PRESIDENT'S MESSAGE

By Pat Clark

Greetings everyone, my name is Pat Clark. Due to the resignation of Heather Canterbury from the DVRC board of directors, I have moved up from my VP position to be your new president. A lot of you already know me as the head of the Lapidary shop for the past 14 years. I also served as your president for a time back in 2016, 2017.

This has been a great summer to be a year-round resident here in Dreamland Villa. Every second and fourth Saturday morning, we have enjoyed getting together for the coffee socials at 7:30 am.

We had a pancake dinner/supper that was very well attended.

In May, we had a well-attended and profitable Cinco de Mayo event. We have been playing Cornhole on Sundays at 1:00 pm at Read Hall; everyone is welcome to join in.

We had our annual Brats and Beans event for the 4th of July, though it was held on

Sunday, the 6th this year. This year's event brought in over \$1,300 after expenses.

We had a build-your-own-burger bash that saw many more people show up than signed up. Luckily, we had enough food for the over 80 attendees, and made about \$400 in donations after expenses.

I myself love to attend the night card bingo, which is on the first and third Wednesday nights of the month, in Read Hall, starting at 6:00 pm. There is also daytime card bingo that is held on the second and fourth Thursday mornings at 10:30 am.

By the time this article is published, we will have had a Chili cook-off on August 30th.

One of the raffle prizes for the cook-off was an insulated drink mug that has the new DVRC logo design etched onto it, with the winner's name added. The Woodshop has a new laser etching, engraving machine, which is capable of engraving on just about

any material. They are also etching the new logo on mugs and name tags. This will be a nice addition to our new hats and T-shirts that are currently being sold.

We have leased Farnsworth Hall to Gracepoint Global Methodist church, which is making it their new home. Their services start at 9:30 am on Sunday mornings, and they have other services that are listed on the marquee. We have also rented out Read Hall on Sunday mornings to the Faith in Christ Fellowship, which holds services there at 10:00 am. Both rentals will bring greatly needed funds to the club.

That's about it for now. I'm sure I forgot something. But it is just a sample of how great it is to be a year-round resident. I can understand that some of you do not wish to be here for the often brutal summers we have, but those of you who go elsewhere for the summer are missing out on some really fun times!

Citizen Delivery

By Judy Goodroe

Hello Dreamland neighbors. It is almost time for us to start delivering the Citizen to your door! I am in need of captains and volunteers to help deliver the monthly newspaper. It's a great way to meet new neighbors and get a little walk in. Contact me on my landline at 480-699-6397 (no text) or my cell 480-987-6059. (You can text me or call me on my cell) We start home delivery on November 1st!

Are you new to Dreamland Villa as a homeowner or renter? We would like to help you become acquainted with your community. More than likely, you chose Dreamland Villa for its 55-plus Community that is safe, quiet, and the homes are well-maintained. The residents of Dreamland Villa are pleased that you have selected our community for your new home.

To help you become acquainted and participate in our community activities and amenities, we would like to provide you with Kee

Card(s) to access our facilities and activities for the current year.

Within the first several months of your residency in Dreamland, you will be contacted by a Dreamland team member from our welcoming volunteers to present you with your Kee Card(s) and show our appreciation for becoming a resident in the Dreamland Villa community. This Dreamland team member will be able to answer your questions, provide you with a tour of our facilities, and encourage you to participate in our many social activities.

We know that many of our new residents are still working, so we are trying to have events and activities that take place during the evening hours or weekends. We are looking forward to helping you

become an active member of the Dreamland Villa community.

We have several ways of communicating with our residents. We have a newspaper called the "Citizen," which is delivered to your door, a weekly email blast providing you with all the activities taking place in the upcoming weeks, a website (<https://www.dreamlandvilla.org>), and two Facebook pages dedicated to Dreamland Villa residents. All events and activities are posted on our bulletin board at our office at 320 North 55th Place.

A great way to get acquainted is to come to the coffee socials on the second and fourth Saturdays of each month, beginning at 7:30 am, in Read Hall. Hope to see you soon!

THANK YOU

By Anita Brown

Thank you to everyone who dined at Vito's Pizza and Italian Restaurant on August 4th. Vito's donated 20% of the proceeds back to Dreamland Villa for this fundraiser, so we received \$250. We are hoping to hold additional fundraisers like this, so please watch the Citizen, Facebook page, and email blast for future events.

BOOK REVIEW

By Anita Thompson

Second Watch by J. A. Jance

I just finished another page-turner of a book by this author. It's about J. P. Beaumont. He is going into the hospital for bilateral knee replacement and is scared!! He and his wife are both detectives on a special homicide investigation task force, called S.H.I.T.(abbreviation), which everyone gets a kick out of. Post-op, while taking narcotics for pain management, he has very vivid dreams of things from his past. One is of a murder that was never solved, and another of his time in Vietnam when his lieutenant was killed, but his life was saved. The book is titled Second Watch because the murder occurred while he was working the evening shift, which is called second watch. The lieutenant was also killed on the Second Watch. These two dreams get him thinking about those two coincidences, and he decides to reopen a 30-year-old unsolved murder case, find the lieutenant's fiancée, and tell her what happened. There is a lot of action in the book. At the end of it was the story behind the book, then a novella about Beau and a partner who has since died. I highly recommend this book, and I'm beginning to think I'd recommend any book Jance has written.

WOODSHOP

The DVRC Woodshop is an excellently equipped woodshop and a great place to create wonderful wood projects. But now you can do even more!

A new engraving machine is available in the Dreamland Villa Woodshop! Projects can be done in person or projects can be requested to be made by the woodshop. But as we are in the summer months (until October 1), access is by appointment only on Monday - Thursday from 9:00 am - 11:30 am. Call Lenny Collier 480-540-0398.

If you are a wood aficionado and looking for something to do, we need a few volunteers to man the woodshop and to instruct persons using the equipment on all safety measures - and if wanted - help with machines. Again, contact Lenny Collier 480-540-0398.

AROUND THE VILLA

Year-Round Worker's Corner

By Megan Tackett

Do you find yourself having to dig through a heap of clothes to find a single pair of shorts, your flip-flops, or the other summer clothing in your bedroom closet to get ready for work? You may need some re-organizing to help out your closet. However, embarking on a full overhaul may take too many hours and could be better spent soaking up the Arizona sun in your backyard oasis after work, enjoying a beer. One of the simplest ways to create extra room is by clearing out anything you ei-

ther no longer want or won't need in the coming weeks. Put those items in a bag for donations to local agencies like Sunshine Acres. Take advantage of the top shelves, pick up some see-through containers, so when you put them up, you can still see what is in the containers. Spice up your closet by installing an LED wireless ceiling light so you can see your clothing more easily as you sort through your wardrobe. And lastly, room permitting, add a basket or 2 on the floor to store shoes, socks, or winter clothing, then you can swap them out from summer to winter clothes in the fall. Several houses in Dreamland are small, but with a little creativity, these space-saving ideas can be implemented. If you need help installing the light in the closet, call me at 480-297-1877, and my husband can do it for you. His name is Mike.

ACTS OF KINDNESS

Acts of Kindness Card Program

DVRC Social Committee would like your help in reaching out to those who have suffered a loss, are dealing with an illness, or recovering from a surgery.

There is a fill-out slip in the office where you can add a name and address of someone to whom we can send a card. Then place the slip of paper in the Acts of Kindness box. We promise to send a card if you let us know the need! Lastly, if you have any of the *Get Well* and *Sympathy* greeting cards that you're not using, we would gladly take them off your hands and put them to good use.

Thank you for your support.

AROUND THE VILLA / BOARD

By
Lewis (Lew) Hooser

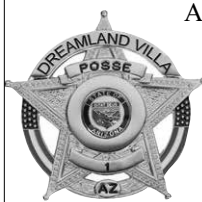

Is our Help Services monthly Dreamland Villa newspaper important to our communities? I know the board members and our president, Patty Thorpe, think so. It's our only news vehicle that is open to all board members to offer their insight to help make Help Services, our free lending operation, run smoothly in both communities. It also offers updates for new medical equipment, as well as personal items that folks need to have to help make their

day easier. The article also offers the address, phone number, and summer and winter store hours. This is proven to be helpful for new neighbors who want to donate medical equipment and personal items on where to drop them off. This has also been helpful for folks who are a little outside our two communities, where we are located, should they have medical devices that are in their way and need a home. Our president works very hard to improve Help Services day to day operations to create a user-friendly place where folks can stop in and instantly find answers to all their questions and concerns. We are still looking for younger folks who live in

Velda Rose Estates and Dreamland Villa. Please, stop in and sign up to become monitors and advance to our board of directors. Check us out at our web page, www.HelpServicesInc.org. Our phone number is 480-985-6021. The address is 5210 E. University Drive, Mesa, AZ 85205. Our hours are Monday, Wednesday, and Friday, 9:00 am to noon. For all you newbies to both our neighborhoods, our services are only available to Dreamland Villa & Velda Rose Estates residents. Now, from this newsboy and our president, Patty Thorpe, and the hard-working folks on the board, plus all the Monitors. "Have a great and safe September."

Posse Corner

By Joseph Favazzo

A Dream Come True at Dreamland Villa When Bob and Carol sold their snowy Midwestern home and moved to Dreamland Villa in sunny Mesa, Arizona, they thought they were retiring to slow down. But it didn't take long for them to realize that retirement at Dreamland wasn't about doing less—it was about doing more fun things than ever. On their first morning, Bob wandered into the community wood shop "just to look," and three hours later, he was covered in sawdust, grinning from ear to ear, building a birdhouse that somehow became a bench. Carol, meanwhile, discovered the Fused Glass studio and immediately signed up for a stained-glass class. "I thought I'd just make a suncatcher," she laughed. "Now our patio looks like a kaleidoscope!" Soon, their weekly calendar filled up faster than a bingo board. Monday meant shuffleboard tournaments—Bob's competitive streak came alive, and Carol became the unofficial cheerleader. Tuesdays were

for pottery, where Carol shaped bowls and mugs while Bob somehow managed to make a series of slightly lopsided gnomes that everyone insisted were charming. Wednesdays brought jewelry making, where Carol crafted beautiful beaded necklaces that she proudly wore to the Friday night concerts. And oh, those concerts! Every month, the community center came alive with live music, dancing, and laughter. Bob even learned to line dance—mostly by accident. All this activity might sound exhausting, but Dreamland Villa had its own security team—the legendary "Dreamland Villa Posse," a group of friendly volunteers who kept an eye on the neighborhood. Carol joked, "They're like guardian angels in Posse cars." One evening, as they sat by the pool watching the Arizona sunset, Carol smiled and said, "I think we're busier now than when we were working." Bob chuckled, raising a glass of iced tea. "But for the first time, we're doing everything we want to do." At Dreamland Villa, retirement wasn't an ending—it was a brand-new beginning filled with creativity, laughter, and a whole lot of shuffleboard. Find your peace in this safe and friendly community. DREAMLAND VILLA QUILTING CLUB

By Becky Lamson

This month's quilt photo is a quilt pieced by Faye Miller. The quilts we made are donated to one of our charities: Helen's Hope Chest, St Vincent De Paul, St Thomas, and the Veterans.

We're on our summer schedule for the quilt club, meeting on the 2nd and 4th Thursdays, 1:00 to 4:00 pm, at Read Hall, continuing through September. We work on special projects, piecing quilt tops, stitching borders onto the quilts, and we do a lot of socializing and eating homemade cookies.

You are always welcome to bring one of your projects to finish, or something for Show and Tell.

New members are always welcome. If you have questions, please give me a call at 480-202-7003 or email me at beckyNleslie@gmail.com.

Quilter's inspiration: "Anyone who works on a quilt, who devotes her time, energy, creativity, and passion to that art, learns to value the work of her hands. And as any quilter will tell you, a quilter's quilting friends are some of the dearest, most generous, and most supportive people she knows." — Jennifer Chiaverini

Dreamland Singles Club

By Lu Wald

Although we did not hold any meetings or our potluck in August, there really was a lot going on, keeping our members busy. We went to a Greek Restaurant for lunch and had dinner at JJ Madisons. We had a really good showing at Vito's for our fundraiser on the 4th. We were able to fit in several concerts, too! It's hard to believe that the first day of fall is just around the corner, but before you know it, it's Halloween!!

We kick off the month of September with our monthly potluck at 5:30 pm on the 1st; we'll play the video from our recent Desert Belle boat ride. We'll enjoy lunch at Morning Glory Brunchery on the 5th. Be sure to call either Terry or Karolyn if you're planning to go to lunch with us. It seems that Cornhole is catching on, so we hope to see you each Sunday afternoon inside Read Hall at 1:00 pm. The group will carpool to the Hale to see Anastasia on the 13th, and to Chandler Center for the Arts for the Ballet Under the Stars concert. On the 24th, we will gather at the Golden Gate Chinese Restaurant for dinner at 4:30 pm. We'll do a day-trip on the 26th to Out of Africa Wildlife Park near Camp Verde. Be sure to contact Kathie if you would like to go. Our Movie Monday will be on the 29th. If you signed up, we'll call you to let you know the date and time.

Our monthly meetings will be on the 2nd and 4th Wednesdays at 9:30 am in Read Hall. Feel free to attend a meeting or join us at our Potluck dinner on the first Monday of the month to learn more about our events and and/or becoming a member.

At our age we have used quite a few realtors and say without a question that Julie was one of the top ones. She knows the market and followed up on everything from the start to the finish. Dreamland Bowling League

By Cyndy Munday

Our summer league is a drop-in league, so there are no teams. We have weekly prizes, though, so it's a fun time for everyone. We are located on Broadway just east of Ellsworth on the north side of the road at East Mesa Bowl. We bowl every Tuesday at 1:00 pm with a

12:45 warm-up. Everyone is welcome.

We were happy to see Dan Griffiths return after being gone a month, traveling to some of our National Parks and celebrating his 98th birthday. Quite a milestone! Congrats, Dan, on such a full, long life. We are happy you are with us.

We are a nice, friendly group, and the bowling alley is installing new lanes and pins this year. They seem to pick a project each year to update, and it's nice knowing they are keeping things up.

Credit Card Safety Chips: How EMV Technology Protects Your Wallet

In today’s digital age, where financial transactions are increasingly vulnerable to cyber threats, credit card safety chips—also known as EMV chips—have become a frontline defense against fraud. These tiny embedded microprocessors are revolutionizing how we pay, offering enhanced security compared to traditional magnetic stripe cards.

What Is an EMV Chip?

EMV stands for Europay, Mastercard, and Visa—the three companies that originally developed the chip standard. Unlike magnetic stripes, which store static data, EMV chips generate a unique transaction code every time you use your card. This dynamic authentication makes it significantly harder for criminals to clone your card or intercept your information.

Key Features:

- Dynamic Data Encryption: Each transaction uses a one-time code.
- Tamper-Resistant Hardware: Chips are difficult to duplicate or alter.
- Global Standardization: Widely accepted across countries and payment systems.

How EMV Chips Work

When you insert your chip card into a payment terminal, the chip communicates with the terminal to verify your identity and approve the transaction. This process typically involves:

- Card Authentication: The chip proves it’s genuine.
 - Cardholder Verification: You may enter a PIN or sign.
 - Transaction Authorization: A unique code is generated and sent to the bank.
- Unlike swipe transactions, chip interactions are slower—but that’s the trade-off for added security.

Tips for Staying Safe with EMV Cards

- While EMV chips protect against in-person fraud, they don’t shield you from online threats. Here’s how to stay vigilant:
 - Use secure websites for online purchases (look for HTTPS).
 - Enable transaction alerts via your bank’s app.
 - Avoid public Wi-Fi when entering card details.
 - Monitor your statements for suspicious activity.
- Here is the September Class Schedule for the Sr. Techie Club. We meet on Wednesdays at 4:00 in Room 9, the computer room at Read Hall.
- September 3- Unlock Microsoft Word Shortcuts
 - September 10- Hidden Tips you should know for your pc or mac
 - September 17- Guest Speaker Chris Tucker Genealogy class
 - September 24- Never go Grocery shopping without your iPhone again.

FUSED GLASS

By Cyndy Munday

It has been a busy time in Fused Glass this summer. I know we’re all happy the summer is winding down, because the hot temps outside keep us all inside. At least we have an activity to keep us all interested and a place to go to be with others with the same interest.

In July, we had a fundraiser for Dreamland called Christmas in July. We turned in over \$300 to Dreamland and had a very good turnout. Our special thanks to Deb Warren and her husband, Dave, who worked tirelessly to make this event a success. It was a lot of fun and nice to see some folks who don’t get out much. By the way, the refreshments were excellent and everyone seemed to enjoy them too. Thanks again, Deb.

Fused glass projects are simply designs you cut from glass and fuse together with other colors or designs to produce your own work of art. It’s not nearly as complicated as it may sound, although it can be a bit intimidating at first, cutting up glass to make a new project. We’ll be happy to help you get started. Glass is for sale in the studio, and there is a small fusing fee.

Class is open Mondays, 9:30 am to Noon and 1:00 pm to 3:00 pm, and again in the evenings from 5:00-8:00 pm. We’re also in the shop on Wednesdays from 9:30 am to 3:00 pm. The only expense is for any glass you may purchase and a small firing fee.

Right now is a good time to work on those holiday projects. We welcome all and hope to see you soon.
