The President's Message

by Carylan McLean

Carylan McLean

During this process, it became very clear to me that the Dreamland Villa office had outdated office equipment, computers, computer software and telephone system.

An opportunity arose to replace the four-year-old black and white copier with a much newer color copier loaded with more technology and the monthly lease payment is lower! The office can now scan multiple pages and create pdf files which may be sent out as attachments to emails. The color copies may be made after an authorized user logs in. The number of colored copies can be monitored and charged to

On November 30, 2015, I was elected President of Dreamland Villa Community Club's (DVCC) Board of Directors and was re-elected to that position again on March 31, 2016. Since serving as President, Ward Jennings, DVCC's Secretary/Treasurer and I have sent out more than 350 letters to realtors and brokers, realtor associations, title company escrow officers and Dreamland Villa Subdivision residents.

the appropriate committee or club.

The office has four computers, two of which were outdated. A 2007 version of Office Suites' Home and Student had been loaded and used for some time. The outdated computers were upgraded and Office 365, Version 2016, was loaded.

The Windows 10 Operating System was loaded while it is still free of charge. However, we learned that the accounting system DVCC uses, PROMAS, is not yet compatible with Windows 10. We are watching this closely. If we are not able to get a version of PROMAS to work with Windows 10 before August 1, we estimate it will cost as much as \$1,600 to buy Windows 10 at a later date.

Our new Compliance Committee Chairman, Bruce Gile, suggested it would be worthwhile to get a dedicated telephone line so that Dreamland Villa residents could call in and have a verbal complaint recorded and later processed. We then discovered that the existing telephone system was so obsolete that there are no longer service or replacement parts for it and its voicemail features no longer work. CenturyLink provides both the telephone and internet service to the office. CenturyLink has not been able to offer a voicemail solution. The Directors have authorized a new telephone system that provides the voicemail solutions we were seeking.

I am pleased to state Dreamland Villa now has office technology that is years ahead of where it was a few months ago.

A Word from our New Board Member

by Bruce Gile

As a new DVCC member and an even newer Director, I wanted to convey some thoughts of my experience so far. Keep in mind I don't know the history of DVCC. That could be an advantage or a detriment. History can be important in the decision making process, but it can also be an impediment in the advancement of the issues at hand. So, while I can't speak to any of that, I can speak to what I have been a part of to date.

DVCC is run by volunteers, with

the exception of the office staff and maintenance personnel. I have attended Study Sessions, Board and committee meetings and have addressed countless emails. Why? To ensure DVCC continues to exist and thrive as a 55+ Age-Restricted Retirement Community. It is important to me that what we are doing makes sense and is in the best interests of DVCC.

It's o.k. to question the decisions made by the Board of Directors, but I have found there are good reasons why some of the decisions have been made.

While everyone may not agree with all of the decisions, rest assured that the decisions were made with what the Directors thought best for DVCC with the information available at that time. If this was not the case, I would cease to be a member and a Director.

At this point, I am of the mind that not knowing any history is an advantage for me. I can only see what is ahead for DVCC and find ways to move forward. I feel if we don't find new and innovative ways to move forward, then DVCC may soon be "history."

Change

by Ward Jennings,
Secretary/Treasurer

As Dreamland Villa Community Club has grown older, it has faced change. Over half of the Subdivision's homes are now owned by a single person, not a couple. About 22% of the homes are now rentals, not owner-occupied, and a substantially larger number of homes have one or more owners who work.

At the end of 2011, Dreamland's "Club" had 3,694 members and \$400,000 in cash. The Arizona Courts revoked Amendment Two to the Declaration of Restrictions, rescinding Dreamland's status as an H.O.A. Dreamland continued to present itself as a "Club," managing its real and personal property and providing the retirement community's activities and events as set forth in its 1961 Articles of Incorporation. The result, since 2011 the "Club" has had a 44% decline in membership

and a weakened financial position.

A significant change occurred in 1996 when Maricopa County designated Dreamland Villa as a 55+ age-restricted Subdivision. Our records show that each year since December 10, 2001, the Maricopa County Department of Planning and Development has sent Dreamland Villa a letter worded exactly as the one printed below this article.

Paraphrased, Dreamland Villa Community Club, Inc. is the legal entity responsible to maintain the policies, procedures, paperwork and computer systems to identify the owners of the properties in order to annually complete the Verification Statement reporting the percentage of properties with residents who are 55 or older.

As a reminder, if you have not purchased membership in

DVCC, you need to complete the Verification of Occupancy Affidavit mailed to you in March and return it to the DVCC office. If you need another copy of this Affidavit, please call the DVCC office at 480-832-3461.

To recognize the dual legal responsibilities of Dreamland Villa Community Club, Inc., the Directors have changed its marketing message from Dreamland Villa is a "Club" to "The annual fees are essential to keep Dreamland Villa as a 55+ Age-Restricted Retirement Community."

Everyone - current and new residents, realtors and brokers and title company escrow officers should recognize this reality: It is a financially viable Dreamland Villa Community Club, Inc. that keeps the Dreamland Villa Subdivision both a Retirement Community and a 55+ Age-Restricted Subdivision.

Ms. Janet D. Rossman 320 N. 55th Place
Mesa, AZ 85205

Dear Applicant:

As you know, your community is covered under Maricopa County's Senior Citizen (SC) Overlay zoning district. This district requires that at least 80% of the dwellings units be occupied by at least one person 55 years of age or older, and that the community have policies and procedures which demonstrate an intent to provide housing for persons 55 years of age or older.

As indicated in the provisions for the SC Overlay in the Maricopa County Zoning Ordinance, "it is the responsibility of the residents and/or owners of properties (covered by the SC Overlay) to provide evidence that the above criteria are met and will be maintained." To meet the requirements of this provision, we ask that each community with a SC overlay provide an annual Verification Statement to us.

I am forwarding, a copy of the Verification Statement to you, which needs to be completed and signed by someone familiar with the community and return to our office as soon as possible, but no later than December 31, 2001. In most cases a representative of the homeowners association would be most appropriate.

Please feel free to call me at (602) 506-2364 if you need any further information,

Sincerely,
Olga G. Beatty,

News from the Librarian's Desk

by Margie Gilbert

Welcome to the Dreamland Villa Community Club Library. Summer has officially begun. Somehow it seems like it got a head start early in June. We at the Library are cool though! Come and see us on Wednesday morning and enjoy some quiet conversation and some good books. Stop in on your way home from the pool or breakfast. You don't even have to move your car. Make room in your celebration of the 4th of July weekend for some reading.

Our summer hours, for those who might be new, are Wednesdays only from 10 a.m. until Noon. This fall we will be open more days per week when our winter visitors begin coming back. Now may be a good time for you to catch up on what is new in our recently acquired section up front. We are still receiving lots of new donations, including general fiction, mystery and non-fiction. Check it out.

If you are looking for something to do, we are looking for volunteers. Now would be a good time to become familiar with our Library when things are a bit slower than normal. No computer experience is necessary, but if you are computer friendly there is a place for you too. Come and see us on a Wednesday morning and let us know you are interested.

Thank you to all who continue the generous donation of books and time. We are proud of our Community Library and the service we provide to Dreamland Villa; and we couldn't do it without the donation of books and hours that you continue to give.

Citizen Book Review

by Margie Gilbert

First Women

by Kate Andersen Brower

Kate Anderson Brower spent four years covering the Obama presidency for Bloomberg News and also has worked for Fox and CBS. Brower is also the author of the best seller "The Residence," which tells about life inside the White House according to the staff. "First Women" explores the lives of the ten "modern" first ladies spanning the last 45 years.

"First Women" begins with Jackie Kennedy (who was the first to bring the White House beauty, style, glamour and a young family) and goes through the present first lady, Michelle Obama. Not all of these women had young children, and not all of them were glamorous, but they were all vibrant active members of a post-war generation and beyond. When Jackie Kennedy followed Mamie Eisenhower's reign as first lady, a distinctly different first lady began to emerge. "First Women" explores not only their public image as it has changed, but the private lives of these ten women.

The author explores many facets of the lives of the first ladies - how they raised children with the spotlight always nearby, how they related to the staff, to the public and the role they played in their husband's presidency. Many of these ladies had projects they were passionate about and spent many hours improving awareness of various aspects of our lives. Jackie concentrated on arts and remodeling the White House, Lady Bird Johnson focused on beautifying our country with parks and Nancy Regan spotlighted drug awareness. Betty Ford educated us about breast cancer and addiction to alcohol and painkillers and Michelle Obama has worked to fight childhood obesity. Most of them were also very passionate about being the helpmate that their husband needed to get through the difficult tasks they faced.

The relationships between these women are also explored. Some of them became good friends, some barely tolerated their predecessor or the one who followed them. Most of them were compassionate about the trials and difficulty of living in a glass fishbowl and letters and notes between some of them are very revealing.

The photographs included in the book are wonderful. This is a very well done book and the insight into the first ladies of our modern world is a delight.

Maintenance Staff Needed

by Sydney Clark

Dreamland Villa would like to increase the size of their Maintenance staff in order to be prepared for the beginning of next season. Would you like to join our crew, or do you know of someone who would enjoy working with our staff? This is a paid position, not a volunteer position.

We would prefer you have some knowledge about maintenance issues: electrical and/or plumbing, painting, landscaping and janitorial. The ability to lift and set up chairs and tables in both Farnsworth and Read Halls is desired. Starting time would be 5:30 a.m., so that you can have the pools ready for all of those early birds.

Please come by the DVCC office and fill out an application. We would love to add your name to our list of employees.

Finally Tying the Knot!

by Betty Maynard

An intimate wedding at John's Villa Restaurant on Saturday, May 14, finalized the 22-year engagement between Barbara Smith and Latt Winder. All of you know Barbara as the 30-year proprietor of the restaurant. She blushing wore a long lacy jacket dress.

Eddy Greffoz, Barbara's son, was the best man. Latt wore a large identification necklace announcing, "I'm the Groom." Family and friends were showered with rose petals by flower girl, Betty Maynard. Everyone received tiny bottles of bubbles to celebrate the union.

The Reverend Merlin Gindlesperger read the vows under branches of a white magnolia tree and pronounced them husband and wife in the restaurant adorned with flowers. After the cake was cut and enjoyed, everyone wished the couple a happy life together.

Welcome to Dreamland Villa!

by Cyn Munday

We would like to extend a warm welcome to all of our new residents here at Dreamland Villa. There will be a New Residents Social in October for those who would like an informational synopsis of your new Community. Our mission is to be informative and friendly and encourage you to get familiar with your new Community and some of the other folks who have just moved to Dreamland Villa. We will give you a packet of information regarding the Rural Fire Department, as well as information about Help Services.

Please visit our website at www.dreamlandvilla.org for a complete listing of activities and a little history. There are many links to aid you in your search.

The summer is a great time to take advantage of our three swimming pools, as well as the spas at each location.

We have one of the best Line Dance activities in the Valley. Line dancing takes place during the summer at our own Read Hall each Tuesday evening, except the first Tuesday of each month, at 6 p.m. and is open to everyone. This is a good activity to meet some friendly folks, get a little exercise and good music all rolled into one. Our Entertainment Committee is committed to lining up all kinds of activities, so please watch the *Citizen* and the website for more information.

We look forward to meeting you soon and hope you will not hesitate to call with any questions you may have regarding our Dreamland Villa Community. Again, we are glad you are here and genuinely hope you will come and join us!

Funny Bone Time!

A Different Drug Problem

The other day someone at a store in our town read that a methamphetamine lab had been found in an old farmhouse in the adjoining county and he asked me a rhetorical question, "Why didn't we have a drug problem when you and I were growing up?"

I replied, "I had a drug problem when I was young: I was drug to church on Sunday morning. I was drug to church for weddings and funerals. I was drug to family reunions and community socials, no matter the weather.

I was drug by my ears when I was disrespectful to adults. I was also drug to the woodshed when I disobeyed my parents, told a lie, brought home a bad report card, did not speak with respect, spoke ill of the teacher or preacher, or if I didn't put forth my best effort in everything that was asked of me.

I was drug to the kitchen sink to have my mouth washed out with soap if I uttered a profanity. I was drug out to pull weeds in mom's garden and flower beds and cockleburrs out of dad's fields. I was drug to the homes of family, friends and neighbors to help some poor soul who had no one to mow the yard, repair the clothesline or chop some firewood and, if my mother had known that I took a single dime as a tip for this kindness, she would have drug me back to the woodshed.

Those drugs are still in my veins and they affect my behavior in everything I do, say or think. They are stronger than cocaine, crack or heroin and, if today's children had this kind of drug problem, America would be a better place."

God bless the parents who drugged us!

Dreamland Villa Memory Bricks

by Cyn Munday

Now is a good time to consider joining the others who have their own personal brick in our Memory Brick Garden. We do all we can to work with you to make your brick special. It may seem that it is only special to you, but some of us who work with the ordering and installation become familiar with your brick too.

We all benefit from this addition to the Dreamland Villa Community, and from our committee to you, we want to thank you so much. Your brick is special to us and for you. If you have not joined us yet, won't you reconsider and come and join us?

Order sheets are in the office or on the website for your convenience. Please do not hesitate to contact us if you have any questions. Thanks so much in advance.

Joanna Padilla are our Records and Statistics folks. All of the folks on the list above are also Monitors-double duty.

A couple of reminders for you good folks: Now that summer is upon us, we start are normal summer hours from now until September 30. Our hours of operation are Monday through Friday, 9 a.m. to Noon and closed on Saturdays. Please mark your calendar.

And as always, we are financed solely by your donations, plus it's a tax deduction for you. Check us out on our webpage at www.HelpServicesInc.org.

Where did it come from, "over a barrel?" In the days before CPR, a drowning victim would be placed face down over a barrel and the barrel would be rolled back and forth in an effort to empty the lungs of water. It was rarely effective. If you are over a barrel, you are in deep trouble. Stop in and say hi to the monitors this summer. It will make their summer much nicer. Thanks! Well, that's it for this newsboy.

ACTIVITIES

Card Bingo

by Sydney Clark

Mesa summer heat has come, but the temperature is cool in Read Hall. So come on over every Thursday at 10 a.m. and join us for some spirited card bingo. The group has gotten smaller as our friends and neighbors seek cooler climates, but we are still a social, fun loving bunch of Dreamland Villa residents. You will need to bring three nickels, three dimes, three quarters and a \$1 bill to join in the fun. Hopefully, you may win a round or two! We'll be looking forward to seeing you.

Coffee Social

by Sydney Clark

The daytime temperatures tell us summer in Mesa has arrived and a lot of our neighbors have either fled to the cooler states or have gone north to Pinetop or Page. But for those of you still here braving the heat, Jennifer and I continue to host Coffee Social on the 2nd and 4th Saturdays of the month.

We think we have the donut ordering under control and those nice card players on Friday night keep us company as we set up the coffee pots. I can't speak for Jennifer, but I think I'm beginning to like getting up early on Saturday morning to go fetch those donuts we ordered the night before. There is something special in getting out before the intense summer heat zaps my strength. There are few cars on the road early in the morning and, best of all, I find a parking place right up front at the grocery store.

So come and join us at 7:30 a.m. at Read Hall. We'll celebrate your birthdays and anniversaries, the coffee will be hot and the donuts fresh.

C'mon Everybody, Give a Hand, Get Involved

by Donna Hopp

Much of what goes on in the Dreamland Community is done by volunteers who step up and pitch in. We are always looking for people for various jobs/projects/details, both short and long term. This would offer a chance for you to meet new people and to make a difference in the Community.

Donna Hopp is the volunteer caller for events and is seeking more residents looking to step up. She can be reached at 715-630-9667 or by email at gahopp1@yahoo.com. Give her a call and she will be glad to find a place in the Community where you can contribute.

If you would like to volunteer to work at the Pancake Breakfasts, Spaghetti Dinners or other food-related events,

you will need a Food Handler Training Certificate. To obtain a Certificate or renew one that has or is about to expire, the test is now online. Just go to maricopacoaz.foodhandlerclasses.com and click on "Courses" on the top left. Choose "Purchase Course." You will need a User Name and Password to get started. From there, just follow the steps to complete the online study guide and take the test.

Once you finish the test and pass, please print a copy of the Certificate. Bring a copy of the Certificate to the DVCC office to get reimbursed for the test costs. Please leave a copy so it can be filed in the folder in the kitchen. If you have questions give Donna a call. Thanks so much for your help.

Dreamland Villa Presents the Amazing Pie Event

by Cathy Jageler

Mark your calendars for the August Pie event on Wednesday, August 10, from 2-4 p.m. at Read Hall!

Remember last year's pie event? All of you wonderful folks brought pie-and more pie. Well, get ready for this year's Pie Event. We want to see how many different flavors of pie we can get! I know all of you have great ideas out there, so let's think pie! (Grasshopper? Turtle? Lime? Butterscotch? Chocolate? And so many more!)

Pie and coffee is included for only \$4! Please come and join us for some summer fun!

Summer Potluck

by Sydney Clark

The heat has been pretty intense this past month, but those brave souls attending last month's potluck were not to be denied a fun evening with friends and neighbors. I want to thank all who came to join us and invite you back on Thursday, July 21, at 5:30 p.m. The doors to Read Hall will open at 5 p.m.

If you weren't able to attend last month, this is another chance to share your favorite potluck recipes. Dreamland people like to eat, in spite of the heat, and I look forward to seeing (and tasting) the recipes you bring. Beverages will be provided, but bring your own plates and utensils. See you there!

4th of July Brats 'N Beans

by Sydney Clark

Cathy Jageler and the Entertainment crew have done such a stellar job of providing us with top notch choices to entertain us during the "season," so we thought we would give them a break. Marcel Hemmen and I decided a BBQ Brats 'N Beans gathering at Read Hall on the 4th of July would be a nice occasion for Dreamland Villa residents to come together, share a brat or two and enjoy each other's company.

For \$5 we will provide brats and buns, a pot of beans, chips, salad, soda, coffee or water and cake for dessert! If you would like beer to wash down all of this food, please feel free to bring your own. All plates and utensils will be provided. You are encouraged to bring your swimsuit for a refreshing dip before or after dinner. Doors will open at 4 p.m.

Aquacise Fun Changed to 8:30 a.m.

by Cathy Jageler

The temp's are warming up so let's get in shape! Be good to yourself! Begin a new form of exercise fun and join us for the summer at the Read Hall Pool from 8:30-9:15 a.m. on Monday, Tuesday, Wednesday and Friday. We've decided if the temperature is under 70 degrees, Aquacise will not be held, so if it's 70 degrees or higher, come and join the fun!

We work out, laugh a lot, and exercise our bodies and our minds. Any fitness level is welcome. Make new friends and catch up with the ones returning. As a plus to all the fun, we go out to breakfast and lunch once a month (dates to be announced at class). Just show up at Read Hall Pool any day you wish to enjoy. The pool has been cleaned, sealed and new railings have been installed. Get there a bit early to warm up those muscles. You must be a DVCC member.

Hiking Group

by Andrea Hill

The Hiking Group takes a break during the summer months. We go home to northern climes and let the rattlesnakes terrorize the hikers brave enough to be out in the heat. To be more accurate, we let the snakes have the trails to themselves without our bugging them with our cameras!

To find out more about the group you may visit the website at www.dreamlandvilla.org. Choose Clubs and

Activities, Outdoor Activities, then Hiking Group. Scroll down to find photographs of previous hikes. The Hiking Group Mission Statement contains important information for all hikers. If you plan to hike with the group, please print out and sign the Waiver Form. Bring it to your first hike.

Four years ago I started a women's hiking group and was asked to take over the general group the year after that. So I've been leading the hikes for three years now with help from my great hiking buddy, husband Joe, and neighbor Ward Jennings. I am retiring as the Hiking Group leader, so if you or someone you know is interested in taking on this rewarding, challenging, volunteer post, please let me know. I can offer a lot of help with trail maps, directions and descriptions. Give me a call-I'm in the directory.

Dreamland Tuesday Bowling League

by Ray Zabel

What makes a great day in Dreamland? Going to the AMF Bowling Alley and bowling with all those joyous seniors. What a group we have! It is wonderful to see them exercising their bodies and to hear their laughter. We all are having a great time bowling in a cool place every Tuesday at 12:30 p.m. at AMF Bowling Lanes, Gilbert and Southern. This group of about 55 individuals is happy and jovial; and the laughter you hear when you come through the bowling alley doors is astounding.

It is not team bowling, so you don't have to come every time, but once you come you probably will want to come each and every Tuesday. You will have such a great time that you can't wait until next Tuesday. The cost is \$8 and there is a possibility of winning some extra dollars. Thirty percent those who come win something.

Some splits picked up:

Dee Barkman 6-7-10; Vonita Hinton 2-7, 5-7; Gerry Markham 5-7; Linda Kandra 2-7; Janet Duncan 3-10; Paul Rife 3-10, 3-10; Chuck Kloeckner 1-2-10, 6-7-10; Jerry Sarver 3-7; Richard Lower 3-10; Steve Duncan 1-2-10; Dakota Morris-Terry 5-6-10, 3-10; Linda Bilodeau 9-10;

Fun Time Ceramics

by *Kate Brooks*

Our Ceramics Room will get a fresh coat of paint this summer. We're going to look sharp! Come and take a look. This year we donated 263 bowls to the Bowls for the Hungry Program. Would you like to participate in our next year's offerings? We would love to have you join us in this great program for giving back to the hungry in our area.

Christmas in July is beginning. Pieces to paint will be offered for sale at \$5 per piece. Paint and firing are included in that price. Join us and make your own Christmas gifts this year. Everyone loves to receive something you made yourself.

Earlier this year the DVCC Board approved a \$10 monthly Activity Fee for people residing outside of Dreamland Villa who want to participate in some of our activities. Each additional activity would be \$5. This amount is paid in the office and goes into the general operating budget. All participants must be approved by the activity monitor. Fun Time Ceramics has chosen to participate in this program and we have already been joined by new people who want to take advantage of what Fun Time Ceramics has to offer.

If you have questions, please see Kate in the Ceramics Room on Tuesday or Thursday, or you may call 480-924-4343. We would love to have you join us every Tuesday and Thursday,

from 9 a.m. to Noon. Bring your friends, along with anyone who resides outside of Dreamland Villa!

Singles Club

by *Lois DeLong*

June was a busy month for the Singles Club. We enjoyed our monthly potluck with the usual array of delicious entrees and desserts. For our dining out pleasure, we had breakfast at Village Inn, lunch at East Valley Cafe and dinner at Midwestern Meats. The accompanying photo of the very happy, smiling group is from our May dinner at Applebee's.

We toured the fantastic Basha's Museum, attended the Strawberry Festival at Pine and saw the Queen Creek Community Theatre's production of "The Music Man."

The Singles Club is active all year, spring, summer, winter and fall. Kathie Chismar,

our President and Activities Chair, does a great job of planning and scheduling new events each month. In July, she's planned a trip to the Hale Theatre to see "Westside Story," and she's hoping to schedule a trip to Flagstaff or some other northern site to escape the heat for a bit.

Our next potluck will be held on Tuesday, July 5, at 6 p.m. at Read Hall. Our meetings are scheduled for Wednesdays, July 13 and 27, at 9:30 a.m. in Read Hall.

If you're interested in joining the Singles Club, attend one of our meetings or our potluck. Come and join us; we welcome new members!

Computer Club

by *Kay Hawbaker*

The computer room has been closed during May and June. The Maintenance Department has cleaned and

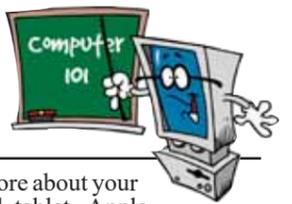

painted the ceiling and walls. Terri Tichen shampooed the carpet and the Club equipment has been reinstalled. In July, the Q&A with Kay Hawbaker will resume on Saturday mornings for the rest of the summer. Also during the summer months Computer Club members may call Roy Baker, Dan Nelson or Terri Tichen for computer assistance. Their phone numbers can be obtained from

the office.

The outing at the Golden Corral continues on the second Thursday of the month. You do not have to be a Club member to attend. Come and bring your friends around 10:30 a.m. and ask to sit with our group. We are usually in the southeast corner of the building. The food is good and the lively interaction is even better. Hope to see you there.

The Dreamland Villa Computer Club Welcomes You!

Are you a member of Dreamland Villa Community Club? If so, you are eligible to join the Computer Club for only \$15/year per person, or \$20/year per couple!

A New Reverse Mortgage from Sun American Mortgage Company, Offers a Brighter Outlook on Retirement!

Sun American Mortgage Company has been helping people plan for a better retirement with a Reverse Mortgage for over 25 years! In fact, Terry Turk, President of Sun American Mortgage Company, wrote the first reverse Mortgage in Arizona. They are local reverse mortgage experts, with licensed CPAs and financial planners to help get people the most out of their retirement. When asked why they continue to do reverse mortgages, Terry simply stated "We do this, because a reverse mortgage can really make a difference in their retirement and their life!" He continued, "The security and peace of mind people gain, when a reverse mortgage is

done correctly and for the right reasons, helps them sleep at night." When you look closer at the reverse mortgage program, you understand just how true that statement can be. A reverse mortgage is available to anyone over the age of 62 with equity in their home. It is federally insured and is now being utilized by financial planners all over as a smart planning tool, even if it never gets used. Mishel Johnson in Mesa said "Now that we don't have a monthly mortgage payment, we are able to enjoy our retirement and do many of the things we were used to doing." Don and Barbara in Gilbert use their reverse mortgage to pay for emergencies and unplanned

expenses. "It's so nice to be able to use the tax free funds from our reverse mortgage to pay for unexpected car repairs, and help our children with their down payment on their new home without having to pull our money out of the market when it is down."

Dreamland Villa Community Club Board of Directors

June 7, 2016, Approved Special Meeting Minutes

The Special Meeting was held pursuant to Section 2, Article I, The President, By Laws, dated January 12, 2016

Welcome: President Carylan McLean

Pledge of Allegiance

Call to Order: 9:00 a.m. by President Carylan McLean

Roll Call: Secretary Ward Jennings

Present: Pat Clark, Bruce Gile, Ward Jennings, Carylan McLean, John Pawloski, Sr. and Janet Peterson

Ratification of Meeting Minutes: Board Meeting May 10, 2016, Minutes ratified.

Treasurer's Report: May 31, 2016, Financial Statements and Treasurer's Report are on file in the office and posted on the official bulletin board. An analysis of the Dreamland Villa Community Club, Inc.'s Financial Statements as of May 31, 2016, reveals the following:

The 2016 revenue from membership and the 55+ fee contributions of \$342,840 exceed the budgeted amount of \$327,250. Further, the revenue through May 31, 2016, is about the same as the calendar year 2015 revenue from membership, less the recall legal expenses.

The Admission Fee (\$400 one-time fee to document the age(s) of residential ownership changes for the 55+ age reporting) is \$10,400 through May 31, 2016, compared to \$12,400 for the entire calendar year 2015. This is a substantial increase in revenue for this line item.

Expenses for the first five months of 2016 are consistent with the budgeted line item expenses.

Conclusion: Dreamland Villa Community Club, Inc. is a financially viable ongoing business, which will allow the Directors to uphold the January 12, 2016, By Laws, Article VI, Section 9, which state: "It shall be the duty of the Board to take care of, control and manage all the assets of the Club, and to maintain the existing facilities in good repair, assigning and reassigning space as needed." The Board will continue to perform the duties as stated in the By Laws.

Old Business:

Parking Lot Resealing and Striping Contract: Bob Westall, Contracts Committee Chairman, reviewed the contract with Epic Asphalt LLC and recommended approval after receipt of an acceptable Certificate of Insurance. Epic Asphalt was lowest of three bids. Bruce Gile moved to approve the contract with Epic Asphalt LLC, dated June 3, 2016, in the amount of \$12,875, for sealing existing cracks, seal and re-striping the parking lots at Farnsworth and Read

Hall campuses. Motion carried unanimously.

Revised Cell Phone Tower Lease: Bob Westall, Contracts Committee Chairman, stated that after reading the DVCC attorney recommended revisions to the contract, he felt confident with going ahead and signing the attorney-revised lease documents. Ward Jennings moved to approve the new lease with Crown Castle. Discussion followed wherein John Pawloski, Sr. expressed concerns about granting the easement to the tower from University Dr. and the possible future location of a new cell phone tower site. While the Directors concurred there were unanswered questions, those same questions were unanswered in the existing lease with Crown Castle. Based on a risk-reward analysis, the Directors voted unanimously to approve the motion.

Revise Prior Motion and Adjust Legal Budget Item: Ward Jennings moved the Directors amend their April 12, 2016, motion to authorize up to \$1,050 to retain the law firm of Smith Paknejad to review the cell tower lease. The revised motion is to authorize the legal budget to be increased by \$90.20 from \$1,000 to \$1,090.20, to increase the authorized amount to pay the full amount of the invoice from \$1,050 to \$1,090.20, and change the name of the law firm to accurately show the correct name, Provident Law. Motion carried unanimously.

New Business:

Dreamland Villa Community Club, Inc. Office Technology Upgrades: The Directors discussed the problem of updating the office computers from Windows Operating System 7 to Windows 10. PROMAS, our accounting software, is not compatible with Windows 10. Therefore, the Windows 10 upgrade has been delayed awaiting PROMAS's changes/upgrades. The office computers have been upgraded to Office Suites Products 365, Version 2016.

Telephone System: The current AT&T system is obsolete, does not have a working voicemail and has no service support to fix the current problems. Janet Peterson moved to accept Dewitt Communications LLC's proposal to replace the current telephone system with a new system handling voicemail on four incoming lines and each telephone having a display, at a cost of \$1,087.00. Motion carried unanimously.

Community Open Forum: Janet Peterson moved to hold two Community Forums at Farnsworth Hall on Monday, October 10, 2016. The first shall be at 9:00 a.m. exclusively for members of DVCC. A second meeting shall be held at 7:00 p.m. and shall be open to all residents of DVCC, both non-members and members. An attempt will be made to

find a non-director moderator to conduct the meetings. Discussion: The purpose of the meetings is to provide DVCC residents an opportunity to ask their questions and express their opinions. The moderator shall attempt to facilitate the meetings with participant decorum. The motion carried unanimously.

Study Session and Board Meeting Procedural Changes: The Directors discussed the importance of devoting the October Study Session and Board meeting exclusively to issues related to the 2017 membership drive. The Directors also discussed audience comments made at the May 10, 2016, Board meeting related to the unanimous 10 Director approving motion made at the May 12, 2015, meeting authorizing outsourcing of pool and spa daily/weekly cleaning and maintenance. The decision to outsource was made over a year ago and has saved DVCC approximately \$1,800 a month since being implemented. This represents a substantial cost savings over the former method of pool and spa cleaning and maintenance.

"Dreamland On The Go," a Travel Proposal: Pat Clark moved to accept the proposal for "Dreamland On The Go" submitted by Kathie Chismar. The Motion carried unanimously with enthusiasm. A copy of the entire proposal may be found at the end of the June 7, 2016, Board Meeting minutes posted on the Dreamland Villa website's digital library.

Access Program Development: Project has experienced delays. A change in programmer may be necessary. The volunteer project coordinator may be recommending a change in the programmer in the near future.

Single Fee per Household: Carylan McLean requested that a discussion of a single fee club membership per household, in lieu of per person membership, be tabled.

Attorney Review of DVCC's Status to Enforce 55+ Age-Restrictions: The attorney retained to review DVCC's status to enforce the 55+ age-restriction administrative requirements is now awaiting Maricopa County's response to provide a copy of the actual ordinance that created Dreamland Villa as a 55+ age-restricted Subdivision. The Directors are waiting for a response from the law firm regarding the cost of services billed to date. Directors need to determine if the cost of work performed is within the approved budgeted costs.

Adjournment: 10:00 a.m.
