## President's Message

The High Tea is another example of what we can all do when we set our minds to it. And our Entertainment Committee continues to offer fun and interactive events to keep us all entertained. Thank you all for these great opportunities to get out and meet our neighbors.

Our financials are also moving with the pace of a lion as well. As of the end of January we have collected over \$242,000 in annual fee income and February promises more of the same. So, we are well on our way to another successful year. Another financial upswing for DVRC is that we were able to get our insurance company to reimburse \$16,348.89 for lost revenue from Farnsworth Hall due to the floor damage.

Planning for Dreamland Villa's 60th anniversary is underway as well. Special events are being scheduled for the week of January 25, 2021. We have plenty of volunteer opportunities available if you want in on the fun.

On a sad note, attendance at the Library is dwindling and our Librarian is retiring. So, if we want to keep the Library operating, we

need to get attendance up and a new Librarian in place soon. Donna Hopp has done an excellent job keeping her volunteers motivated and the doors open but unless we can increase attendance, we will need to close them.

DVRC also held its annual election in February for the three vacancies on the Board of Directors. The addition to myself, the new directors that will be seated in April are Sandra Eiker and Allees Cohrt. Congratulations to all and thank you to all who took the time to vote.

And to wrap things up, for those of you who have not paid your annual fee, your kee card has been shut off. Please return your card or renew your fee at the office. DVRC spends a considerable amount to purchase kee cards and it is your responsibility to return it if you are not going to renew it. We need your support to help us maintain our Senior Citizen Overlay, maintain your facilities and to keep our expenses down. Please be responsible and support your community.

Let's keep working together to keep our safe senior haven the best in East Mesa.

## DVRC 2020 ELECTION RESULTS

by Jill Holleque, Nominating Committee Chairperson

Sandra Eiker received 355 votes  
Johna Sharp received 344 votes  
Allees Cohrt received 322 votes  
Ward Jennings received 104 votes

A total of 407 members cast votes. The Nominating Committee very much appreciates your support.

## Maricopa County RV Regulations

By The Compliance Committee

For those who own recreational vehicles, please be aware that your RV cannot be stored on your property and extend beyond the front of your home. Also, no one is permitted to live in the RV while stored on your property. These are regulations of Maricopa County. Please be mindful of these regulations as they are in place for the safety of everyone.

Per Maricopa County, a recreation vehicle is described as a unit built on a truck, bus, or trailer chassis and equipped as a self-contained traveling home which is over 8 feet in height, 22.5 feet in length or over 10,000 pounds gross vehicle weight (GVW).

If you wish to report a violation you can do so in the DVRC office or file a complaint online at: <https://www.maricopa.gov/1683/Code-Compliance>. You will need the address or parcel number of the property in violation. You will also be asked to upload pictures and/or provide a description of the violation. If you provide an email address you will be notified of the progress. All complaints are kept anonymous. Let's all work together to reduce compliance issues.

## AROUND THE VILLA

by Mary Newkirk

It's hard to believe, but it's time to talk about getting those House Check Forms filled out before you leave us for the summer months. For those of you who don't know, if you are a resident in Dreamland Villa, the Posse will do courtesy house checks while you are gone from your home. There is a form to fill out in the Dreamland Villa Office, which is then passed on to the Posse, so they know who is gone and who is still here. Here are some reminders about the forms:

- The House Checks are available to everyone who resides in Dreamland Villa
- The forms are for those who will be gone a minimum of two weeks
- It is necessary to have as much information as possible on the forms, including:
- Your name and phone number
- The name of a local person with keys to the home
- Your leave date and your planned return date
- If a house goes up for sale and is vacant, the Posse does not provide this service

Just a reminder...the Posse is looking for volunteers to join us! Our patrol volunteers have had a great time visiting with the residents as they are out and about. For the most part, things have been quiet in our neighborhoods this winter. We hope you enjoy the rest of the winter!

## POSSE CORNER

## Dreamland Villa Memory Bricks

by Cyndy Munday

Our Brick Memory Garden is still growing! It's wonderful to see the new bricks and to hear the stories that go with each one.

Our Singles group just purchased a brick in memory of Joyce Cullen with a picture of a fancy hat on it. We will all remember Joyce for her fancy out-

fits and big beautiful hats. This is so great and we appreciate the support of the Singles Club.

All bricks are just \$50 each and take a few weeks for completion. The company doing the work is excellent and has helped us many times with our questions and orders. They are a local company here in greater Phoenix area so very personalized in our needs.

Please don't hesitate to contact us if you have any questions regarding the purchase of a brick; we are always willing to work with you.

A sincere thank you to all of you who have contributed to our Memory Garden. We couldn't do this without you. You have the power to make a difference!

## Secret Prey by John Sandford

By Anita Thompson

John Sandford is one of my very favorite authors and I realized I had not written a book review on any of his books, so I decided to pick another one and read it. As usual it was great! I particularly like his books about Lucas Davenport, who is an Assistant Chief of Police in Minneapolis Mn. There are always streets and places in the books that I recognize which is fun. I can picture just where things are happening.

Each book has at least one murder, this one has several, with many twists and turns before they figure out who did them. There are several suspects along the way and just when you think you know who did it, you find out you were wrong. There are several people competing for promotions in a bank merger. There is greed, relationships, families, humor and sex. Sandford always goes into lots of detail as crimes are solved and I really recommend his books.

## Librarian NEEDED

By Donna Hopp

Dreamland Villa Library is looking for a Librarian/chairperson because I will be retiring. If you are interested please stop by the Office and let them know. I will then contact you with information.

## News from the Librarian's Desk

By Donna Hopp

The Library will be open Monday, Wednesday and Friday 9:00 am to 1:00 pm. Anita does the Book review each month in the Citizen and now you can check out the book she reviews from the Library to read!

We have some new releases of your favorite authors. Stop by and see all the great books to check out for three weeks. Please return all Library books checked out from the Library to the Library; the room in Read Hall is not part of the Library.

See the ad that we are looking for a Librarian. I will retire May 1st. See our ad about our Book Sale information.

by Lewis (Lew) Hooser

The voting date is Tuesday,

March 10, 2020 at the Help Services facility located at 5210 E. University, just east of Higley Road. Those unable to vote on Election Day may cast their vote early by coming to Help Services any day during the preceding week, (except Sunday) between the hours of 9:00 am and noon. The following is just a peek at some great folks ready to step up to the plate. Thank you!

**My name is Lewis Hooser**, I was born in Long Beach, CA in 1943. I went to high school there and some college before I entered the Air Force in 1962. I moved to Minnesota where I worked for a local radio station, KWLM AM & FM as an audio engineer. In 1987 I moved on to be the Branch Manager of Business Music, Ltd. My wife, Linda, and I have spent the winters in Dreamland since 2013. I feel I could be a valuable member of the board since I have been working as a monitor, writing the Help Services article for the Citizen for the last four years.

**My name is Gene Miller**. We moved to Dreamland Villa in 2007, traveling in our fifth wheel the first five Summers. Since then Linda and I have spent most of our time in the valley, although we still enjoy an occasional RV trip. Help Services provides a valuable service to Velda Rose and Dreamland Villa. I have experience with computers and over 20 years programming using several programming languages. Through the development of the new loan process I have become very familiar with how Help Services operates. I was appointed to an interim position on the board in January. I am interested in continuing to work with the board using my knowledge and experiences to further improve the way Help Services operates.

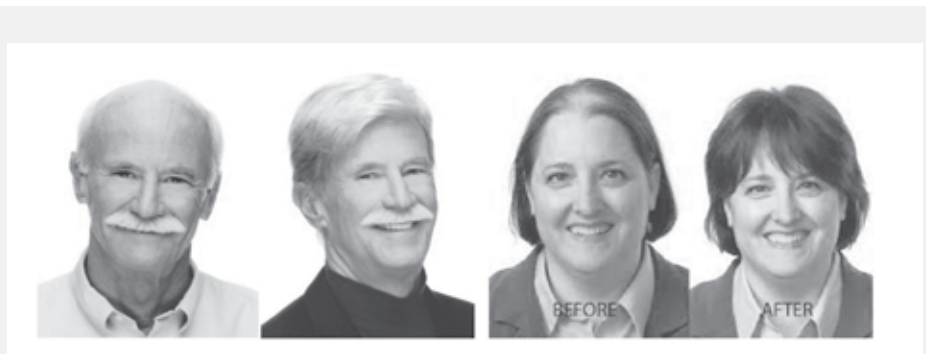

**My name is Kriss Miles** and I have been a resident of Velda Rose Estates for the past 27 years. Prior to moving to Mesa, I was a native of Seattle, Washington and had been an employee of The Boeing Company. I have been a volunteer at Help Services since 1997. First, I was a monitor and then I was elected to the board in 1999. I am still a monitor and have been the secretary for the board since my election. I enjoy my involvement with Help Services as I feel it is a special organization for our communities.

**My Name is Mike Miller** I've lived in the Dreamland Villa Community for about three years but have lived in the Mesa area for most of my life. Before retiring, I've been a volunteer monitor for Help Service and worked as the maintainer of the equipment. I believe Help Services is a vital part of our community and I'm honored that I can serve our community by volunteering there. I agreed to serve hoping my presence on the Board of Directors might encourage others to see the need I've seen.

**My Name is Debra Traskos**, I am a retired RN and have lived in Mesa since 1998. I moved to Dreamland Villa in December 2017 and joined volunteer services at Help Services a few months later. I am both a Monitor and Chairperson of the Blood Pressure Monitoring program. Helping and caring for people with health needs has been a lifelong journey for me, so Help Services is a perfect fit for me. I believe that as a Board member I will learn more about Help Services, find additional ways that I can be of service to this wonderful organization and explore new ways that Help Services can grow and be of even greater service to the Dreamland Villa and Velda Rose communities.

## ANNUAL HIGH TEA A BIG THANK YOU!

by Cyndy Munday, Katie Senke & Bea Westall

Once again our Annual High Tea was a success. This event could not have been this huge success without everyone.

Our volunteers include the entertainers, kitchen crew, helpers, stage crew, sound/lighting crew, decorating crew and our wonderful waiters. This year we had props that really enhanced the production numbers. A shout out to Ralph Shirey, Al Miller, Dave Senke & Don Goodroe for all their thought and time to create the special effects.

The Dream Steppers complete our show with their lively numbers and lovely costumes. They spend months working on routines for our shows and they purchase their costumes at their own expense.

Out West In Dreamland was marketed with limits set on the number of tickets that could be sold per person and we did NOT sell out. We did ok though and are not disappointed. All of our guests are so gracious and kind. Thank you for being such a great audience. It means everything to us. Although we did not sell out we are hoping everyone who

wanted a ticket purchased one.

We couldn't do it without the help and support from all our activities here too including Lapidary, Quilting, Art Department, Woodshop & Fused Glass.

This year we had a hat contest with 3 winners: Barb Forrister (prettiest), Jenny Peterson (most creative) & Janet Verheyen (sililiest). A big thank you to Johnnie Doherty and Carylann McLean for the beautiful gift baskets. All of the participants did a wonderful job and we are only sad we did not have more winners. There were so many pretty

hats and wild, and extravagant hats. Thank you ladies for making this so much fun.

Our office at Dreamland has been a tremendous support to us and so understanding and kind. It's so important that we all work together and with our office help and maintenance crew we are able to pull this off.

Mark your calendar for Wednesday, January 27, 2021 for a 60th Anniversary celebration tea. A sincere thank you to everyone to make this the huge event it has become here at Dreamland.

### 1st ANNUAL DVRC ARTIST AND CRAFTSMANS SHOW

For the first time in Dreamland Villa history, the citizens of Dreamland who participate in the various craft and art activities held a show to showcase their works. The show was held on Saturday, February 29th. At the time of the writing of this article the show hasn't happened and results for winners of People's Choice Awards and art show winners is unknown.

Members of the Art Department, Fused Glass, Lapidary, Gourd classes, Photography Club and the as well as gentlemen of the wood carving and wood shop were on hand to show beautiful items they have made. People who attend the show voted on their favorites in each art and craftsman's activities for the Peoples Choice awards. The Art Department students had a judge to determine winners of their work. Results will be shown in the April

issue of the Citizen and on the DVRC website.

In March an open painting afternoon will be held on Monday from 1:00 to 4:00 pm. No instructions and no fees. It's a time to paint with other artists. It is limited to 12 people.

Also to be offered on Saturday, March 14th will be a Painted Paper Paintings Collage Workshop by Alicia Short. This class will be held from 9:00 am to 4:00 pm. Price is \$40 for Dreamland Villa members and registration is on that Saturday. Students will use painted papers and scrapbook papers to create a fun picture. If you think you can't draw but would like to try something creative, this is the class for you. Also limited to 12 students. For supplies you need to contact Alicia. A list will also be posted on the window of the Art Room. Any questions see Alicia's contact info at the end of this article.

Is there any interest in art or craft activities during the summer months? If so let Alicia know. We are looking to expand classes in the art room so, if you have a craft or art technique you are willing to teach please email Alicia at [artroom@dreamlandvilla.org](mailto:artroom@dreamlandvilla.org).

## Dreamland Villa Quilting Club

by Becky Lamson

The photo this month is of some of our members wearing the Hug Shawl made as our January project. We worked on them during three meetings in January. Some were donated to the Mesa Senior Center. Other members decided to keep the one they made.

Our February special project was a walker tote bag. It would make a nice gift for someone using a walker or just to keep on hand if you needed it some-

day. Pictures will be available in the April Citizen.

We meet Thursday afternoon 1:00 to 3:00 pm at Read Hall. We will remain on this schedule through June. The third Thursday of each month is our special project day. The other days we have quilt tops to piece or binding to sew. You are always welcome to bring a project of your own to work on at our meetings.

New and prospective members are always wel-

come. If you desire, bring along an item for show and tell.

We welcome your unused quilting fabric. You can contact Becky Lamson at 480-202-7003, and she will arrange a time to pick it up, or you may drop it off at Read Hall Thursday afternoons.

## Wood Shop News

By Ron Wilson

Hello everyone. The DVRC Wood Shop activity has picked more recently with a lot of projects being completed, plus some people have asked if we could make or repair things for them.

For example, Lanny made two beautiful saddle racks for a DVRC member that required a number of hours to complete. For Lanny's work, the Wood Shop received a generous donation. He is now making a walnut candle holder for another member.

Several of our monitors also made some nice items and donated them for door prizes to the High Tea held in January.

Our wood shop monitors are dedicated to keeping the shop clean and all our equipment in well running order. we are open Monday thru Friday 9 to 11:30 am and 1:30 to 4:00 pm. Our monitors are ready to help you get started. Pictured is a serving tray made with Tiger wood and inlaid with exotic colored woods.

Nicely done, Lanny!

## FUSED GLASS

by Katie and Dave Senke

Top 'o the morning to ya. March is here and hopefully some warm weather. Regardless of the weather,

fused glass has been going strong. We have introduced this hobby to a few new members and have had many visitors to see what we are all about.

This form of art is easily learned and could become additive. It only takes about 45 minutes to learn the basics of fused glass and get you started on your first piece. We have

a lot of pictures and ideas or you can come with your own. Everyone is always willing to help you and to answer questions.

There is no charge for the class. You only pay for the materials you use and a firing fee.

We hope you will come and check us out and become a part of this exciting new art form.

## COMPUTER CLUB

By Kay Hawbaker

The board would like to encourage our members to attend our classes. There are always new things to learn. Although we are senior citizens, we do have the desire to keep up with the latest gadgets, their applications and the trends. All the sessions encourage learning and sharing experiences.

Six photographers entered their photos in the Arts and Craftsman Show this year. Please check the April issue of the Citizen for some of the entries. There may be earlier posting on the [www.dreamlandvilla.org](http://www.dreamlandvilla.org) web site.

The February speaker was Bob Gostischa from Avast Antivirus Software. He told of the emerging problems with all the smart appliances in the home and how to secure the wireless network that connects all these devices.

The March 4th speaker will be Tom Mehlert of AZ STRUT. He talks about his organization and gives information about the donations given to them. The Computer Club will again be hosting a drop-off day at Read Hall for your unwanted and broken electronics and computer equipment! A van will be available from 10:00 to 12:00 noon. OR, you may bring your items in advance to Room 9 between February 23 and March 3. Specific drop-off times and dates will be posted on the door at Room 9. But please, only flat screen TVs. Check the [www.dreamlandvilla.org](http://www.dreamlandvilla.org) website for hours the computer lab is open and the list of items accepted by AZ STRUT.

John Ahrens continues to send the Monthly Calendars, Newsletters and other announcements by email to computer club members. You will see that it is [dreamlandcomputerclub@gmail.com](mailto:dreamlandcomputerclub@gmail.com) address. Check the DCC calendar of classes on the Computer Club door. Copies of the calendar are available to pick up in the Computer Club room and also in the Dreamland Villa Main Office.

## Minnesota Potluck

By Andrea Hill

March already? Can't be! Our wonderful winter will be winding down soon. Sniff. But I hope yours has been as lovely as ours. The sun, the friendly folks, the food! Most of all-- the food. Even my Nebraska husband, Joe, thinks Minnesotans are great cooks. Ever see him miss a Minnesota potluck? We meet at Read Hall the 2nd Thursday each month so the next one is March 12. The door opens at 5:15 pm and dinner is around 5:30. Bring your own plate, napkin and utensils and a tasty dish to serve 8 - 10 people. Coffee and tea are provided. Happy St. Paddy's Day and don't forget to wear green. Failte! (Fal-cha is Welcome in Gaelic)

## DESERT WALKERS

by Jill Holleque

On February 7th, we went to Phon d Sutton in the Tonto National Forest and were thrilled to see wild horses. February 21 our destination was the Riparian Park on Guadalupe in Gilbert, one of our favorite urban walks.

Remaining walks for the season are:

- March 6 at Boyce Thompson Arboretum and the leaders are Jill and Steve Holleque
- March 20 at the Japanese Gardens in Phoenix and the leaders are Jill and Steve Holleque
- April 3 at Freestone Park (end of year hot dog roast and picnic) and the leaders are Anita Brown and Jill Holleque

All walks are on a Friday and we meet at the west end of the Farnsworth Hall parking lot and carpool to the destination. Bring water, wear sensible shoes and a hiking stick is useful. We do not do strenuous walks, usually only 2 or sometimes 3 miles but stopping frequently to enjoy the scenery and socialize. Lunch plans are announced by email prior to the walk. If you don't have email, call or text Jill Holleque. Her number is in the DVRC directory or the DVRC office can give it to you. Her email is [jholleque@gmail.com](mailto:jholleque@gmail.com).

All residents and their friends are welcome. Come join us!

## Hiking Group

By Andrea Hill

In 2020 we are hiking on Fridays. Our five hikes in January were just perfect with great weather, scenery and camaraderie. On the Tunnel Hike we met the Mayor of Superior, Mila Besich. She was hiking too and she let me take her photo at the top of the trail. What a wonderful woman - getting good things done for the town of Superior, AZ. We ate great burgers at the Porter Café and found out Mayor Mila's niece works there.

Our March hikes will be on the 6th and 13th. We park at Farnsworth near the Bocce Ball courts, carpool and leave at 8:30 am. Please arrive ten minutes earlier. To learn all the details about Dreamland's Hiking Group please go to the web site at [Dreamlandvilla.org](http://Dreamlandvilla.org). Click on Clubs and Activities, scroll down to Outdoor Activities and choose Hiking Group. The schedule of trails and dates are posted there. Also you will see photos from this winter season.

Note: Usually by mid-March the weather turns hot and news of rattlesnakes is reported. That is the time Joe and I quit hiking in Arizona and take our bikes on the canal trails. If you'd like to join us we'd love to have you.

## LADIES GOLF LEAGUE

By Kay Hawbaker

Eighteen players competed in the February Tournament. This was the first year the tournament lasted only three weeks with the two best scores used to determine the winners. The course continues

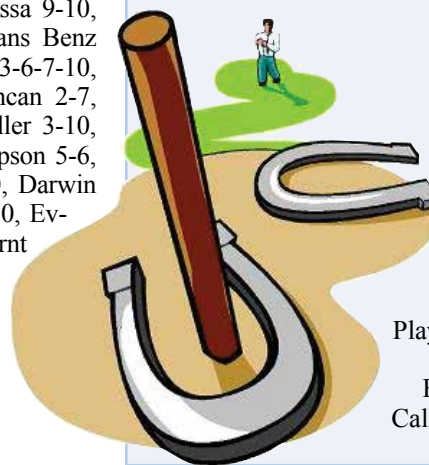

to provide good number of challenges and it is difficult to maintain a consistent score.

The Awards Presentation will be held on either March 19 at 5:00 p.m. at Rochester's in Sunland Village. We have booked their private dining room. We are looking forward to the announcement of the flight winners of the February

Tournament, as well as the "Club Championship" and the "President's Cup" winners. Gobbles and Birdies will be awarded as well. Next month's Citizen will give the names of the winners.

During March, our season winds down and we wish all the members getting ready to depart for their summer homes a safe journey. Those of you who stay, know that you may continue to play during the summer with league discounts. You will have to make a tee time at Royal Palms with others who wish to play.

You are encouraged to sign up for next year's season at the Awards Presentation. Our dues are \$20.00 and checks can be given to Janice Thornsteinsson made out to DVLG.
