## HAPPY 4<sup>TH</sup> OF JULY!!

### Fundraiser Projects – Where Your Donations are Going

by Carol Cooper

This past month the Fundraiser Committee got together and decided that the block wall on the east side of Farnsworth Hall needed a little brushing up. Jim Doherty and his wife, Johnnie, got up at 5:00 AM the Friday before Memorial Day and began spraying a stain on the block wall. It looks wonderful! If you get a chance, please drive by and check it out. A special thank you to Jim and Johnnie Doherty!

We got started on new seating for Read Hall this month. Half of them have been installed. With the new season coming we will be out there working to get the other half. Thank you to the Board members: Earl Munday, Cyn Munday, Ward Jennings, Carol Cooper, and

Jim Doherty painting Farnsworth wall

her husband Bill, for getting all 70 seat cushions replaced.

We have some big projects we would like to complete, such as new signs on Farnsworth Hall (one with the Farnsworth name on it, and the other an electronic board where we will be able to post upcoming events), sprucing up the band shell, and hopefully in the near future we can work on getting new asphalt/sealcoat on the parking lot. All of these changes can help increase your property values.

In the next paper I have some exciting ideas regarding fundraisers. To wet your whistle just enough, but not enough to give it all away -- Get Around, Bag, and Coupons! -- just to name a few. More details later.

We are always looking for donations. If you would like to donate to the Fundraiser Committee, please submit a check to Dreamland Villa and send to the office (320 N. 55<sup>th</sup> Place, Mesa, AZ 85205). Make sure you post on your check that this goes

to the Fundraiser Committee Account. Your support is so

## Meet Our New Maintenance Employee

by Kay Hawbaker

Alejandro "Alex" Regalado came to work for Dreamland Villa as a member of the maintenance team in April of 2015. He was born in Guadalajara, Mexico, and came to Arizona at the age of 12 around 1993. He graduated from Sun Valley High School.

He tells us that he saw the "Help Wanted" sign in front of the office and came in to fill out the application

form after he checked out Dreamland Villa's website. After looking at it, he thought it would be a great place to work. He also said that so far he likes it very much, as every day is different. But he reported that he had been warned that "when the winter residents return, the place gets a little crazy."

Alex is not married, but he lives with his girlfriend.

He has a 13-year-old son whose name is also Alex, and a 6-year-old daughter, Ariana Estrella. He added that "Estrella" in Spanish means "star."

In his "off" time he loves to fix things. He also enjoys spending time with his family watching movies, cooking, and doing many other things. "I always have something fun to do with my loved ones."

## Meet our New Maintenance Employee

by Kay Hawbaker

Ray Miller is a 68-year-old man who retired in 2009 from YRC Freight. He and his wife of 44 years, Betty, moved to Mesa. He grew up in Bristolville, Ohio, and graduated from Western Reserve High School. After he and Betty were married, they moved to Lordstown, Ohio, where they raised their children.

He and Betty have two children. Their son, Jeff, lives here in Mesa and he has two sons, ages six and eight. Their daughter lives in Charleston, South Carolina, and is married and has a 4-year-

old daughter.

Ray joined the maintenance team at Dreamland Villa working Monday through Thursday. He decided to come to work here because he enjoys working with people. He saw the ad on Craigslist and came into the office to fill out the application. During the interview all were friendly and it seemed like a good place to work.

When asked what he does in his "off" time, he stated that he enjoys biking, golfing, and woodworking. His woodworking includes doll cradles and all kinds of trucks and cars. After so many years on the road with his trucking job, spending time with his family is also a priority.

# The President's Message

by Patty Thorpe

Things seem to have quieted down a bit for the summer, as many winter visitors have left Dreamland Villa Community Club to return to their homes in other states. Richard and I have returned to Wisconsin to reconnect with family and friends.

This doesn't mean that business will not continue to take place over the summer months. My plan is to have weekly telephone conference calls with Jackie Young, Pat Clark, and John Pawloski.

Most importantly, watch for some exciting, fun things to do over the summer that will be announced in the Citizen. So check out the Citizen to keep up to

date as to what's happening in and around the Villa during the summer months.

Being away from the Villa for a few months gives me a new reflection of what issues should and need to be addressed starting in October when the Board returns. However, I would like to hear from YOU, the members, as to what issues you think and believe should be addressed during the next Board season which is October through May. I can't promise that everything you want to see changed will change; however, I will promise you that I will read everything you send to me and will take your suggestions to the Board for discussion. There is one stipulation! All letters must be signed! I will not address any correspondence if you didn't feel the context of the letter was important enough to sign your name to the letter. Send your emails to [pattythorpe@charter.net](mailto:pattythorpe@charter.net), call me at 608-843-3871, or send your signed letters to my address in Wisconsin at N. 7988 Lakeview, Fond du Lac, WI 54937.

I'll be thinking of all of you and send my best wishes to you from Wisconsin!

## I Need Your Help!

by Patty Thorpe

I am looking for someone to volunteer for the Nominating Chairperson's position! David Senke has held this position for several years and has decided to step down. The Nominating Chairperson may choose several members to work with him/her to find qualified members who are willing to run for the Board of Directors, as several Board members have fulfilled their terms.

I want to thank David Senke for his outstanding work as the chairperson of this committee. I will be happy to answer any questions you may have regarding this position. You may call me at 608-843-3871.

## Volunteers Needed for Summer Odd Jobs

by John Pawloski

As chairman of the Maintenance & Pool Committee, I would like to organize a crew of volunteers for summer odd jobs in the Villa - carpenters, painters, plumbers, electricians, tile people, and gardeners are needed. Able-bodied men and women are welcome. Please stop in the office and leave your name, address, phone number, and email address. If you have any questions, call me at 480-659-5070, and I will contact you.

Thank you so much for your interest in this matter.

# News from the Librarian's Desk

by Margie Gilbert

Greetings to all from your DVCC Library. We are glad to see you when you come and visit. Remember, our abbreviated summer hours are in effect. Come in and visit us and check out a few books to keep with you when you are inside avoiding the heat!

Did you all have a nice Mother's Day? Some of you know that I have been spending the last few summers in Delmont, South Dakota, trying to avoid the heat and spending time with my second most passionate hobby, gardening. This past Mother's Day is one I will never forget.

Jim and I arrived in Delmont on April 18. He tuned up my tiller, mowed the grass once, got me settled in, and then returned to Mesa on May 8. The weather turned nasty so I cleaned house. Sunday morning I decided to bake and had just mixed up the dry ingredients for a loaf of bread when I decided to step outside and find out why the sky was so noisy. Tuesday and Wednesday we often hear Air Force jets overhead on their training runs, but I thought it was odd they were up there on Sunday.

As soon as I stepped outside I heard the town siren and saw the funnel cloud behind the church steeple in town. It didn't take long for me to dash back inside, grab my headlamp from my bedside stand, and pick up my Kindle on the way through the dining room. Don't think I had ever taken those basement stairs so fast! The old wooden chair in the furnace room provided a safe feeling place to perch while I listened to the roar of the storm, the protesting groans from the old house above me, and the falling glass. I don't think it lasted much more than a minute, though the tinkling of falling glass lasted a bit longer.

Numb, but with adrenalin rushing through my body, I climbed the stairs. I was alive, I could see daylight, and was able to get outside. The house was standing, but many of the windows were broken, and everything was covered with insulation resulting from roof and ceiling damage on the second floor. All four of the outbuildings were gone.

It has been a month now. Delmont's population of 234 has been drastically reduced. The cleanup continues. Long-term recovery plans are being developed. We mourn the loss of our homes, the new Fire Department building, and the historic Zion Lutheran Church, our trees, pets, wild animals, and personal belongings. We are thankful for the multitude of help received from local fire departments, utility companies, and private volunteers who came to our aid those first few days and continue to help. And then there is the Red Cross, Salvation Army, Adventist Relief Society, Lutheran Social Services, Christian Aid Society Disaster Relief Team (Mennonites), the State Disaster Crew, and so many others.

Jim returned on the 12<sup>th</sup> and joined the bunch of us at the HorizInn Motel in Parkston. They had a full house for nearly two weeks, and took good care of us. We are now in a small apartment in a nearby town and "commute" while I garden and we deal with the insurance company and try to make decisions.

Now it is time to find a book to read and try to return to a normal life. May you all have an uneventful summer.

## Citizen Book Review

by Margie Gilbert

### Sixkill

by Robert B. Parker

Published posthumously, this is the last "Spencer" novel by one of my favorite authors. This, the 39<sup>th</sup> "Spencer" novel is one of the few that does not involve Hawk.

Lt. Quirk of the Boston PD asks Spencer's help in discovering if Jumbo Nelson has raped and murdered a local teen. Jumbo is a minor Hollywood star making a movie in Boston and Dawn Lapota caught his eye as she was watching the filming one day. The next evening Dawn is dead in her hotel room. Her death is called in by Zebulon Sixkill, Jumbo's bodyguard.

Sixkill was an orphaned Native American child raised by an uncle who saw his potential and encouraged him to excel. His physical prowess and quick mind lead him to a college scholarship, but the high life with women, booze and drugs soon ended what was a promising football career. Jumbo saw him working as a bouncer in a bar, and was drawn to his macho Native American look and size and hired him as his bodyguard. Spencer, trying to fulfill his commitment to Quirk interviewed Jumbo and when Jumbo turned him away the second time, Sixkill did battle with Spencer. As Spencer said afterward, "He's tough enough. He just can't fight very well."

Fired by Jumbo for losing the fight with Spencer, Sixkill came to Spencer for help. Spencer agreed to help Sixkill learn to fight and get away from the booze and drug scene. In time he becomes good enough to back up Spencer. In the end, the truth about the night Dawn died comes out and though Jumbo and Sixkill tried to cover up her death, it is a sad accident. Other surprising twists in the story keep this a fast-moving tale as usual, with Susan, Pearl the dog, Mobster Tony Marcus, and Harry at the Harbor Health Club making their appearances. Hawk is in Southeast Asia. One has to wonder if Parker had lived to write a few more books if Sixkill might have played a part in a few more of them. As always, Parker's sparse dialog and sense of humor make this book an enjoyable read.

## Easy Cooking

by John Price

### Pineapple Bars (Grandma Ludwig's)

Filling - In a medium pan, mix:

- 1 - 16 oz can crushed pineapple
- 1/2 cup sugar
- 3-1/2 Tbsp cornstarch

Cook on medium heat until thick, stirring constantly, and set aside.

Dough - Mix:

- 1-3/4 sticks margarine
- 1 cup sugar
- 3 eggs
- 1-1/2 tsp vanilla

then add:

- 4 cups flour
- 3/4 tsp baking soda
- 3/4 tsp cream of tartar
- 1/4 tsp salt

Icing - Mix confectioner's sugar, a little water and food coloring, if desired. Top with Maraschino cherries cut in 1/4 pieces.

Dough - Mix dough ingredients with hands into 2 balls. Place each ball of dough on an upside down cookie sheet and roll with rolling pin until a thin crust covers the bottom of each cookie sheet. Cut each crust lengthwise, so each cookie sheet contains 2 long crusts. Spoon the filling along the center of each crust. Fold the sides of each crust to nearly meet in the center of the pineapple filling.

Bake at 350° for about 20 minutes - so the dough appears dry. Ice with confectioner's sugar icing by drizzling it over each long cookie bar. Slice each long bar into about 12 separate cookies and top each cookie with the quartered Maraschino cherries.

Makes about 48 cookies

## Dreamland Villa Memory Brick Project Update

by Cyn Munday

Our little Memory Garden has been a huge success and it's all due to you wonderful folks who have supported us in this endeavor! It is so great to be standing out there enjoying the view and knowing some of these people who have contributed so much to our Dreamland Community. It's really wonderful when someone comes along and relays a story about one of the folks with a brick. I love the stories and only wish there was a way to relay them all - those stories make this Memory Garden something really special!

This past Memorial Day we decorated our little Memory Garden with a display of flags to show respect to our veterans. We are always working to improve things and are hoping that with the continued success of the memory brick project, we will be able to make more improvements to the facilities. After all, our community should be our priority, and we want to keep it attractive to enjoy even more.

The number of bricks sold so far is 91. There are about 1800 bricks in the Memory Garden space, so there's plenty of room for more! The cost of the brick is partially for the engraver and the balance goes into an account where we are hoping to do a "project" for Dreamland Villa in the future. There are so many improvements that are needed and the Fundraiser Committee is working on the smaller projects first.

If you are interested in purchasing a memory brick, the Order forms are available at the office or on our website

at [www.dreamlandvilla.org](http://www.dreamlandvilla.org). All bricks are 4"x 8" and are \$50.00 each. We do expect the order process to take a little longer over the summer months, since we need up to ten orders before processing. This also helps to reduce the cost. Please make checks payable to DVCC Memory Brick Project and either bring in or mail to the office located at: 320 N. 55<sup>th</sup> Place, Mesa, AZ 85205. Be sure to include your name, address and phone number in case there are any questions regarding your request.

## From the Office

by Jackie Young

I will be trading the Arizona desert sand for the sandy beaches of Lake Michigan, as I am looking forward to a visit home this month. We will be visiting friends and family in our hometown of St. Joseph, Michigan. I am also planning a side trip to Shipshewana, Indiana. Shipshewana is an Amish town that hosts the largest flea market in the Midwest!

The Entertainment Committee kicked off their summer activities with an Ice Cream Social in June. It was a fun event and everyone enjoyed visiting with friends and neighbors and, of course, the ice cream and goodies were delicious. A big thank you to the volunteers who make these activities possible. Don't miss the Hawaiian Theme Pizza and Pool Party coming up on July 9<sup>th</sup>!

Irene and I, along with our volunteer Catherine, are working in the office every day from 8:00 AM to noon, so be sure to stop in and say hello.

By now most of you know that Farnsworth Pool has been closed for the summer for some much needed repairs, such as the pool deck, the hot tub, and the rails going into the pool. The anticipated length of the closing is 6 - 8 weeks. We apologize for the inconvenience this may cause to our residents and their guests.

Read Pool is open and we hope you are enjoying yourselves at this location. The hours for children are from 10:00 AM to 1:00 PM, and we have extended the children's hours to include from 5:00 PM to 6:00 PM as well.

Enjoy, be considerate of others, and have fun this summer!

**New Business:**

Information attached.

**Old Business continued:**  
 Earl Munday made the following motion and Carol Cooper seconded it: "I move that an ad hoc committee comprised of unbiased people be established to investigate the allegations made by a DVCC member regarding John Pawloski's actions while acting as chairman of the Maintenance Committee, which actions resulted in the resignation of Joy Ritchie (and ultimately the other members) of the Maintenance crew."

This ad hoc committee should address the allegations made by a DVCC member at the April 14, 2015, Board meeting during the open comment period, as well as the "Formal Complaint" presented and distributed by a DVCC member to board members at the Study Session of May 5, 2015. This committee should not contain anyone who was a member of the Personnel Committee in March 2015, as those members should be called on as witnesses to the ad hoc committee regarding Personnel Committee meetings/discussions/decisions that might relate directly or indirectly to the actions which led to the resignation(s). If unbiased DVCC members cannot be identified, then an outside consultant (Professional Parliamentarian) should be hired to chair and select the committee.

This proposal is in line with the actions identified in Roberts Rules of Order. Discussion followed. Sara D'Spain brought up the fact that some board members breached rules of Executive Meetings and gave information to people not on the board. Others asked how we get an unbiased committee when everyone in the community knows about it, as it has been discussed by many people. Only two people were involved so all comments are hearsay and will not be accepted by an arbitrator per Sara D'Spain. Joan Cook asked who the "Concerned Citizens" are that are mentioned in complaint letter. Earl Munday read the names on the letter. After lengthy discussion a vote was taken. Five for and five against. Patty Thorpe broke the tie, motion did not pass.

Meeting was adjourned at 11:34 AM.

This summer's update for the folks that might have forgotten: Help Services offers a free weekly blood pressure clinic each Monday from 9:00 AM to

Noon. The clinic is staffed by trained volunteer nurses.

Last April must have been the month for blood pressure testing. We had 129 folks that stopped by for the test. By the way, if you have the knowledge to help with blood pressure testing and would like to add your name to the list of volunteers or just want to be a part of the crew at Help Services as a monitor, it's very easy to do so. Just stop in and sign up. The pay is extraordinary - it's coffee, cookies and camaraderie. WOW, what a deal!

It's time for the information segment of this month's Help Services article. We have wheel chairs (several kinds and sizes), hospital beds (no electric ones), commodes, toilet risers (with or without hand rails), knee-walkers that fold, canes of different kinds (some quads, some folding, etc.),

crutches (some with arm rests), and we have things for when the grandbabies visit, like baby beds, playpens, strollers, car seats, booster seats, high chairs, and even pull toys, a little tricycle, and a little car to ride in. Most anything you can think of, we have, so come in and look around and take out anything you like. Mr. Bob Blalock, our equipment maintainer, cleans and sanitizes, plus checks all

the nuts and bolts before it goes back on the shelf!

Remember, Help Services is financed solely by your donations and, as always, is tax deductible.

Let's take a minute now to salute July's Help Services volunteers and trainees. Monday: Joanna Padilla and Dean Albertsen. Tuesday: Jan Hardy and Harry Cole. Wednesday: Julie Hyink and Ken Hyink. Thursday: Betty Mosier and Keith Bierle. Friday: Bernice Holenka and Charles Krasselt training Al Henshaw. Reminder: No service on Saturdays this summer!

A quick reminder, our summer hours are June through August, Monday through Friday, 9:00 AM to Noon. September through May, Monday through Saturday, 9:00 AM to Noon. We are located at 5210 E. University Drive, Mesa, AZ 85205-7352. If you want to learn more about our program and watch a short video, visit us at [www.HelpServicesInc.org](http://www.HelpServicesInc.org) on your computer, iPhone or iPad.

Helpful hint for this month's Citizen is: According to a study, smelling rubbing alcohol can relieve nausea almost instantly.

Good Day!

### Emergency Board of Director's Meeting

May 19, 2015

Unapproved Minutes

Meeting called to order at 9:30 AM by Patty Thorpe

**Roll Call:**

Present: Pat Clark, Carol Cooper, Sara D'Spain, Charles Dubbs, Ward Jennings, Cyn Munday, Earl Munday, Patty Thorpe, John Pawloski, and Betty Watson. Absent: Jim Gilbert and Carylan McLean. Lyle Wood attended meeting as a member of the Contract Committee.

Patty Thorpe opened the meeting by indicating she was not aware of memos being circulated by Ward Jennings in regard to Ward's investigation of certain items that were not on the contract for the pool and deck repairs for Farnsworth Hall. Patty

stated that the last memo she received was from Bob Westall, Contract Committee Chairperson, who indicated he had read the contract and had checked with an attorney in South Dakota. Bob stated he felt the board should approve this contract. Patty also stated that she felt she was not prepared for the meeting, due to the fact she was not included in the circulation of Ward Jennings' memos and that, in the future, she should be included in all memos.

John Pawloski completed a review of the contract for everyone and asked if there were any questions.

Ward Jennings submitted an addendum which showed the correct license number and

name of the pool company, American Pool Care of AZ. He had investigated Maddy's Pools with the Arizona Registrar of Contractors. John Pawloski asked Ward Jennings what he felt should be done? DVCC was at a time when it was crucial the work must be completed ASAP or deal with the fact that Maricopa County might shut down the pool facility at Farnsworth Hall Complex. Ward's answer was to add the two issues he feels should be on the contract, which was added as an addition to the contract. Lyle Wood stated he felt the board should pass this contract. If the county shut down the Farnsworth Pool Complex, it would be very difficult to get the complex opened up again and would be very detrimental to the Community.

After much discussion, it was agreed that two amendments to the contract would be added: 1. Commencement of work should be changed from 7 days to 14 days of receiving a signed contract, and add the wording "weather permitting" to the timeline for this job to be completed. 2. The name of the company is American Pool Care of AZ, AZROC C6, License No. 294975.

Patty Thorpe called for a motion. A motion was made and seconded. Vote was unanimous to accept the contract with the amendments. Contract and amendments are on file in the office.

Meeting was adjourned at 10:35 AM

## Fun Time Ceramics

by Kate Brooks

The ceramics studio at Dreamland Villa now has a new name and is open once again for all Dreamland Villa members to enjoy. Our new name is "Fun Time Ceramics" and our new monitor is Kate Brooks. Kate is a certified ceramics instructor, a long-time Dreamland Villa resident, and has over 30 years' experience in the ceramics field. Kate's main goal for all members is to come in and have FUN, hence, our new club name!

"Bowls for the Hungry," painted by Fun Time Ceramics artists

Classes meet on Tuesdays and Thursdays from 9:00 AM - 12:00 noon at the Read Hall location in the ceramics studio located on the west end of the building. All skill levels from beginner to experts are welcome. Come and try your hand at a new hobby-or an old one for that matter-and bring out your inner artist!

We are currently working to complete our "Bowls for the Hungry" project. Arizona State University sent over a number of bowls that need painting. ASU sponsors the sale of these bowls in the fall with the proceeds going to the homeless. This is a great opportunity to try your hand at painting if you have never tried ceramics before.

We are having a "Christmas in July" sale the entire month of July. The studio has a variety of completed pieces, bisque, greenware, and supplies for sale. All items are priced to sell and are a lot less than retail, and the proceeds will go to offset club expenses.

Kate will also be teaching a special Saturday class in the fall on how to load the kiln. Members will need to sign up for the class and the details will be in a later newsletter.

Please feel free to drop by during class hours to check out the sale items, do some shopping, or to just say "Hi." We look forward to meeting new members and making new friends.

## Computer Club

by Kay Hawbaker

Our summer season is marching along. Bob Oberholtzer has returned to his Thursday mornings at 9:00 AM time to help others who have questions about any Windows computer or Android device. Terri Tiehen, the new club secretary, will

be at the Computer Lab for an Open Lab on the first and third Tuesdays of the summer months. Dan Nelson will continue with his iPad classes on Friday mornings and Genealogy on Wednesday mornings as long as there is an interest in the classes. The Photo classes will not be held during the summer. The next meeting will be Monday, October 5<sup>th</sup> at 9:00 AM. Terri Tiehen is a member of the Photo class and may be able to answer some questions about cameras and photo editing during the summer. The traditional Q&A continues on Saturday mornings at 9:00 AM for those who enjoy catching up on the latest computer news and other interests around the community.

For those who enjoy eating at the Golden Corral, the date has been changed to the **second Thursday of each month** around 10:30 AM. Do come and join in the conversation.

Pick up a copy of the DCC Calendar at the main office or read it at the door of Room 9 at Read Hall. The Dreamland Villa website also has a DCC Calendar. On the left side, go to "Clubs and Activities," then scroll down to the Computer Club Calendar.

The purpose of the Dreamland Computer Club is to promote computer literacy, to encourage and assist novice members, and to provide for the continuing education of all members. Needless to say, the club needs the advanced computer users who enjoy sharing their interests and passion, as well as those who wish to learn new programs, skills and devices.

## Dreamland Villa Quilting Club

by Becky Lamson

The picture this month is of our club work session on June 4 showing some members sewing on binding and others sewing blocks together into rows. We had five quilts that we worked on that afternoon.

We received a couple of large donations of cotton fabric in June. Thanks, as that will keep us making our quilts for charity.

July through September we go to our summer schedule. We will meet on the second and fourth Thursdays 1:00 - 3:00 PM at Read Hall. New and prospective members

are always welcome. If you desire bring along an item for show and tell.

We welcome your unused quilting fabric and batting. You can contact Becky Lamson at (480) 202-7003, and she will arrange a time to pick it up or you may drop it off during our quilt meetings at Read Hall on Thursday afternoons.

Quilters' quote of the month: Really I don't dislike to cook, but what you cook is eaten so quickly. When you sew, you have something that will last to show for your efforts. ~Elizabeth Travis Johnson

## Hiking Group

by Andrea Hill

Hello from Denver, Colorado, land of great hiking trails, albeit at high altitude. Hope all you hikers are having a great

summer and are hitting the trails where you live. Joe and I thoroughly enjoyed our hike to the bottom of the Grand Canyon in early

April. Canadians Rick and Mary Day from our hiking group did it with us. We went down the South Kaibab (7.5 miles) and came up the

Bright Angel (9.5 miles). The elevation change is 4,800 feet! We spent a night in a tiny cabin at Phantom Ranch. If we can do this at our age, so can you; it is the highlight of a hiker's experience. You do have to make a reservation for lodging and meals a year in advance.

For anyone interested in hiking with the Dreamland group, please go to our website at [www.dreamlandvilla.org](http://www.dreamlandvilla.org). Click on Clubs and Activities, Outdoor Activities, and then Dreamland Hikers. Scroll through all the links to find photographs of previous hikes. You will also find an old schedule of hikes to give you an idea of some trails we've hiked. If you plan to hike, you must print and fill out the Waiver Form and bring it with you on your first hike. Please read the Mission Statement carefully and be sure to call me with your name and email address. I send out detailed emails with trail information and directions. If you have questions, I'm in the directory. Happy Trails to You and see you in November!

## Dreamland Tuesday Bowling League

by Ray Zabel

What makes a great day in Dreamland? Going to the AMF Mesa Lanes and bowling with all those joyous Seniors. What a group we have. It is wonderful to see them exercising their bodies and their laughter. We are having a great time bowling in a cool place every Tuesday at 12:30 PM at the AMF Mesa Lanes, 2115 East Southern Avenue (Gilbert and Southern). This group of about 55 or so individuals is all happy, jovial, and the laughter you hear when you come through the bowling alley doors is astounding.

It is not a team bowling. You don't have to show every time, but once you come you probably will want to come each Tuesday. You will have such a great time that you can't wait 'til next Tuesday. The cost is \$8 and there is the possibility of winning some extra dollars. Thirty percent those who show win something.

In the April *Citizen* I left out a very high score from bowling the sweepers. Steve Duncan came in second bowling an 820. That is high, and right behind Paul Rife who came in first with an 896.

Some splits pick up: Art Barkman 3-10; Jack Cregar 3-10; Vonita Hinton 4-5-7, 5-6; Bob Grande 4-5, 3-6-7; Linda Kindra 2-10; Gerry Markham 7-7-10, 3-10; Carolyn Taylor 3-10, 4-7-10, 2-10.

Some of the series scores for last month: Dee Barkman 828; Linda Bilodeau 616; Harry Cole 654; Nancy Cole 617; Dan Jenkins 718, 740, 754; Max Katz 811; Richard Lower 638, 736; Dave Perrin 629; Robert Grande 762; Vonita Hinton 670, 630; Colin Walsh 624; Bob Morrow 661, 745, 604; Gerry Markham 723; Carrie Rexford 660; Cathy Rexford 626; Jack Cregar 668, 652, 759; Paul Rife 675, 605; Steve Duncan 690, 617; Ray Roslan 761; Mary Kirk 661; Mary Kloeckner 624.

Just come and bowl and have a great time with some very enjoyable people. If you should need more information call Darlene Poynter at 480-330-7640.

## Line Dancing at Farnsworth Hall

by *Patty Berg*

Line Dancing has been going strong all summer, even though we have lost our winter visitors.

We will be taking three weeks off - July 21, July 28, and August 4. If you are still here, we would love to have you join us on Tuesday evenings from 6:00 to 8:00 PM. The cost for club members is \$2.00 and for non-club members is \$3.00.

If you are a beginner or dance regularly, you will be able to dance with us. I walk through each dance several times and call out the steps as the music is playing. The idea is to make the dances clear and have fun.

It is too hot to be outside, so come on down to an air-conditioned hall, get your exercise to good music, and meet some new friends!

## Bingo to Return to Dreamland!

by *Jim Seamandel*

As of June 8, we are tentatively planning on Bingo returning to Dreamland this fall. The Bingo Committee, consisting of Jim Seamandel, Carol Cooper, and Ward Jennings has been hard at work getting all of the necessary forms and permits ready for the first session on Monday afternoon, October 5. We are planning on weekly sessions from 1:00 to 3:00 PM.

Currently, the permits have been applied for and we are awaiting approval. The profits will be used for the Farnsworth facility (pools, building, and the band shell). The Bingo Committee has visited other profitable communities to check out how best to run our games. The hope is that an afternoon session will give residents and neighbors an afternoon activity and avoid competition with the established evening sessions.

We are also looking for volunteers to help at Bingo and make this a successful and profitable venture for DVCC! We are hoping to have enough volunteers so this won't be a weekly commitment, seven to ten people per session.

So, spread the word to your neighbors and friends who have left for the summer that this is in the works. We would like to inform as many people as possible. We will keep you updated throughout the summer. Any questions, or if you would like to help out, call Jim at 262-853-7725 or Carol at 480-832-2450.

## Welcome to Dreamland Villa!

by *Cyn Munday*

Are you new to Dreamland Villa? We want to welcome you with open arms to our little community here in the East Valley. Although many folks are winter visitors and gone for the summer months, there are still plenty of us here. There are activities continuing all summer, and we hope to have an opportunity to meet you soon!

There will be an orientation meeting in October. In the meantime, please plan to join us at one of our many activities. Please visit our website at [www.dreamlandvilla.org](http://www.dreamlandvilla.org) for a complete listing of activities.

There is a pool renovation taking place this summer. We are very fortunate to have pools at two different locations, so one of those locations will be available all summer.

We have one of the best Line Dance activities in the Valley. Line dancing takes place at Farnsworth Hall each Tuesday evening at 6:00 PM and is open to ALL. Please plan on a fun time; there is even one lady who is legally blind and she's still dancing - a great inspiration for everyone!

We hope to meet you soon and we are glad you are here!
