## PRESIDENT'S MESSAGE

By Pat Clark

Hello everyone! I can't believe it's already May. Most of our Winter residents have returned to their summer residences. Hope you all have a great summer, and we will see you in a few months. If you were still here in April, you may have attended the Italian pasta dinner we had on the 25th.

As I write this article, we just had the April Study Session. Because the future fate of our beloved swimming pools was on the agenda, I had invited the members to come and make their voices heard. For many of you, that was your first time at a study session. I like to run them with as much member input as I can. I do try to allow as many as want to speak. This is your club. The board serves you to the best of their abilities, and we need your input. I apologize for allowing a couple of members to dominate some of the discussion. I also apologize for not controlling my own board members on occasion. We will have more study session discussions on the pools, and the main issue, which is the cost to heat them in the winter, and projected future costs for maintenance and repairs will be discussed. I hope to get an ad-hoc committee together to look at all of the operating costs at both pools, and to determine

a fair fee for a proposed swimming pool club, which would cost extra to belong to.

I received a request from those who stock the kitchen pantry to please refrain from bringing in unsolicited items. It has caused an overstock of certain items. If you wish to donate things to the pantry, please check the shopping list that is on the side of the refrigerator.

One final thing. I know it is human nature for many to gossip about others. We talk to each other about our friends and acquaintances. We hear things from someone about someone, and we ask our friends if what they heard is true. Most of the gossip is relatively harmless. However, when it starts spreading false rumors, gets malicious, or violates someone's confidentiality, that crosses a line. I have been receiving some reports of some gossip and rumors that have crossed that line. This must stop now! We are all supposed to be adults, not schoolyard children. We should all reflect on the Golden Rule. I'll leave you with an old adage I heard at a young age. "Even a fish could stay out of trouble if it would just learn to keep its mouth shut". Please, folks, let's be better towards each other.

That's it for this month, see you year-round residents around the Villa!

### Richard Leix

Dreamland Villa Posse - Volunteer Patrol Member

"End of watch. Final shift complete."

It is with deep gratitude and heavy hearts that the Dreamland Villa community announces that our dear friend and fellow volunteer, Richard Leix, has completed his final shift. Richard served this community with quiet dedication and unwavering commitment -- a true guardian who asked for nothing in return.

As a proud member of the Dreamland Villa Posse, Richard patrolled our neighborhoods faithfully -- watchful eyes on every street, every home, every familiar face. He kept vigil over the homes of neighbors away on vacation, ensuring each one was safe and looked after as though it were his own. But Richard brought more than vigilance to his post. He brought warmth. A friendly smile, a kind word, a moment of genuine conversation -- these were the hallmarks of a man who understood that protecting a community means more than watching over its property. It means caring for its people.

He did not wear a badge for recognition. He showed up because he believed in the value of this place and the neighbors who call it home. That kind of service -- voluntary, humble, and steady -- is a rare and precious gift.

Richard, you have signed off for the last time. Your post is at rest. The neighborhoods you walked, the streets you kept safe, and the neighbors whose lives you touched will carry your memory forward. You will be deeply missed.

Richard -- thank you for your service. Thank you for your heart.  
Godspeed, sir.

## MOSAIC GLASS

By David Senke

The Mosaic Glass classes were done to bring another group of members together on a Saturday morning to be creative.

All money raised from the classes was divided among the Wood Shop, Art Department,

Lapidary, Fused Glass, and the office. The Art Department gave their \$150.00 to the office to be put in the Hardship Fund. I'm not sure if that was because a few members could not afford to join this year.

Different member volunteers ran each Mosaic Class. Mary Sable and Renae Jones ran the March 7th class. Thank you, ladies. Special thanks to Don Goodroe for his help grouting the finished pieces.

I think everyone who attended had a great time. Pictured are some of the pieces done at the March 7th class.

## Posse Corner

By Joe Favazzo

Keeping Dreamland Villa Clean, Safe, and Beautiful This Spring

While many across the country brace for tornado season, hurricanes, and relentless rain, we here in Arizona are preparing for something equally demanding — the warm, dry season that is rapidly approaching.

You've heard the old saying, "April showers bring May flowers." In Arizona, those showers may be rare, but nature still finds a way. The desert blooms, the weeds surge, and growth seems to appear overnight — especially in places we don't always think about. Places like our alleyways.

Every spring, our alleys become overgrown with brush, weeds, and dense vegetation. What starts as a minor nuisance quickly becomes a serious community concern. Overgrown alleys prevent our dedicated Posse members, police, and Sheriff's deputies from patrolling and keeping a watchful eye on our neighborhood. Clear alleys aren't just about appearances — they are essential to our safety and security.

When neglected, these spaces become something far more troubling. Thick brush and debris create ideal hiding spots for rats, snakes, coyotes, and other unwanted wildlife. But the most dangerous residents of an overgrown alley are often human. Homeless individuals, drug users, and those deliberately avoiding law enforcement are drawn to these hidden, neglected corridors. Others use them as dumping grounds for mattresses, boxes, clothing, and garbage — attracting even more pests and creating public health hazards.

The good news? This is entirely preventable — and it starts with each of us taking responsibility for the alley bordering our property.

If the work feels overwhelming or you are physically unable to manage it yourself, help is available. Reach out to a local landscaper, or contact the Dreamland Villa Posse or community office for guidance and resources.

Keeping our alleys clear is about so much more than tidiness. It protects our home values, deters crime, and preserves the beauty and character that make Dreamland Villa such a special place to live.

After all, that's why we chose this community — for its safety, its warmth, and its pride of ownership. Let's keep it that way.

# AROUND THE VILLA

By Lewis (Lew) Hooser

Update! For some time now, Help Services has been working on an expansion program to open our doors to other communities. For the record, this decision will not be taken lightly.

It has been a three-year ongoing project, exploring the feasibility of having additional communities working side by side with Help Services.

Under President Patty Thorpe's leadership, these questions have been worked out thoroughly and completely. We hope that at some point, we can bring Casa De Paz on board.

As many of you know, Casa De Paz is a small resort community consisting of 130 homes and one small apartment

building within the park.

For some of you folks that may not know where Casa De Paz is located, it's in the southwest corner of the Dreamland Villa area. The main entrance to Casa De Paz is on Higley and close to Main. I would like to add that all the board members are very excited about the possibility of this community being a part of our service area. The board believes that when this may happen, this absorption would be a win for both Velda Rose Estates and Dreamland Villa. It will hopefully offer exciting new, fresh ideas to improve our overall day-to-day operation and service to all three communities. Patty Thorpe and I will keep all of our readers updated as we move closer to working with the Casa De Paz folks.

Our hours of operation are Monday, Wednesday, Friday, and Saturday, 9:00 am to Noon. Check us out on our webpage at [www.HelpServicesInc.org](http://www.HelpServicesInc.org). That's it for this newsboy, and our President, Patty Thorpe.

## BOOK REVIEW

By Anita Thompson

### The Tattooist of Auschwitz by Heather Morris

This is a heart-wrenching story about real people, Lale and Gita. They were both from Slovakia and ended up prisoners at Auschwitz. Lale becomes the tattooist, which, because he is a very smart person, earns him some security and some perks. He vows that when he gets there, he will survive. Gita is a girl he tattoos, and out of the thousands or more, she is the one he immediately has an attraction to. There are so many terrible tales of how the SS treated prisoners; there are also incredible acts of bravery and compassion. It's a book everyone should read so we don't forget the awful things people have done to others in the past. Lale always has hope and believes that he and Gita will survive and be able to eventually be together and build a life outside of the prison as free people. I didn't realize at first that it was about real people, and this is a story of love and survival. It was a fast read and very well written. I enjoyed it a lot and am thankful it was chosen for our book club.

## Memory Brick Garden

By Cyndy Munday

Although we do not advertise much, it is nice to know we do have a Memory Garden here at Dreamland Villa. Bricks are \$60.00 each. There is an order form in the office and on our Dreamland Villa website for your convenience.

Our memory garden began back in 2015 as a fundraiser and a means to honor our loved ones. Some of us even had bricks made just to help with the fundraiser.

Take a look when you get a chance, and you may find a name you are familiar with from all our residents.

The singles group just purchased a brick in honor of Lois DeLong, a long-time resident and proponent of Dreamland Villa. Lois was active in Singles, golfing, bowling, and many other facets. We will miss her. She was 97 years young!

Please let us know if we can be of any assistance to you.

## DREAMLAND VILLA SINGLES CLUB

By Lu Wald

As it seems the "Summer Heat" has snuck in the back door a bit earlier than we like, we hope it means that May and June will have an even nicer surprise!! In May, the Singles Club will still be gathering for lots of activities, starting with our lunch dine-out at Riga Toni's on the 1st. And on the 2nd, we'll carpool to the Hale for a Broadway Nights concert, followed by the Chandler Symphony Concert on the 3rd. On the 4th, we'll enjoy our monthly potluck dinner at 5:30 at Read Hall. We'll be heading to a nice, cool movie theater on the 12th for the movie Sheep Detective. Contact Ruth for more information. On the 18th, we'll head to PF Chang's Restaurant for our monthly dine-out at 4:30. If you've never been there, you'll truly enjoy a day at the Musical Instrument Museum on May 20th, and since we'll be carpooling, be sure to sign up to join us. On the 23rd,

our group will head to the Hale for another concert, Yacht Rock, at 3:00 pm. On the 29th, we'll carpool to Canyon Lake for a midday ride on the Dolly Steamboat, and after, we'll head up for a nice lunch at Tortilla Flats. On the 31st, we'll carpool to the Arizona Theater Company for the play, Dracula, A Comedy of Terror. Contact Ruth for more information. It sounds like a nice variety of fun things to do this month, so come join us.

Also, join us at our monthly meetings on the 2nd and 4th Wednesdays each month, as well as the monthly potluck dinner on the 1st Monday at 5:30 pm. Our calendars are always attached to the e-mail blast sent out each week. They are also found on the Dreamlandvilla.org web page, at the office, and on the bulletin board in Read Hall; note that page two will have more contact information. Remember your loved ones on Memorial Day, especially those who have served in our military.

## Dreamland Villa Quilting Club

By Becky Lamson

Our photo this month is a lovely lap quilt made by one of our members. It will make the recipient very happy and warm

At our Meeting on April 9, we had our annual spring luncheon at Olive Garden. It was well attended, and good food and conversation were enjoyed by all.

We are on our winter schedule, meeting each week on Thursdays, 1:00 to 4:00 pm, at Read Hall.

We continue to work on special projects, piecing quilt tops, stitching borders onto the quilts, and eating cookies. You are always welcome to bring one of your projects to finish or something for Show and Tell.

New members are always welcome. If you have questions, please give me a call at 480-202-7003 or email me at beckyNleslie@gmail.com. Quilter's quote: "One yard of fabric, like one cookie, is never enough!"

## FUSED GLASS CLASS

By David Senke

Fused Glass has been so well attended that we almost needed a bigger room. The summer months are coming, and attendance is down to about 8 to 10 members attending class. Cyn Munday lives here year-round and keeps the door open for members during the summer.

This is a unique art form and not too hard to learn. Members are encouraged to stop in anytime the Shop/Studio is open to tour the room and learn the process of making Fused Glass.

The Shop/Studio hours are: Mondays and Wednesdays from 9:30 am to Noon and 1:00 pm to 3:00 pm. We also have a night class on Monday from 5:00 pm to 8:00 pm.

The pictures are of pieces made in class by DVRC members.

## Dreamland Bowling League

By Cyndy Munday

Beginning on April 14th, we will start bowling as a "drop-in" league. Each person is on their own, but there are weekly prizes. East Mesa Bowling is located at 9600 E Broadway, just east of Ellsworth. Our snowbirds leave, and we gain some other summer bowlers. It's always good to see them again.

Our last day of winter league bowling was topped off with a "fun" day of bowling 9-pin no tap, along with our potluck and prizes for the season. Again, Linda Herreman stepped up to help our league with our luncheon and awards ceremony. Thanks again so very much, Linda, for all you do to help our league.

## Sr. Tech Class for May 2026

By Megan Tackett

Senior Communication in a Digital World: Staying Connected, Confident, and In Control

In today's fastmoving digital world, communication has changed more in the last decade than in the previous fifty. Yet one truth remains: people still want to stay connected, informed, and part of the conversation. For seniors, the challenge isn't ability — it's navigating a landscape that wasn't built with them in mind. The good news is that modern tools are finally catching up to real human needs.

The Heart of Communication Hasn't Changed

Whether it's a phone call, a text, or a video chat, the goal is the same: staying close to the people who matter. Seniors today are using digital tools to:

- Keep up with family across the country
  - Coordinate medical appointments
  - Share photos and memories
  - Participate in community groups
  - Learn new skills and hobbies
- The technology may be new, but the purpose is timeless. Our classes are on Wednesdays at 4:00 pm in the Computer Room.

### MAY CLASS SCHEDULE

- May 6 – Windows Key +H for our computers
- May 13 – Finger Print unlock on Androids
- May 20 – Chris Tucker Genealogy Club
- May 27 – How to turn off pesky Gmail changes on our computers

## WET PAINT

The art room is a great place to hold a craft program, an art class, or a special project event. I would like to welcome ideas for using this room more often. All mornings are open and some afternoons. Saturday is available for something fun too.

**WEDNESDAY AFTERNOONS – OPEN PAINTING. NO COST. 1:00 pm – 3:30 pm-** Continuing Wednesdays. No instructions, just paint or work on a craft project, and join the fellowship of others who like to be creative. You will need all your own supplies. Please let me know in advance if you plan to attend. Alicia at [aliciamshort01@gmail.com](mailto:aliciamshort01@gmail.com).

**TUESDAY AFTERNOONS – NEEDLE WORKERS- NO COST. 1:00 pm – 3:30 pm-** For those who enjoy knitting, crocheting, and embroidery work, and would like to “play” together, we meet at 1:00 pm. No instructions will be given, but it is a time to get inspired, meet new people, and enjoy your projects. Contact Cathy Kane with questions and to indicate your interest. [Cathykane57@gmail.com](mailto:Cathykane57@gmail.com).

**POTENTIAL SATURDAY MORNING CRAFT WORKSHOPS - 10:00 am – noon.** I would be interested to see if anyone would like to meet on Saturday mornings for a craft project using papers, air-dry clay, or doing a collage painting with papers, perhaps other things. Please contact me at the email address below with your interest and possible ideas. The cost of materials would be needed.
