## PRESIDENT'S MESSAGE

*Steve Malone, President DVRC*

During the last study session and the regular board of directors' meetings, we have been advised by some members that we need to be more positive in our approach to explain to the residents of Dreamland Villa how to gain more memberships.

I find this statement rather interesting since I felt that the messages that had been sent by the board in the last 10 months have been positive towards our community. We have tried to grow and maintain by providing additional activities and events for not just Dreamland Villa members but for all residents of Dreamland.

I promised you when I ran for the board, I would provide you with transparency. In my mind, that means I must be truthful. Being truthful means hard facts must be put on the table so everyone can understand the situation. I am trying to tell you the mere facts of the financial situation that is taking place in your community and how it will affect the future.

Dreamland Villa has changed drastically over the last 40 years. In the 60s and 70s, it was primarily made up of snowbirds who came down for the winter months and then went back North. The community was basically vacant. Most of those snowbirds contributed highly to the financial success of Dreamland Villa. I have seen pictures and articles of about 3,000 people attending a barbecue at Farnsworth Hall. Today we may be lucky to get 200 people at the most for any event.

Our current community consists of approximately 5,000 residents. Currently, only about 1,475 of those individuals are members of Dreamland Villa Retirement Community. They are paying for the operation of maintaining our community as a 55 plus as well as maintaining our facilities including two campuses, Farnsworth, Reed Hall, and three swimming pools and two hot tubs. Anyone who has been around a swimming pool knows they are expensive to maintain and operate.

At our current membership level, it will be very difficult for Dreamland Villa to continue to operate without an increase in our membership dues. Being realistic though, every time we increase the dues, we lose another group of members who believe it's too expensive to continue

to be a part of our community.

The board of directors must evaluate where to go from here. If we can't sustain our operations through dues, we will have to sell some of our property to maintain the remaining facilities and keep up with inflation.

In the next few months, you will be hearing more about how Dreamland Villa will operate in the future. Please understand that I and the other members of the board of directors do not relish the idea of having to sell a property or raise dues but put yourself in our position. If you have other options, please let us know what they are.

We have tried to increase the membership in Dreamland Villa but too many of our residents are apathetic and don't care. A significant number of new DVRC residents are still working, don't have time to participate and therefore they don't pay. There appears to be a disconnect between having time to participate in activities and the importance of keeping DVRC a 55+ restricted community.

Stay tuned, do not throw in the towel yet. I am going to see this through with those who want to help me make Dreamland Villa a community that we are proud of.

## New to Dreamland Villa? WELCOME!

*Steve Malone, President DVRC*

Are you new to Dreamland Villa as a homeowner or renter? We would like to help you become acquainted with your community. More than likely, you chose Dreamland Villa for its 55-plus Community that is safe, quiet, and the homes are well maintained. The residents of Dreamland Villa are pleased that you have selected our community for your new home.

To help you become acquainted and participate in our community activities and amenities if you paid the transfer fee at your closing, Dreamland Villa will provide you with Kee Card(s) to access our facilities and activities for the current year.

Within the first several months of your residency in Dreamland, you will be contacted by a Dreamland team member from our welcoming volunteers, to present you with your Kee Card(s) and show our appreciation for becoming a resident in the Dreamland Villa Community. This Dreamland team member will be able to answer your questions, pro-

vide you with a tour of our facilities, and encourage you to participate in our many social activities.

We know that many of our new residents are still working, so we are trying to have events and activities that take place during the evening hours or on weekends. We are looking forward to helping you become an active member of the Dreamland Villa Community.

We have several ways of communicating with our residents. We have a newspaper called the "Citizen" which is delivered to your door, a weekly email blast providing you with all the activities taking place in the upcoming weeks, a website (<https://www.dreamlandvilla.org>), and two Facebook pages dedicated to Dreamland Villa residents. As well, all events and activities are posted on our bulletin board at our office at 320 North 55th Place.

A great way to get acquainted is to come to the coffee socials on the second and fourth Saturdays of each month, beginning at 7:30 a.m. in Read Hall. Hope to see you soon!

## POSSE Corner

by Rod Hanks- Posse patrol

Good morning DVRC! Hope your summer is going well. The POSSE office has moved again. We are now sharing the entry alcove with READ HALL. This space was offered to us when Springs Realty vacated the space. New POSSE address:

### DVRC POSSE 320 N. 55th Pl., Mesa AZ

A note of thanks to the folks who moved us, namely Dan Martens, to a much brighter room and closer to our new parking cover on the South parking lot at DVRC. This structure was also ordered and set up by a crew headed by Dan.

#### Safety Tip of the Month:

Stay hydrated in the summer heat. Work outside early in the morning or later in the afternoon. And if you are out and need water, the patrol carries extra for you and your pet.

### Acts of Kindness Card Program

DVRC Social Committee would like your help in reaching out to those who have suffered a loss, are dealing with an illness, or recovering from a surgery.

There is a fill-out slip in the office where you can add a name and address of someone to whom we can send a card. Then place the slip of paper in the Acts of Kindness box. We promise to send a card if you let us know the need! Lastly, if you have any of the *Get Well* and *Sympathy* greeting cards that you're not using, we would gladly take them off your hands and put them to good use.

Thank you for your support.

## YEAR-ROUND WORKER'S CORNER

By Megan Tackett

Well, the month of May went by fast, and we had a fantastic turnout for the Cinco De Mayo event.

Interesting fact: It's cheaper to eat out these days than to buy groceries.

The Cinco De Mayo dinner was \$10 a person. What a savings, check out the grocery bill below for 1 meal.

- Ground beef \$4-\$6
- Corn tortillas \$2.00
- Lettuce \$1.00

- Cheese \$5.00
- Tortillas and Salsa \$1.00
- Refried Beans \$1.85
- Cupcakes and brownies \$3.99
- Time to cook/clean – never paid enough to cook and clean right !!!

Why not take advantage of our future food events, (there are lots of them) and give yourself a break from cooking and cleaning up the kitchen? Make it a date night and

enjoy the company of many other working couples in our community.

Check out the events at <https://www.dreamlandvilla.org/>

You can also get on our email list by giving us your email address. Just call the office on Mon/Wed/Friday 9 am-12 pm.

We have confirmed our Music Bingo in June. Bring your family and friends and have a great singing night.

By Lew Hooser

Villa to start enjoying the wonderful fall and winter months in Arizona. We are already missing the sunshine.

Here is a nice old story that needs to be repeated. The story is a few years old, pre-covid, but well worth writing once again. My wife and I were working at Help Services when this lady came in to return a borrowed cane that her husband had used. She needed a wheelchair so she could push him around while shopping. I took her back to the warehouse.

I remember her stopping just inside the door and looking around. She said, "Oh my! I'm always overwhelmed to see so many things that are here that folks can borrow." I mentioned to her that we are always looking for and adding new medical devices to help the injured and convalescent folks. The beautiful part about stories like this, it makes your day. My wife and I just love these stories.

We will miss visiting with these good folks for a time, but we will return when the cool October breezes start pushing us back to our home and friends here in the valley of the sun. By the way, we are still looking for a volunteer that would

want to be on the board of directors as our building and grounds person. We just ask that you sign up to be a monitor, easy job.

Here's an update that's of interest to one and all. Our president Patty Thorpe and Debra Traskos are still working on getting the blood pressure monitoring started up again. As I mention to one and all we all have our 24-hour items you can borrow: an appliance hand truck, folding chairs, and wet/dry vacuum. Some folks may think, why does he continually repeat the same stuff every month? It's simple. If you are new to Dreamland Villa or Velda Rose Estates, it's nice to know there's an organization in the Community that has all kinds of medical items to loan out. Plus, there's always the possibility of a new homeowner with the desire to become a monitor.

As always, we are financed solely by your donations, plus it's a tax deduction for you as well. We also have a great team of qualified folks to help you with bequests for people who have no beneficiaries. For more information about this, or if you have any other questions, please stop in at the Help Services office. Please remember we are only open Monday, Wednesday, and Friday from 9 a.m. to Noon. By the way, the whole board of directors team wants to say please have a safe and sane 4th of July and a great summer. Check us out on our webpage at [www.HelpServicesInc.org](http://www.HelpServicesInc.org). That's it for this newsboy.

## Nature Trail

By Mel Brown

I hope many of you had a chance to walk the trail and see the beautiful cactus flowers during May.

I would like to thank several people working on the nature trail last month. Thanks to Joe for donating 4 posts and cement and AI for helping install the posts to help keep unauthorized vehicles from racing through the trail. Thanks to Sony for

helping repair a broken board, clear out brush, and tighten the boards of a bench on the trail. And thanks to all the people that do great work on the trail that I don't know about.

The subject of Stinknet has been brought up, this is a very invasive weed that crowds out native plants and grows in dense mats that are highly flammable. It grows to a height of up to 2 feet and can be recognized by its dark green "carrot-like" leaves and the round yellow or gold flowers. Now it is dying and

drying up and this is also the time when it spreads its seeds; to kill the plant we will need to wait until November when it starts to grow. It is important to remove the plants before they develop new seeds. This is going to be one of the issues we will be trying to work on to make the trail as natural as possible.

The weather is getting hot so be careful on the trail, take water with you, and walk early in the morning when it is cooler. Have a great month and enjoy nature.

## FUSED GLASS

by David Senke

Another month has gone by and all the snowbirds have gone back to their home states. We had a lot of new faces this past year in Fused Glass. Most people that showed up at the studio found out you don't have to be an artist to participate in Fused Glass. Pinterest is a great place to check out when looking for a project to do in glass. Check out the pictures.

The shop/studio will be open all summer. Summer monitors are Cyn Munday, Patti Hanks, and Mary Sable. The shop/studio is open Monday and Wednesday from 9:30 am to 12:00 noon and 1:00 pm to 3:00 pm. Also, as long as we have participation, there will be a class Monday nights from 6:00 pm to 8:00 pm.

Stop in any time the shop/studio is open and check us out.

by Kay Hawbaker

Kay Hawbaker continues to do the Saturday Q&A meetings at nine o'clock on Zoom. We take all questions about computer problems. If we don't have the answer, we find an answer to bring the following week. The Smartphone sessions will not be held during June and July.

The first General Meeting of the club will be held on October 4, 2023, to continue a discussion of the plans for the club.

Members of Dreamland Villa may be interested in checking out Dreamland Villa's official website: [www.dreamlandvilla.org](http://www.dreamlandvilla.org) to check for club activities and community events.

## Quilting Club

by Becky Lamson

The photo is from our special project quilt blocks we did in April. The block is the Arrowhead Quilt Block and our class was led by Betty Sharpy and Rita Carlson. All who participated had a good time and it will make a very nice quilt top once the blocks are stitched together.

In June we begin our 2 meetings a month summer schedule. We will meet on the 2nd and 4th Thursday from 1:00 to 4:00 PM at Read Hall. New members are always welcome. If you have questions, please, give me a call at 480-202-7003 or email me at [beckyNleslie@gmail.com](mailto:beckyNleslie@gmail.com).

We will have quilt tops to bind and projects to sew. If you desire, bring along an item to work on or for show and tell.

Quilters Quote: Quilting is a scrap of happiness.

## SINGLES CLUB

By Lu Wald

Happy Summer everyone. I hope that wherever you spend your summer, you will stay safe and well, and of course, cool!

May found us doing a bit more indoor things, whereas April found us enjoying so many fun outdoor things to do. We kicked off the month with 16 people attending our potluck and enjoyed a slide show of our fall 2022 trip to Monument Valley put together by Marsha Spencer. Speaking of food...we had a nice lunch at Sassy's on the 8th and dinner at Nando's on the 22nd. We enjoyed a movie on the 15th titled "Book Club: The Next Chapter". Our plays during May included The Gazebo at the Hale and 9 to 5 at the Mesa Arts Center. Several members enjoyed the Chandler Symphony and the Basha's Gallery. Because most of our bocce players are not here for the summer, we will start that up again in the fall. We may need to do the same with the Saturday morning Cornhole playing as well. Of course, a large number of members attended the Cinco de Mayo celebration at Read Hall.

In June, we'll start off the month with our potluck at 5:30 on the 6th. We will be taking in the Musical Instrument Museum on the 5th and going to the Hale on the 9th for Bye Bye Birdie. We gathered for lunch at the Galaxy on the 16th and dinner and show at the Singing Panda on the 21st. We'll see what "musical bingo" is all about on the 24th and try some regular bingo at We-ko-pa on the 30th. And if you like card playing, a group will gather each Tuesday afternoon at Read Hall to play Hand and Foot as well as Dominos on the 4th Wednesday evening. As you all know, the annual Brats and Beans lunch will be held on July 4th and you will need to buy a ticket in advance from the office. If you cannot make it into the office on Monday, Wednesday, and Friday mornings, we will be selling tickets at Read Hall on two Saturdays as well. There will be a sign out in front of the office to direct you to our location. If you would like to purchase tickets but cannot make it in on those dates, please call 732-986-7788 and one of us will get them to you. All of the Singles Club Members will be busy gathering some really nice prizes for drawings for this event.

# FROM THE BOARD

## BOARD OF DIRECTORS MEETING MINUTES

May 9, 2023, 9:30 AM Meeting

Welcome: Dan Martens, Vice President

Pledge of Allegiance

Call to Order: Dan connected with Steve via phone with microphone and speakers set up. The meeting was called to order at 9:30 AM by VP Dan Martens.

General Announcements: Dan mentioned a number of upcoming activities; Coffee Social 2nd and 4th Saturday each month, Hot Dog Event 5/13, Evening Card Bingo 5/17, Community Potluck 5/18, Payson Casino Bus Trip 6/13, Ice Cream Social 6/17, Music Bingo 6/24 and Beans & Brats 7/4. Dan announced there will be NO STUDY SESSIONS June-Sept; Study Sessions will resume on Oct 3, 2023, at 9:30 AM.

Roll Call: Joyce Canino, Secretary. Present were Steve Malone, Ward Jennings, Dan Martens, Kevin Brueback, Betty Mazza, Wendell (Sonny) Allison, and Joyce Canino. All directors were present.

Ratification of Minutes: Ward motioned to ratify the May 2, 2023, Board of Directors Study Session minutes. The motion passed unanimously.

Treasurer's Report: Ward reported April was the best financial month for receipt of transfer and

disclosure fees. There were some possible fraud charges that were being investigated.

Office Manager and Standing Committee Reports: Office Manager and Committee reports, if provided, are available from the office upon request. Amy reminded the Directors of the Policy & Procedure Committee Meeting on 5/10 at 9:30.

**OLD BUSINESS:**

DVRC AC units Inspection: Dan moved to approve an agreement with Ellsworth Heating and Cooling to perform the preseason inspections and service. Kevin second. All Directors approved.

Commercial Appraisal for Farnsworth Property: Ward moved to approve a contract with Zach Sinay, a commercial appraiser with Appraisal Technology of Chandler, to proceed with the two appraisals; one for the Farnsworth Hall primary property and a second one for the Butte St property. Betty seconded. All Directors approved.

Pools/Spa: Dan stated that he spoke with Tammy from Arizona Group, DVRC's insurance company, and was informed the additional chain/padlock was not needed to secure the pool gates. Dan also mentioned that he looked through the Maricopa County website and did not find anything about needing a Certified Pool Person. A member stated that it was a requirement and Dan asked the member to supply proof; the member said they would contact the County Inspector and have someone come out to talk to the Board.

Nature Trail: Sonny stated that no reports have come in regarding the kids on dirt bikes/4 wheelers since he spoke with the parents. Sonny reported there are several benches on the trail that need repairs, he spoke with the Woodshop who said they would fix them if brought in. A-1 Weed Control was also contacted regarding the invasive Stink Weed and said cannot do anything now since the weed has gone to seed. Will recontact prior to Spring to see what can be done.

**NEW BUSINESS:**

Ward presented two draft motions:

A new service, Positive Pay with National Bank of Arizona, DVRC's checking account. This service will allow DVRC to identify the authorized electronic fund transfers (ACH) and will not deduct unauthorized funds. This new pay service will help prevent fraud but would require the Treasurer and/or Bookkeeper to constantly monitor the account. Kevin, Dan, and Betty asked that the motion be tabled until the Directors could get more information on the process; Ward withdrew the motion.

Ward's second draft motion was a New Policy & Procedure for an Information Request from Directors in regard to any Member who wishes to address the Board during meetings. Steve had a few questions about the proposal. The Directors decided to table it and further discuss it along with the P&P Committee.

Open Forum: Several members spoke about numerous items that were brought up during the May 2nd Study Session. A member questioned the free key cards that were allegedly given away in exchange for a treadmill. Ward answered by saying it has been a long-standing practice to exchange goods and/or services for key cards, the By Laws and Policy and Procedures are silent on the matter. In an earlier workshop meeting, the Board had agreed, going forward, matters of this nature would be discussed among the Board prior to bartering for key cards.

Ward mentioned cameras shortly being installed in the office due to Members verbally abusing the staff, which lead to several Members speaking out about them being accused of this and how untrue it was.

A Member addressed the Board about articles published in the Citizen being misleading, and how they had picked up some papers and found that certain articles were circled. Said Member also commented that with such negativity it may hinder others from paying dues. It was also mentioned that paying dues was an option, not mandatory.
