on Tuesdays and Thursdays, 9:00 am to noon.

Our special project in February was a 10-Minute Table Runner, pattern courtesy of Marsha Malone. Pictures will appear next month.

We are on our winter schedules,

We will stay on that schedule through June. New and prospective members are always welcome. If you desire, bring along an item for show and tell. Bring a project to work on or help with one of the clubs group projects. We usually

have quilts that need binding slip stitch or quilt blocks to stitch.

We welcome your unused quilting fabric. You can contact Becky Lamson at 480-202-7003, and she will arrange a time to pick it up, or you may drop it off during our quilt meetings at Read Hall Thursday afternoons.

Computer Club

By Kay Hawbaker

It has been good to have many of our members attending our classes these past few months. There will always be new things to learn and although we are senior citizens, we do have the desire to keep up with the latest gadgets, their applications and the trends. All the sessions encourage learning and sharing experiences.

Six photographers entered their photos in the annual Photography Show this year. There was a People's Choice Award. Please check the April issue of the Citizen for the winner, but there will be earlier posting on the www.dreamlandvilla.org web site.

The February speaker was Bob Gostischa from Avast Antivirus Software. He told of the emerging problems with all the smart appliances in the home and how to secure the wireless network that connects all these devices.

In March the speaker will be Tom Mehlert of AZ STRUT. He talks about his organization and gives information about the donations given to them. There will be a truck available to take any used electronics you wish to recycle. A list of items they take can be found on their website.

The March Calendar is full of classes. Besides the photo session on Monday mornings, on the second and fourth Tuesday mornings, Joe Hoover is there to help with all PC operating systems and Android Tablets and Smart phones. Dan Nelson will be there on Wednesday morning to explore all things related to discovering your ancestors. Don Davidson is there on Friday mornings to help members enjoy apps on their iPads and iPhones. They project his iPad onto the screen so everyone in the class can follow along. Kay Hawbaker's Q&A sessions uses Windows 10 and other devices to help with various issues. Also, she uses YouTube to search for answers to questions members might have. Facebook tasks are frequently reviewed. The questions from members makes this class interesting.

John Ahrens continues to send the Monthly Calendars, Newsletters and other announcements by email to computer club members. You will see that it is dreamlandcomputerclub@gmail.com address. Check the DCC calendar of classes on the Computer Club door. Copies of the calendar are available to pick up in the Computer Club room and in the Dreamland Villa Main Office.

Fused Glass

by Dave and Katie Senke

Another month, another article. I do wish I had something new to write about, but fused glass is still our baby. We love teaching it and we love doing it. Just walk by and peek in the window, you may be tempted to stop in. We will tell you about what we do and invite you to join us. The decision is yours from there, but you can see this is a temptation and we hope you can't say no.

We would also like to thank Rod and Pattie Hanks for opening glass for us while I was out having hip surgery. THANK YOU Rod and Patti.

Thanks from the High Tea

by Cyndy Munday and Katie Senke

A huge "Thank You" to all of you who have helped once again to make this event the best ever! Saddened by our loss of Barbara

Miller who has been director for the past four years, we carried on and are sure she passed the night before just so she could be there in spirit!

We had a record audience of 288 and 54 volunteers (including entertainers, kitchen, helpers, stage crew, sound/lighting crew and our wonderful waiters). A special thank you to the Dream Steppers. They spend months working on routines for our shows and they purchase their costumes at their

own expense.

Springtime in Dreamland was sold out in a half hours time and we learned this year that there are some who purchase a table in order to sit with their friends. Not necessary. We can seat you together without selling you a whole table. All seats are assigned in advance. There is no fitting anyone in at the last minute without an assigned table.

This year the tea made about \$2,400 which will go towards

more energy-saving windows for Dreamland Villa. This has been an on-going project in an effort to update the complex and make it more energy efficient. The tea has helped with other projects in the past four years of helping the Bocce courts get new covers and help with the Exercise Room.

We couldn't do it without the help and support from all our activities here too including Lapidary, Quilting, Singles, Woodshop and Fused Glass. Thank you to all

who participated in the guessing of teabags in the Jar of Tea 50/50. Oh my, that was new this year and fun guesses. 215 teabags in the jar and best guess was 214.

This is so much fun, it's hard to really think of it as work, although being involved in this event the past few years we can assure you it does involve months of planning, shopping and communications. A sincere thank you to everyone to make this the huge event it has become here at Dreamland.

Polka/Old-Time Music Jam Session

by Bonnie Stark

We had a huge crowd at our recent Polka/Old-Time Music Jam Session, and these people "danced up a storm" to the wonderful music performed. There is enough variety in the types of tunes played at our jam sessions, that your favorite songs will likely be among those enjoyed.

Some of the musicians donating their time and talents include E.J. Monthye and Jim Baum (Montana), Del Schroh and Lionel Stepp (Saskatchewan, Canada), Dick Lindquist (Minnesota), Paul Bria and Sam Pecorilla (Oregon), and myself, "Montanan-turned-Arizonan". Last month, our sound man, Lew Hooser (Minnesota) joined us and sang a few songs.

Some of the snowbirds from Montana help with bottled water sales, Margie Johnson does a great job with the 50-50 drawings, Alice Kerr fills in wherever help is needed, Charlotte Monthye takes care of the door donations, with assistance from other musicians' spouses, and Lew keeps the sound system going. Our thanks to all these volunteers, and a special thank you to the DVRC crew who "set up" the hall for us for each dance. All proceeds from our Jam Sessions go to Dreamland Villa Retirement Community for the use of Farnsworth Hall.

Remember, we only hold these jam sessions on the third Friday from November through March (12:30 - 3:00 pm), then it's a l-o-n-g summer 'til we have this much fun again! Thanks to all of you who support our Polka/Old-Time Music Jam Sessions.

Ladies' Bunco

By Beth Novotny

March brings the 'normal' end of the regular Bunco season. We will meet the normal 4th Thursday of the month, March 28th, at 7:00 pm. We missed a

lot of our regulars in Jan, having five Thursdays though, a few thinking we met the last Thursday of the month instead of the fourth.

We had a few new gals, as we seem to each month. We continue to have a blast!! We have plenty of new tables now, so we are ready for a full house!!

As I said March is the 'normal' end, but Andrea has decided to throw an end of the season, winter blow out party on April 11th at 7:00 pm. The Minnesota potluck will be winding down around 6:30 or so, so setting up for Bunco will be at 6:45. So put Bunco on your calendar for March 28th and April 11th at 7:00 pm!

Minnesota Potluck

March 14

By Andrea Hill

My husband notices license plates from Minnesota all over the Phoenix area. He says, "Is there anyone left in Minnesota?" During that Polar Vortex my reply was, "I'm sure there are but are they frozen solid?"

Our potlucks are at Read Hall the 2nd Thursday each month. Join us Thursday, March 14th. Doors open at 5:15 pm and we eat at 5:30 pm. Bring your own eating utensils and a dish to serve 8 - 10 people. You may bring your own beverage but coffee and tea are provided. See you there, you betcha.

LADIES GOLF LEAGUE

By Kay Hawbaker

Fifteen players competed in the February Tournament. It was a fun year with Reva Palmer's play of the day each week and scrambles once a month. The course continues to provide good number of challenges and it is difficult to maintain a consistent score. PGA rule changes

The Awards Presentation will be held on either March 21 at 5:00 p.m. at Read Hall. We are looking forward to the announcement of the flight winners of the February Tournament, as well as the "Club Championship" and the "President's Cup" winners. Gobbles and Bird-

ies will be awarded as well. Next month's Citizen will give the names of the winners.

There is a league meeting before golf on March 7 at 12:00 noon on the patio at the Royal Palms club house. We will be making plans for the Award Presentations and will be discussing other issues for next season.

During March, our season winds down and we wish all the members getting ready to depart for their summer homes a safe journey. Those of you who stay, know that you may continue to play during the summer with league discounts. You will have to make a tee time at Royal Palms with others who stay into April and May.

You are encouraged to sign up for next year's season at the Awards Presentation or at the meeting the first of March. Our dues are \$20.00 and checks can be given to Burdell Tatman made out to DVLG.

On a sad note, members learned of the passing of one of the leagues long time members, Carol Hiles. She was from Fountain of the Sun and found Dreamland Villa league welcoming. A snowbird from Wisconsin, she played golf year-round. Her husband was a veteran and other family is back in Wisconsin. The picture accompanying this article is from a 2017 flight two picture taking at that year's Award Presentations. We will miss her.

Dreamland Villa Hiking Group

By Andrea Hill

We did two new awesome hikes in January. One was on the old road from Superior to Globe. We walked over old decaying bridges and through the old historic tunnel. There were signs along the way with photos of the old road and information about its construction by prisoners in 1919. Then we ate the best burgers in Arizona at the Porter Café in Superior.

The other great hike was the on the Arnett/Telegraph Canyon Trail. Close to Boyce Arboretum, it has the interesting features of that park except it is devoid of tourists and the only noises were canyon wrens calling from the giant rock walls.

There are two hiking days in March, both

on Mondays, the 4th and the 18th. We will car pool and leave Farnsworth at 8:30 am. Please arrive ten minutes earlier. To learn all the details about our hiking group please go to the web site at Dreamlandvilla.org. Click on Clubs and Activities, scroll down to Outdoor Activities and choose Dreamland Villa Hiking Group. If it is your first hike please click on the link called Safety Rules and Liability Form. It is now in a printable format. Sign it and bring with you. For old and new photographs of hikes you can click on the links at the bottom of the web page.

If you wish to be included with the broadcast emails, write to me at: hiking@dreamlandvilla.org. This is how I communicate up-to-date information about each hike. See you on the beautiful trails of Arizona.

DESERT WALKERS

By Jill Holleque

In February the group enjoyed going to Usery Mountain Regional Park and Phon de Sutton in the Tonto National Forest where we always have the possibility of seeing the wild horses grazing along the Verde River. These walks included picnic lunches and much socializing.

March 8 we will explore Indian Bend Wash Greenway in Scottsdale with lunch at a restaurant and March 22 will be at the park in Fountain Hills with lunch at a restaurant.

April 5 is our last walk of the season and is planned at Park of the Canals in Mesa. The photo was taken February 8 at Usery.
