## COMMUNICATION IN DREAMLAND VILLA

*by Cyndy Munday*

We've heard some comments lately regarding a lack of communication in our community of who, what, where etc... We are hoping this might help everyone know where to go for information or assistance in Dreamland Villa.

First of all, the Dreamland Villa Office is the nucleus of our community. If you have questions or concerns, your first "stop" is to visit or call the office with your question. Our office is open all summer from 8 am to noon, Monday through Friday. The phones are answered during the same hours. If you get a voicemail message, please leave a message and the staff will get back to you by the next business day. We have a wonderful staff who strive to be helpful, kind and considerate. The office is supported by those who pay their annual fees, residents who have paid their fees get a different level of service, but any resident of Dreamland Villa may call with questions or to get information!

If you have concerns regarding the pools or anything happening at the two campuses DVRC owns and operates, you may always call the office

and they will help you or direct you to the appropriate person. They work very closely with the board of directors, the committees, and with the maintenance staff, who are working to keep everything up and running, clean and functional.

Besides the staff, our community has several working committees, all manned by volunteers. Your request may be handed off to a committee chair who will have to respond to you. Realizing they are volunteers, please be patient! They will get back to you as soon as possible. If they do not, you may let the office staff know, so they can follow up.

Finally, please read our monthly newspaper, the Citizen. It is available around the first of each month. The Citizen is delivered to homes October through April and is available in boxes outside of each pool and in front of the office all year round. Our website, [www.dreamlandvilla.org](http://www.dreamlandvilla.org) is a great resource for information! Check it out! Also, if you'd like to receive emails from the office about upcoming events, please make sure the office has your email address. Send your email request to [office@dreamlandvilla.org](mailto:office@dreamlandvilla.org).

We want to communicate, and we want to be communicated with! Let's all work together to do a better job in this area!

## PRESIDENT'S MESSAGE

*by Johna Sharp*

At our last board meeting it was again brought to my attention that communication is a major issue here in Dreamland and that some of our members are not aware of how to handle a complaint or a suggestion that needs to find its way to the appropriate party. I am completely baffled by this comment because I cannot count the number of times I have written in this Citizen about reaching out to our office staff. Our office is now open daily from 8am to noon, Monday through Friday. We are closed on Saturdays through the summer months and our phone number is (480) 832-3461. Our information is located in the masthead of the Citizen, upper left-hand corner of the second page.

Our office is the nucleus of activities, events and facilities here in Dreamland. Diane and Mary are extremely knowledgeable and if they don't have an answer to your question, they will find the answer. You can also submit a comment or complaint through our website at [www.DreamlandVilla.org](http://www.DreamlandVilla.org). On

the front webpage is a section for leaving a comment or sending an article for the newspaper. Our office staff also posts weekly updates on the NextDoor social media app and posts notices on our bulletin boards at both our Read and Farnsworth Hall facilities. Email blasts are also sent to those that have provided their email address to the office.

Our Board of Directors is responsible for the welfare of our business known as Dreamland Villa Retirement Community. The Board oversees the office and maintenance staff and provides input on the policies and procedures that our staff use to run our business. The Board supports all our staff and strongly believe that they are doing an excellent job. If you are not satisfied with how our facilities or staff are managed, feel free to submit a complaint via our website, to the office or to me directly at [President@DreamlandVilla.org](mailto:President@DreamlandVilla.org) or write us a letter at 320 N. 55th Place, Mesa AZ 85205.

Enjoy your summer.

## Welcome to Dreamland Villa Retirement Community!

*by Cyndy Munday*

We would like to extend a sincere greeting to every new resident here in Dreamland Villa. Please feel encouraged to come to any of our many events and activities.

During the fall-spring season we hold a monthly social. However, due to so many folks being gone in the summer months we do not have this activity during the summer. We do want you to get valuable information as a new resident and have packets available to you if you will drop by the office. The office is located at 320 N. 55th Pl on the corner of University and 55th Pl. While you are there you could pick up a copy of the latest Citizen newspaper.

Please consult the Citizen paper for a complete listing of our events and activities as well as our website [Dreamlandvilla.org](http://Dreamlandvilla.org). Part of living in a retirement community is joining in with other retirees to do the things you never had time to do while working full time.

This community has a lot to offer with three swimming pools, two spas, a beautiful wood shop and so many other choices. It is a great time for you to come down to the office complex for a tour and see some of the amenities here in Dreamland.

We are always happy to meet you and hope you will not hesitate to call with any questions you may have regarding Dreamland Villa. Again, our office staff is there for you. This cannot remain a clean, quiet, friendly place without you so we genuinely hope you will come join us!

## Pool Temperature 101

By Johna Sharp, President

One of the most talked about topics by our members are the pool temperatures. The office staff often gets complaints that the exercise pool at Read Hall is too cool. Keeping pool temperatures consistently at the same temperature is a difficult balancing act and would require additional staffing for constant monitoring. But before we consider adding staff, let's go over the science of maintaining pools.

The surface water of the pool is always cooler than that of the water below it. When a pool sits without disruption, the below the surface temperature is registered by our pool heaters. Once the surface water is disrupted, it mixes with the water below which then becomes cooler. The slightest disruption of the surface water will cause the overall water temperature to drop. The pool heater begins to

readjust itself to make up for the temperature change. More heat means more gas

calibrated like our pool heaters are. Therefore, the temperature of your pool ther-

And chlorine prices have increased considerably this year and bulk purchases of chlorine tablets are not being allowed.

Water evaporation is also an issue. When the water evaporates it requires that more water be added to the pool. The added water is not preheated. It takes time for the pools to reheat, so they are serviced at 5:30 a.m. so that they have time to reach their optimum temperature by 7:30 a.m. for your enjoyment.

Our maintenance staff is now pool certified and they now maintain our pools, saving us thousands of dollars. And our pools have not looked better. Maintaining our pools is our biggest expense and most time-consuming maintenance item. So please allow the staff to do their job and enjoy the pools for what they are... pools of water for fun, play and exercise.

used to heat the water.

Keeping the pool water at a consistent temperature is just not feasible. That is why it is not called a therapy pool, but an exercise pool. As you enter the pool the water may seem cold at first but as your body temperature adjusts, the initial chill goes away. Also, do not bring your own pool thermometer. It is not

reliable source for checking the pool temperature.

If we were to increase the pool heater temperature to make up for the cooler surface temperature, we would incur higher utility costs and experience more algae accumulation which would then require that the pool be closed more frequently.

## BOOK REVIEW

*Beautiful Music for Ugly Children*  
by Kirstin Cronn-Mills

By Anita Thompson

This is an interesting and informative book about facing tough issues. It is about Elizabeth who is a senior in high school in a fairly small town in Minnesota. She feels and has most of her life that she is a boy and his name is Gabe. They love music, all kinds of music and have gotten a job at the small local radio station as a DJ at midnight on Fridays. She has told her parents and her neighbor that she is a boy and her name is Gabe and that is the name that is used on the radio.

The neighbor who used to be a big name DJ helps her get a job at a music store. Some classmates find out who it really is and there are terrible events that happen, people can be so cruel. The neighbor is beaten and put in a coma but Gabe finally agrees to go to college. It's a lot about relationships and how difficult they can be.

The lesson I find in this book is to be more kind and understanding of people who are different than we are or who think in different ways. I love music so it was interesting to me because of the music introduced and talked about and because I want to learn more about transgender people than I now know. Music soothes my soul when I need it and has always been very important to me. This is a quick read, is well written, must have required a lot of research and I found it really interesting.

## Christmas Stockings

by Bettyann Canino

In 2020, DVRC came together to make Christmas special for children who don't have many reasons to celebrate. And, you did it during a time when we were asked to stay inside. Because of your generosity, many children in New Haven Daycare, St. Vincent DePaul and New Hope University had a little holiday cheer during a difficult year. Thank you.

This year, can we help even more children? Please consider saving sample shampoos, conditioners and soaps. Or, if you happen to have a few extra dollars in your pocket and see a mini-doggy or kitten that could fit inside a stocking, it could become a child's good luck charm or reminder that kindness exists in our world. We also accept fabric donations.

Your donations can be dropped off at 5340 E Colby Street in a basket I keep on the front porch.

Thank you, neighbors - let's make it an extraordinary 2021.

## Posse Corner

The Dreamland Villa Posse thanks everyone for their generous support during our fundraising effort this year! Your donations have kept the cars on the streets patrolling and doing vacation house-checks for our community. Remember, if you are leaving for an extended period of time you can sign up for this service by getting a form from a posse member or from the Dreamland Villa Office.

We'd like to apologize for the fact that our phone has not been working as well as we'd hoped. We are continuing to work on this problem and hope that soon you'll be able to contact us or to leave a message on our own phone. Until then, if you need to contact us, please call the Dreamland Office, 480 832-3461 and the staff will relay the messages to us.

Wishing you all a safe and enjoyable summer!

**The April 2021 Financial Report is delayed.**

**It will appear on the DVRC website when it's available.**

## Don't Get Caught Flat-footed with Your Retirement Plan.

Let an FHA Home Equity Conversion mortgage line of credit add flexibility to your decisions. We have closed thousands for Arizona Homeowners over the last 30 years.

When Maria and Diego were young, they didn't think about owning a home, let alone retirement! As they grew older, as we all do, they wanted the American dream, owning a home. That dream for Maria and Diego took hard work. With a good job, paying the bills, mortgage and of course keeping up with the kids, their house is more than just a home. It is the family they've built and the life they have lived. It was worth it all.

Now nearing retirement age, they are looking forward to enjoying what they earned. Maria and Diego couldn't wait to sit back and relax and enjoy the fruits of their labor. But even with all their careful planning, unforeseen events and unexpected expenses diminished the assets they set aside for their retirement. The only realistic option they could see was to sell their retirement home in Sun Lakes. It felt like an impossible task. Luckily, their son, knowing how hard they worked and desired to stay in their home, suggested an alternative; a reverse mortgage. Maria and Diego's credit card debt were not a part of their retirement plans, but Sun American Mortgage stepped in to help turn a bad situation into an opportunity for them to stay in their home. With 30 years of experience assisting Arizona seniors in similar situations Sun American Mortgage is a leader in the Reverse Mortgage industry. Instead of selling their precious home they worked so hard for in Sun Lakes, Maria and Diego were able to turn to the equity in their own home to pay off their credit card

debt and get back on track to retire better.

With their reverse mortgage line of credit, they can take money in and out of their home without recourse. They can make payments on their reverse mortgage if they want to, but also feel safe knowing that in a pinch, no payment is required. They pay their property taxes, homeowners' insurance and HOA fees as always. Maria and Diego have options. They can simply pay the interest, make a full payment every other month, make two payments every month, or never make a payment again for as long as they live in the house. The reverse mortgage gave them the flexibility to live the future they dreamed of, even though their retirement plans didn't go quite as planned, they can... retire better.

January 1, 2022. The motion was seconded and passed unanimously. This will increase the annual fee to \$190.

Town Hall meeting: Johna advised that there will be a town hall meeting in November, as discussed at the May Study Session.  
Check Signer: Ward made a motion to show that Kathie Wissinger, Larry Thoma, Dan Hampton and Earl Munday have been removed as check signers, Johna Sharp, Ron Reed and Kathie Chismar are authorized check signers and add Kim Rogers as a check signer. Capital Expenditure Plan: Ward made a motion that the Maintenance Foreman prepare a list of capital improvement projects, estimated costs and dates of execution that he feels necessary to maintain Dreamland Villa facilities in good condition for the next five years. The list will be in lieu of the Capital Improvement Plan or Project Priority

List (a.k.a. Reserve Study) referenced in the Strategic Plan, thus saving DVRC at least \$4,700. The motion passed with 4 in favor and 2 opposed.  
Farnsworth Hall Coffee Kiosk: Kim Rogers will review a proposal from a Dreamland resident interested in setting up a coffee kiosk in the Farnsworth Hall parking lot.  
Age Restriction: Ward made a motion to replace the Age Restriction Policy and Procedure dated 12/9/2020 with the five-page comprehensive Age-Restriction Policy and Procedures in order to comply with the Maricopa County Senior Citizen Overlay Zoning, Section 1006.6 paragraph 2, which requires Dreamland Villa publish and adhere to policies and procedures that demonstrate its intent to provide housing for persons 55 years of age and older. The motions failed with 1 in favor and 5 opposed. A majority of the Board feels that our current procedure meets the county requirements and any change must be reviewed by the Policies and Procedures Committee before the Board takes any action to change the current policy.  
Maricopa County Senior Citizen Overlay Zoning District: Ward made a motion to follow the motion passed at the April 12, 2016 meeting that the Board acknowledge the addresses should have a separate identification in the data base from the addresses included in the Maricopa County Dreamland Villa Subdivision SC Overlay DVCC aged 55+ data base. This requires further research. Ward will contact Maricopa County. The motion failed with 1 in favor and 5 opposed.  
Non Kee Card Holders at Directors Meetings: Ward made a motion that residents of the Dreamland Villa Subdivision who do not have a current kee card may attend DVRC Study Sessions and Board Meetings. The motion failed with 1 in favor and 5 opposed.  
Associate Kee Card Holders: Ward made

a motion for the Policies and Procedures Committee to prepare a By-laws revision allowing for a new category of kee card holder titled "Associate," available to those aged 55 years or older and live outside one of Dreamland Villa's 18 sections. The "Associate" would not vote for election of Directors or at the Annual Meeting. The motion failed with 1 in favor and 5 opposed.  
Disclosure Statements: Ward made a motion to rescind the current and flawed Disclosure Statement and Fees Policy and Procedure dated 2/10/2021, allowing the office staff not to send a duplicate copy of the Declaration of Restriction to a new homeowner and to allow the office staff to keep records for the most recent two owner, rather than a minimum of seven years. Kathie made a motion to amend the motion to add that the issue should be referred to Policies and Procedures. The motion passed unanimously.  
Financial: Johna made a motion to release the Capital Reserve 2021 budget funds established to refinish the Farnsworth Hall stage and resurface the exercise pool. It was seconded and passed unanimously.  
Farnsworth Hall Gun Show: Johna made a motion to approve the John Low Gun Shows to be held at Farnsworth Hall. The motion was seconded. The motion failed with 0 in favor and 6 opposed.  
Adjournment: 8:59 pm.  
Submitted by Kathie Chismar, Secretary  
Open Forum: Linda Haapala suggested that each Director have a @dreamlandvilla.org email address and asked for advice on how to report problems and request information. She was referred to the office.  
Sandra Eiker expressed concern that the dissention at Board Meetings will create a negative reputation for the community.

# HELP SERVICES / EVENTS

by Lewis (Lew) Hooser

Hello neighbors, here it is June already and it's getting a little bit warmer. Patty our president, and her husband are safely back in Wisconsin, and Linda and I are now in beautiful central Minnesota enjoying the cool beauty. Even though we had to contend with COVID, we still had a great winter, moreover, we are looking forward to seeing all our friends and neighbors this coming fall. Let's all hope things will have returned to some kind of normalcy upon our return.

I want to share with you the following card we received from a grateful neighbor and friend of Help Services. I quote; "The enclosed check is a memorial for my husband who passed away January 29th 2021. We used your services almost every first Monday of each month while we were there and we appreciated all the volunteers and blood pressure ladies who gave up their time for that service. We also used one of the walkers for my husband towards the end of his life. It was a great help. We are happy to know that Velda Rose Estates are welcome to share these facilities. Thank you all for your help, may God bless each of you."

Wow! What a great letter and

gift from a friend of Help Services. This is only one of the many stories that is out there in our two communities, Velda Rose Estates and Dreamland Villa. I enjoy sharing these great letters and cards with you and will continue to do so from time to time.

As all of you know we have followed all of the CDC protocol in keeping our facility free of any possible problems due to Covid. Our commitment to follow CDC recommendations will continue throughout the summer months with any and all updates.

Please make a note that our summer hours are now in effect, Monday, Wednesday and Friday from 9:00 am - 12:00 pm. I will keep you informed should there be any changes to these hours. Help Services is financed solely by your donations and, as always tax deductible. ## Volunteers Needed to Kick Off Next Season!

By Cathy Jageler

Our Entertainment Committee would like to add to the team! Needing many volunteers for various duties. Next season's lineup is awesome! We have had a wonderful five years – building up Farnsworth Hall and enjoying every minute of it. It is time to 'stir it up' and get your new ideas.

For FH Operations – To Rent Farnsworth Hall and keep up with overall projects and events – we just need a couple dependable year-round members. Rentals are easy and are one time events. More details when you contact Cathy at [events@dreamlandvilla.org](mailto:events@dreamlandvilla.org).

## JUNE HAPPY HOUR

By Lynda Leix

June Happy Hour will take place on June 25 from 4-6pm at Read Hall. Please join us and bring whatever you might like to drink or snack on while visiting. We will have some soft drinks available for a donation if you prefer. We will be trying some streamed music for the rest of the summer.

Please bring your mask and kee card. As always, tables will be arranged for social distancing. Come meet some new friends and greet some old ones!

We are always looking for someone to provide a little entertainment so, if you know someone who plays an instrument, tells jokes, does some magic or whatever, let the committee know. Happy Hours are organized by the Membership Committee.

There is a rumor out that someone is having a birthday the next day, so you just might find some Birthday Cake!

## POTLUCK!

By Lynda Leix

We have the green light for starting summer potlucks! They will be at Read Hall and start June 17. For the rest of the summer, they will be on the third Thursday, as they have always been. We will eat promptly at 5. Doors open about 4:30 so we can get organized and visit a little. Tables will be scattered around the room so that we can keep a little distance between us. Bring your masks and plan to wear them while going through the food

line. We will also provide plastic gloves for serving yourself.

Bring yourself and your friends, a dish to pass, and your table service. We will provide coffee and tea and you can bring anything else you would prefer to drink. Please bring a serving utensil with your dish to pass. Come meet some of your neighbors and enjoy a little social time and a lot of great food!

## Quilting Club

by Becky Lamson

The charity quilt photo is a lovely quilt made by Hazel Dubbs and quilted by Leslie Starks.

For the summer months of June, July and August we will change our meeting schedule to the 2nd and 4th Thursday and the time to 10:00 am to noon. We will be meeting at members' homes instead of Read Hall. I will send out a e-mail meeting notice on the Wednesday evening before the meeting to the quilt club members notifying them of the home where we will meet. If you are not active in the quilt club and wish to attend or have a quilt club question, please give me a call at 480-202-7003 and I'll answer questions and give you the meeting place.

We will have quilt tops to bind. If you desire, bring along an item for show and tell.

New and prospective members are always welcome.

Quilters Quote: Creative people don't have a mess, they have ideas lying around everywhere.

## FUSED GLASS

by David Senke

The summer temps are finally upon us and most of our winter visitors have left us for their summer homes. We will miss them, and our classes may be smaller. If you have been hesitant about stopping in and learning about fused glass, this may be the right time for you. We enjoy meeting new people and teaching them this fun and enjoyable art. So many fun and beautiful projects can be made from fused glass. And we would love to teach you.

Summer classes will be held Monday and Wednesday - 9:30 am to 12:00 noon and 1:00 to 3:00 pm. We look forward to meeting new members.

## Dreamland on the Go Bus Trip to Mazatzal Casino

By Kathie Chismar

Mark Wednesday August 18 on your calendar if you are a summer resident of Dreamland Villa! On that day, there will be a free bus from Farnsworth Hall to Mazatzal Casino in Payson. It will leave at 7:45 am and return approximately 4:30 pm. After earning 200 points on your Players Club Card, you will receive \$20 Maz Cash for free play and \$10 comp dollars. If you do not have a card, you can get one when you get there.

This is open to anyone on a first come, first serve basis, so sign up early. Call me at 732-986-7788 to sign up for the trip. If you call me and leave a message, spell your first and last name and leave your phone number so that I can call you back to confirm that I received your message. If you have a Mazatzal player's card, please leave the card number.

It's usually 20-degrees cooler in Payson, so this is a chance to get out of the Valley and a chance to have some fun with your neighbors. I hope to see you then!

## DV Ladies Golf League

By Kay Hawbaker

If you enjoy playing golf and are looking for other women who also enjoy getting together to be outside enjoying fresh air and fellowship, please look no further. The Dreamland Villa Ladies Golf League is eager to welcome you. We play at the Royal Palms Golf Course located on McKellips, just east of Stapley.

Some of the golfers played at Sunland Village on Monday and Wednesday during the league season and after the league wrapped the season.

Left to right: Ruth Cline, Lois Olschlager, Sandy Magnuson, Riva Palmer, Kathleen Jorgensen, Dorothy Woltemath, and Cathy Janikowski.

The first play of the Fall season will be at 12:16 pm on Thursday, the 5th of November. Check the October Citizen for more current details.

During the summer, Dreamland League players get a discount on green fees at Royal Palms Golf Course. Some of the league players get out early to still play throughout the summer. They don't always play the same course. Anyone interested in golf this summer, please call me as my number is in the DVRC phonebook.

## DREAMLAND VILLA SINGLES CLUB

By: Lu Wald, President

Look how far we've come....cheers for the vaccinations!!! Our Singles Club has been feeling like normal, as most of our activities are rebounding, with the exception of our Potluck dinner that was held in the park. We're enjoying playing Bocce Ball, going to dine-outs and plays at the Hale. Our Tuesday afternoon "Games, Grub and Gab" sessions are also back. We are not forgetting that the evil virus is still lurking around the corner, so we are asking anyone who is not vaccinated to wear their masks indoors. And if anyone feels that their mask provides that extra protection, then we always encourage them to continue wearing one as long as they wish.

In May, several members enjoyed breakfast at the Henhouse on the 6th; lunch at Macayo's on the 14th, and dinner at Cornish Pasty on the 27th. Some new and interesting places to enjoy a meal and socialize. In June, we will head out to breakfast at Morning Glory Brunchery on the 18th, lunch at Outback Steakhouse on the 11th and dinner at Lucky Lou's on the 28th.

Starting June 1st, we will again be holding our monthly potluck dinners in Read Hall at 6:00 pm. We'll also gather to go to TopGolf on the 4th of June, a movie at the Fat Cat Theater on the 14th, a casino trip to Lone Butte on the 16th, a road trip to Globe on the 25th and let's not forget our play at the Hale Theater on the 5th. A trip to San Diego is being planned for mid-July, so a planning meeting will be on June 7th in Room A at Read Hall.

Our members are also working hard to prepare for the Independence Day Beans-N-Brats event to be held at Farnsworth Hall on the 3rd of July from 11:30 am to 1:00 pm. Members will be gathering up a few donations for door prizes, as well. In addition, members will be selling tickets for the event in the room across from the office on Saturdays, June 12th, 19th and 26th.

If anyone is interested in any of these events, please come to a meeting on either the 2nd or 4th Wednesday of the month at Read Hall at 9:30 am. You may also call either Lu Wald at 701-527-0146 or Kathie Chismar at 480-830-6641 for more information.

## COMPUTER CLUB

by Kay Hawbaker

Kay Hawbaker continues to do the Saturday Q&A meetings at nine o'clock on Zoom. We address all issues about digital devices. If we don't have the answer, we find an answer to bring the following week.

The Computer Board will be meeting the third Monday in September (9/20/2021) to review the current issues related to the club. Any member wishing to join the meeting are welcome.

The first General Meeting of the

club will be held on October 6, 2021 to continue a discussion of the plans for the club. This meeting will a necessary brainstorming meeting and it is hoped that members make a point to come. Usually each year, one of the Computer Club's speakers comes from the Mesa Public Library to inform members about borrowing eBooks and audio books. They demonstrate how to use the library's online services to search for items. Magazines and "Great Courses" are also available. They may be contacted

to come in November.

Members of Dreamland Villa may be interested in checking out the web site "NextDoor." <https://nextdoor.com/login>. Once you set up an account, it can be useful to find a lost dog, sell a car or get a fruit tree picked. If you're new to the area, it might be a resource. And of course, there is Dreamland Villa's official web site: [www.dreamlandvilla.org](http://www.dreamlandvilla.org). to check for club activities and community events.
