I think it goes without saying, everybody who decorated their home in Dreamland was a winner. Marcia and I had a great time viewing your homes.

The holiday light contest was a big success. Dreamland never looked so beautiful and hopefully we can continue this tradition in the future. I do have a new idea for next year. I would like in addition to the holiday light decoration of our homes, we have an award for the best decorated block in Dreamland Villa. To win, each house on your block must display Christmas/Holiday decorations visible from the street. This will include just merely opening your blinds to display your Christmas tree.

Steve Malone, President, Dreamland Villa Retirement Community Board of Directors.

PS: Stock up on Christmas decorations at their low low discounted price. Just planning for next year.
