They could use volunteers to help with setup/breakdown and monitoring. Any committees that would like to promote their activities at the Craft Fair should contact her through the DVRC office.

55+ Committee: The 55+ Committee is looking for volunteers to go house to house to collect affidavits. We are also looking for a Membership Committee to get new members.

Pool Ad Hoc Committee Report: The Chairperson reported that, through donations and fundraising events, the committee raised \$ 4,237.79. She was asked if that is enough to do RH's pool? She said they have about ½ of the required money to cover the RH pools.
