## PRESIDENT'S MESSAGE

By Pat Clark

Hello everyone! Welcome to February. As I write this article, we just had our annual meeting on January 10th, 2026.

We did not have the required quorum of 100 members at the start of the meeting in order to conduct official business. We started the meeting with 89 members present, so it was decided to turn it into a town hall/open forum. We introduced and asked questions of the three candidates for the board of directors.

The Bylaws state that the election date for board members will be the second Tuesday of February. That means this year's election shall be on Tuesday, February 10th, 2026. Polls will be open from 8:00 am to 7:00 pm. The polling place is Read Hall. Look for the signs directing you to the room

that will be used for voting.

For the last three years, we have been trying to repurpose one of the unused shuffleboard courts into a picnic/bbq Ramada. The major drawback is the different elevations of surfaces that will need to be made level. After some preliminary bids, we have learned it will cost less than the \$20,000 that we would have to get membership approval for, but I still wanted to make sure the desire to build it was there, so I asked for a show of hands at the meeting. The desire to finish the project was very strong among the members present, so we will continue the project after we receive and review a couple more bids.

I want to thank all of you that did attend the annual meeting. Though I was pretty nervous at the start, you all made the morning and the get-together very gratifying for me. Thank you!

This month's event is the annual trek to Organ Stop Pizza on February 19th. We meet there at 10:30 am. The cost is \$10.75. Please come into the office to sign up, or call the office at 480-832-

3461 and let them know you wish to attend. We need 100 people in order for this event to happen. If you've never attended this event, you're really missing out. They give us the history of the organ itself and demonstrate just how it incorporates the whole dining room as the workings of the organ. We also have a Pancake Breakfast scheduled on February 7th at Read Hall.

The Dreamland Villa Posse is in need of volunteer members. They are your volunteer security force that serves us in Dreamland. If you might be interested, please contact the office at 480-832-3461.

Lastly, we were informed that the invasive weed, Stinknet, is back on the nature trail. Not only is it a noxious and invasive species, it is highly flammable when it dries out. So if you live on the trail, please check the trail behind your homes, and look out for it to migrate into the neighborhood.

That's about it for this month. See you around the Villa!

## MEET THE BOARD OF DIRECTORS CANDIDATES

### Jeff Clapham

I would like to submit my notice of intent to run for a seat on the Board of Directors.

Within the community, I am a past Chair of the Nominations and Elections committee for the Board of Directors election and am a member of the Policy and Procedure committee. I am active with the Poker club and morning billiards

group, and also use the pools a great deal.

My wife and I have been snowbird residents/homeowners in the Villa for over 6 years. My ties to the Community stretch back to 1966, when the first members of my family moved to Dreamland Villa. My family has had nearly continuous residency here since that time. Because of these ties, my desire to see the Community prosper is strong.

I believe that the main objectives of the Board should be to maintain our 55+ status, maintain our assets, keep our dues as low as possible, and encourage participation by members in our various groups and activities.

Thank you for your consideration.

### John Pawloski

I would like to introduce myself to you. I am John Pawloski Sr., and Marge and I are originally from Western New York.

I enjoyed a very successful career in the construction field. I started as a Plumber and then Management. In 1978, I started my own Corporation until retirement in 1998.

I was also an active Volunteer Firefighter for 32 years because it was important to "give back" to my community.

In 2003, we moved to Dreamland Villa. In 2004 I joined the MCSO Posse at Dreamland Villa. After 12 years of service, I accomplished the office of Commander with the rank of Captain.

In 2013, I was appointed to the Board of Directors. I was voted Vice President and took over very briefly as President when John Matthews resigned. I was then elected for 2 more terms. In 2022, I was appointed to the Board but did not seek an elected term. In November of 2025, I was appointed to the Board.

Now I am asking for your vote in the 2026 Election. With my knowledge and experience, I believe that I can contribute to Dreamland Villa Retirement Community's future.

### Karolyn Grafton

My name is Karolyn Grafton. People here call me Karol with a K. I was a school teacher for 47 years in the Roosevelt School District. I taught students with special needs in grades 6-8, teaching them Reading, Writing, and Math. In my spare time, I worked at Circle K as a clerk and later as an assistant manager.

While going to school for my teaching degree, I worked at Motorola in the evenings.

I joined Dreamland Villa full-time after my husband passed away in 2022. I am the secretary of the Singles Club and the Quilting Club. I play Hand, Foot, and Toe cards two nights a week. I delivered the Citizen for 2 years until my back started giving me trouble. I volunteer for Pancake Breakfasts and other food ventures at DVRC, as well as in the office during Membership.

I love living in Dreamland Villa and would like to be a part of the decisions made for our community. That is why I am running for the board.

## Year-Round Worker's Corner

By Megan Tackett

The Working Senior \*Celebrating Active, Engaged, and Joyful Lives\*

Welcome to this month's edition of The Working Senior, where I try to spotlight fun, fulfilling ways to stay energized while balancing

work and life. Today's Dreamlanders are redefining what it means to age — staying active, creative, and connected while continuing to contribute their skills and experience in the workplace.

Whether you're working full-time, part-time, or somewhere in between, here are uplifting ideas to bring more joy into your days.

### Creative Corners: Hobbies That Inspire

Creativity is a powerful stress reliever and a wonderful way to unwind after a busy shift. Try exploring:

- Painting, sketching, or adult coloring
- Knitting, quilting, or crafting
- Photography or digital art
- Journaling, poetry, or storytelling

These activities keep the mind sharp and the spirit bright.

### Wellness on the Move

Staying active doesn't have to be strenuous. Gentle, enjoyable movement can make a world of difference.

- Morning or evening walks
- Stretching or chair yoga

- Gardening and plant care
  - Bird-watching at local parks
- A little fresh air goes a long way.

### Culture & Community –

- Add a spark of joy to your week with music, arts, and local events.
- Community concerts
- Dance classes like line dancing or ballroom
- Museum visits or theater nights

These outings are perfect for evenings or weekends.

### Stay Connected: Social Groups & Clubs

Meaningful connections enrich life at any age.

- Book clubs
- Faith-based gatherings
- Volunteer groups
- Travel or day-trip clubs

Social time boosts mood and builds community.

### Final Note

Working seniors bring wisdom, energy, and heart to everything they do. With the right mix of work, play, and connection, every week can feel meaningful and full of joy.

AROUND THE VILLA

MINGLE JINGLE

By Deb Warren

The Mingle Jingle Ugly Sweater Christmas Party was a lot of fun, thanks to all who helped pull it together. Our one regret was turning people down at the door. We have a lot of new faces and members in Dreamland, and we want everyone to enjoy the events. Even though the cut-off was for 80 people, we had a total of 89 at the Party. (Perhaps events will have to be at Farnsworth Hall if the attendance number is higher.) Through phone calls and waiting lists, every cancellation we took, we filled with another person. We want to thank everyone who notified us if they were unable to make it. Al Miller's music and karaoke kept everyone singing at the party. It went by so quickly. Bob Cox made a beautiful sleigh for all to take pictures in. (Please share pictures.) We made a total of \$620.00 after all expenses were accounted for. The gift Raffles brought in \$350, the 50/50 brought in \$170, and we had \$100 left over from the ticket sales. This money goes back into Dreamland to help keep it running. Thank you again, everyone.

Another special thank you to our local businesses, Old School Grub, Organ Stop Pizza, Marcos Pizza, Chase Nails, and Julie Rickli for donating gift cards.

Wayne Kunz Memorial

By Bea Westall

It is with sincere and heartfelt appreciation that I want to thank all the friends who attended the Memorial for Wayne Kunz on Thursday, January 9, at Read Hall. Thank you to those who organized the memorial, provided food and flowers, attended the celebration, shared memories, expressed their kind condolences, and kept us in their prayers for peace and comfort. Wayne truly enjoyed his time in Dreamland Villa playing cards, especially poker!, attending events, helping out wherever he could lend a hand, but he especially enjoyed the friends he made here. I'm sure many of you will miss him, as I certainly will, but please know that Wayne is no longer suffering and is now at complete peace. Thank you to everyone!

Book Club

By Anita Thompson

Our next book club meeting will be on February 12 at 3:00 pm at 6634 E El Paso St. We meet outside on the patio, so if it's cool, bring a jacket, water, or whatever you want to drink. We will be discussing 2 books. "Ask again, yes" by Mary Beth Keane and "Beneath a Scarlet Sky" by Mark Sullivan. We always have interesting discussions with some liking a book and others not so much. I have often found that if it was a book I didn't especially like, maybe someone else had a different opinion, and I could learn something from their point of view. Everyone is welcome.

# AROUND THE VILLA

By Lewis (Lew) Hooser

Linda and I have lived here in Dreamland Villa for twelve years. She and I are still monitors and love doing it. I have written the Help Services newsletter for a good share of that time. The beauty of what I’m saying is that it’s great to meet wonderful people. But at this point, we need new people to step forward to become monitors and eventually sit on the board of directors. As you all know, we loan out at no cost to you folks all kinds of medical devices to help you and your family members get through tough medical times. It’s the original plan; it’s what Help Service was built on fifty years ago. We want to thank everyone for your continuing support of Help Services. We hope to stay open as long as you need us.

This is a heads up, we have an election coming up. The election will be held in the first week of March 2026. We hope to see all the folks from Velda Rose Estates and Dreamland Villa Estates participating in this year’s election.

By the way, I was at a recent board meeting where we talked about various things that will improve the way we operate at Help Services. Part of that meeting was the wonderful response we are getting from our donation letter. We still have a way to go before they are all in, so please keep them coming. Thanks.

Check us out at our web page, [www.HelpServicesInc.org](http://www.HelpServicesInc.org). Our phone number is 480-985-6021. Again, our address is 5210 E. University Drive, Mesa, AZ 85205. Our services are only available to Dreamland Villa & Velda Rose Estates folks. From this newsboy, our president, Patty Thorpe, and all the folks on the board, have a great month!

## Minnesota Potluck

By Andrea Hill

Hello, fellow up-northerners. Actually, I haven’t lived in Minnesota since 1972. But I go back every summer to visit family and friends. A Viking has to go and enjoy the humidity and mosquitoes. It’s in our DNA. We’ve had three potlucks so far, and there are only two more chances to come and join the fun. February 12 and March 12. Mark your calendars.

We meet at Read Hall on the second Thursday of each month. Doors open at 5:15

pm, and we eat at 5:30 pm. Bring a dish (with food in it) to serve eight to ten people, your own plate, and eating utensils. You may bring your own drink if you like, but coffee and tea will be provided.

We’ll be reading Memes at the potluck. Here are examples. Sign at a paint store: “Husbands choosing paint colors must have a signed note from their wives.” And this: “Life is just a series of obstacles preventing you from taking a nap.”

### Acts of Kindness Card Program

DVRC Social Committee would like your help in reaching out to those who have suffered a loss, are dealing with an illness, or recovering from a surgery.

There is a fill-out slip in the office where you can add a name and address of someone to whom we can send a card. Then place the slip of paper in the Acts of Kindness box. We promise to send a card if you let us know the need! Lastly, if you have any of the *Get Well* and *Sympathy* greeting cards that you’re not using, we would gladly take them off your hands and put them to good use.

Thank you for your support.

## BOOK REVIEW

By Anita Thompson

Personal Librarian by Marie Benedict and Victoria Christopher Murray

This is a really good book written by a white woman and a black woman; they felt they needed to work together to adequately tell the story of Belle Da Costa Greene, a black woman who passed as white, because that was the only way she could accomplish the things she did. The book is historical fiction and starts in 1905 in Princeton, New Jersey. She is a librarian at Princeton University, Junius Morgan is the associate head librarian. His uncle is J.P. Morgan, and Junius has recommended that he interview Belle to be his personal librarian. Belles’ mother had declared in a census that they were white because she felt that was the only way her children would get ahead in life. Belle gets the job and becomes the purchaser of famous art and manuscripts for J.P. Morgan and the Pierpont Morgan Library. It details their relationship and how dependent he becomes on her, and their dealings with many other famous people they are in contact with. There’s a lot about her family and various relationships. Lots of twists and turns. It’s well written and very interesting. I hope someday there will really be equality for men and women and for all races.

Staying Safe in Dreamland Villa: What Residents Should Know  
Dreamland Villa residents should remain vigilant about home security as homeless populations continue to be present in East Mesa, particularly in areas near our community.

**The Local Situation**  
Mesa’s unsheltered homeless population decreased to 262 people in 2025, down from 309 in 2024. However, the total number seeking homelessness services has reached record highs due to rising rents and reduced federal funding. This means more individuals may be moving through our area seeking assistance or temporary shelter.

**Where Homeless Populations Gather in East Mesa**  
Residents should be aware of the following locations where homeless individuals are most commonly seen:

- Main Street corridor along the light rail route
- Pioneer Park and other public spaces
- Twin Knolls area, where encampments have been reported
- Canal systems and railroad tracks throughout the area

**Protecting Your Property**  
With increased foot traffic in these areas, residents should take precautions against theft and trespassing:

- Lock all doors, windows, and vehicles
- Install motion-sensor lighting around your property
- Secure outdoor items like bikes, tools, and lawn equipment
- Report suspicious activity immediately to MCSO: Emergencies: 911 · Non-Emergencies: (520) 568-3673
- Consider security cameras for added protection
- Keep garage doors closed, even during the day

**Community Resources**  
Mesa is working to address homelessness through expanded programs, including the Off the Streets Program and a new 84-bed medical center, which is set to open in early 2026. These efforts aim to reduce street homelessness and improve community safety.

If you witness trespassing or theft, contact Mesa Police immediately. For non-threatening concerns about homeless individuals in the area, you can also call 2-1-1 for resource referrals.

Stay alert, secure your property, and watch out for your neighbors. Together, we can keep Dreamland Villa safe.

ORGAN STOP PIZZA

By Lynda Leix

Our annual private party at Organ Stop Pizza will be on Thursday, February 19. We will meet in the Organ Stop parking lot at 10:30 am, and doors will open at 10:45. The charge is \$10.75, and payment will be made at the door. That gets us an all-you-can-eat pizza buffet, a prepared salad, and a wonderful musical program. The sign-up sheet is in the office, and as usual, we need at least 100 people to get this special program. The Organ Stop can hold about 300; wouldn't it be fun to push that? If you sign up, please show up. Organ Stop uses our sign-up sheet to guesstimate how much pizza to prepare and how many staff to have on hand. They offer a gluten-free option, which is a sub sandwich, and I have been told it is very good. If you require gluten-free, give me a call so I can alert them. You can reach me at 260-312-0882. Please call me if you have any questions.

ORGAN STOP PIZZA

Thursday, Feb. 19, 2026

If you have never been to Organ Stop Pizza, this is a great time to enjoy this unique restaurant. It offers a wonderful program of organ music and the organist explains how the organ works and a little of it's history.

Sign up sheet will be in the office the first week of January.

The cost for the class is \$20.00 and includes all materials (glass, glue, 8" x 11" frame, and grout) and tools to complete one masterpiece.

Please sign up (in the Fused Glass room) in advance, as classes are limited to 15 members.

Proceeds will support the Art Department and Wood Shop.

The picture is a partially done project by participants in the class.

# Desert Walkers

*By Pat Dinsmore*

Well, we closed out 2025 and brought in 2026. Wishing everyone prosperity and blessings in the new year. The Desert Walkers were pretty inactive in December, trying to work around the Christmas season. In January, we had newfound energy and again, working around the New Year's holiday, we met on the 2nd Thursday, January 8th, and walked the interesting Chaparral Park in Scottsdale.

That is such a nice park with paved paths, one of which is around a small lake, a couple of nice Ramadas, ball fields, a wonderful playground area, and a recessed "maze" area to just sit and reflect. We dodged a few raindrops, and then our morning was completed with a nice lunch at Randy's Restaurant in close proximity to the park.

Our second walk in January, on the 22nd, was at Tempe Town Lake, which is

a man-made lake fed by the Colorado River Via the Central Arizona Project. Being from Minnesota, the land of 10,000 lakes, I do find these man-made lakes very interesting. I love these various lakes and ponds in the metropolitan area. Arizona does a beautiful job with its recreation areas. Tempe Town Lake is a lovely area to just meander around the lake, enjoy watching people kayak, paddle boat, or just watch

people! There are several nice restaurants nearby, and we chose a nice restaurant for lunch.

In February, we will get back to doing our walking on the 1st and 3rd Thursday again, with plans to visit Phon D Sutton on February 5th, and on February 19th, we will walk the area of Papago Park. We meet at the west end of the Farnsworth Hall parking lot on University Avenue at 9:00 am to car-

pool to the site. Plan to pay your driver \$2-\$4, depending on the distance to the destination. Per usual, wear comfortable clothing and shoes, bring a walking stick if you'd prefer, as well as water and a little snack. I typically email a few days before each walk. If you would like to get on my email list, please email me at [pedinsmore@hotmail.com](mailto:pedinsmore@hotmail.com). We welcome new members. Hope to see you on the 5th of February.

# Dreamland Singles Club

*By Lu Wald*

As we all got through the holidays and are well into the new year, we're ready for all the wonderful activities that we are so privileged to enjoy in Dreamland and throughout all of Arizona....enjoy!

January was a bit more laid back when it

came to Singles Activities, with the exception of the Activities Fair and Open House, and it allowed us all recover from the busy schedules we had in December. But now comes February, and we're ready to get out and about again. We start the month with our potluck dinner on the 2nd at 5:30. Bring a dish to share and enjoy socializing with friends. On the following day, members will be heading to the Hale for a Patsy Cline concert/play. Our February dine-outs will start with lunch at French Toast on East Guadalupe Rd on the 6th. And thanks to our

member, Ana, stepping up to coordinate the Pancake Breakfast for our community, we'll all head to Read Hall on the 7th from 7:30 to 9:00 am. On the 14th, we will attend the Roy Orbison Concert at the Hale, and on the 17th, we're carpooling to the Queen Creek Olive Mill at 9:30 am. The community will meet at Organ Stop Pizza on the 19th at 10:30 for a fun lunch event. We're always ready to gather to share a meal, so our second dine-out will be dinner at Brooklyn V's on the 23rd. For anyone who likes rodeos, a group will gather and carpool to the Apache

Junction Rodeo on the 28th. Spending time in the sun is always welcome in February!

We hope, if you're reading this and you may be interested in joining us, that you will come to our potluck or the next meeting to find out what we're all about. Our meetings are always held on the 2nd and 4th Wednesdays at 9:30 am in Read Hall. Our calendars can be found at the office, on the Dreamland web page, as a link on the email blast, or by contacting us at [singles@dreamlandvilla.org](mailto:singles@dreamlandvilla.org). Have a very Happy Valentine's Day!

## Sr. Techies Computer Club

By Megan Tackett

Technology is everywhere today—on our phones, in our homes, at work, and even in our cars. For many people, especially seniors who didn't grow up with smartphones and apps, it can feel overwhelming. But here's the truth: technology isn't something to fear. It's something to explore, enjoy, and use to make life easier. You don't need to be an expert. You don't need to know every button. You just need curiosity, patience, and the willingness to try. It's easy to feel like technology is judging us or waiting for us to make a mistake. But tech isn't a test you can fail. It's simply a tool designed to help with everyday tasks. Technology changes fast, but that doesn't mean you have to. You can learn one small thing at a time. Small steps build big confidence. And every time you learn something new, you gain independence and peace of mind. Even young people ask for help with technology. No one knows everything. Asking questions isn't a sign of weakness—it's a sign of wisdom. A lot of fear around technology comes

from concerns about scams or privacy. The good news is that learning a few simple habits—like recognizing suspicious messages or using strong passwords—can keep you safe. Knowledge is empowering. The more you understand, the more confident you feel. Final Thought You don't have to be a "tech person" to thrive in today's digital world. You just need openness, patience, and the courage to try. Technology isn't replacing human connection—it's expanding it. And with every new skill you learn, you're proving that growth doesn't stop at any age. We meet at 4:00 pm in Room 9, the Computer Room. February Class Schedule: February 4th- Samsung tips and tricks – iPhone Tips and tricks February 11th- How to remove your Google email address from websites February 18th- Make a "God Mode" Folder on your laptop February 25th- How to make your laptop perform/run faster

## FUSED GLASS

By David Senke

Fused Glass just passed its 10th anniversary as an activity in Dreamland Villa. It was started in January of 2016 by David and Katie Senke and Cyn Munday. We were surprised by the response from members. There were adults from 55 to 90 years old who showed up to try this new art form. The

class has been a great place for members to learn a new craft and also meet and interact with other members. The shop/studio for Fused Glass is open many hours each week and is well attended. Stop in any time the shop/studio is open to check out all the creative things members are making. There

is always a monitor available to show you around and introduce you to the process. Shop/studio hours are: Monday and Wednesday, 9:30 am to Noon, and 1:00 pm to 3:00 pm. We are also here on Monday nights from 5:00 pm to 8:00 pm. The pictures are pieces made by members.

## WET PAINT

The art room is a great place to hold a craft program, an art class, or a special project event. I would like to welcome ideas for using this room more often. All mornings are open and some afternoons. Saturday is available for something fun too.

WEDNESDAY AFTERNOONS – OPEN PAINTING. NO COST. 1:00 pm – 3:30 pm- Continuing Wednesdays. No instructions, just paint or work on a craft project, and join the fellowship of others who like to be creative. You will need all your own supplies. Please let me know in advance if you plan to attend. Alicia at [aliciamshort01@gmail.com](mailto:aliciamshort01@gmail.com).

TUESDAY AFTERNOONS – NEEDLE WORKERS NO COST. 1:00 pm – 3:30 pm- For those who enjoy knitting, crocheting, and embroidery work and would like to “play” together, we meet at 1:00 pm. No instructions will be given, but it is a time to get inspired, meet new people, and enjoy your projects. Contact Cathy Kane with questions and to indicate your interest. [Cathykane57@gmail.com](mailto:Cathykane57@gmail.com).

PAINTED PAPER WORKSHOP -NEW DATE SATURDAY, FEBRUARY 7 – 9:00 am- 3:00 pm. Cost is \$35 for materials and supplies. Limited to 10 people. Payment is needed to guarantee your spot. Deadline January 30th. Create a fun piece of artwork using paints and paper... no artistic talent needed. If you can color a coloring book page, you can do this. You will cut or tear paper to apply to a canvas to create a fun piece. A desert scene using your choice of papers and colors similar to the example will be completed. Bring a lunch or go out for lunch. The photo is not the exact art we will do, but something similar.

POTENTIAL SATURDAY MORNING CRAFT WORKSHOPS - 10 am – Noon I would be interested to see if anyone would like to meet on Saturday mornings, 10:00 am to noon, for a craft project using papers, air-dry clay, a collage painting with papers, perhaps other things. Please contact me at the email address below with your interest and possible ideas. The cost of materials would be needed. Alicia

We are looking for leaders for more crafts and art classes or get-togethers in the art room. For open days and times, contact Alicia. Contact Alicia at [aliciamshort01@gmail.com](mailto:aliciamshort01@gmail.com) with ideas, suggestions, or interest in our classes.

## Dreamland Villa Quilting Club

By Becky Lamson

Our photo this month is of Johnnell Bitterman with her Christmas quilt. It is lovely and will give her a lovely wall quilt to enjoy for many years.

At our first meeting in January, we had an election of officers. All our officers from 2025 were elected for another term: Becky Lamson, President, Faye Miller, Vice President, Karolyn Grafton, Secretary, Cheryl Clough, Treasurer, and Judy Ray, Member at Large.

We are on our winter schedule, meeting each week on Thursdays from 1:00 to 4:00 pm, at Read Hall.

We continue to work on special projects, piecing quilt tops, stitching borders onto the quilts, and we do a lot of socializing. The quilts we made are donated to Helen's Hope Chest, St Vincent De Paul, The Veterans, and St Luke's. You are always welcome to bring one of your projects to finish. Show and Tell is always welcome.

New members are always welcome. If you have questions, please give me a call at 480-202-7003 or email me at [beckyNleslie@gmail.com](mailto:beckyNleslie@gmail.com).
