PRESIDENT'S MESSAGE

By Pat Clark

Hello, everybody. Year-round residents have made it through another summer. October is here, and the DVRC "season" is about to begin. It's time to welcome our winter residents back for the season.

We have a few things going on during October.

On Thursday, October 15th, the neighborhood code compliance committee is going to have a town hall at Read Hall, starting at 5:30 pm. They have arranged for our Maricopa County Board of Supervisors representative for our area, Thomas Galvin, to make a presentation and take questions from his constituents concerning county code issues.

We are hosting a New Residents Potluck on October 23rd. It is a Halloween-themed event, so costumes

are encouraged. Noon till 2:30 pm at Read Hall.

There will be a Pancake breakfast on Saturday, the 17th, at Read Hall, 7:30-9:00 am. Donations are greatly appreciated.

On Saturday, October 24th, there will be a Germanfest at Read Hall, from 4:30 pm-7:00 pm. The menu is roast pork, German potato salad, sauerkraut, green beans, and Black Forest cake. Tickets are \$15 for members, \$20 for non-members.

The DVRC board of directors starts out the season on October 6th, when we have our first study session of the season.

We are going to start discussions on changing some bylaws. Some of these will require a special membership meeting to have the membership vote on before the regular meeting that is usually held in January.

That special meeting would have to be in November or December, at the latest.

Dues increases will have to be decided by November.

I hate to be the bearer of bad news, but we are going to have to raise the dues considerably in order to survive. Every single cost of operating expense has risen considerably. We are going to have to cash in some CDs just to get through the remainder of 2026. We are an aging club, and everything is getting old and breaking down. We have had to replace multiple A/C units already, plus a section of the roof got replaced. Our insurance is up to 5 figures per quarter, and the costs to operate the pools and hot tubs are outrageous. Our operating expenses are averaging just over \$40,000 per month. We cannot survive much

longer unless we gain members. Or everyone is willing to pay more. The board can only raise the dues 10% without getting membership approval. That's only \$27 a year more than you are paying now. What we need is a \$10 per MONTH raise. But the last few years, the members have not been happy with the \$10 per YEAR that has been decided on.

It's up to you, folks. If you aren't willing to keep DVRC in business so we can not only maintain the activities and amenities you expect, but also maintain your senior overlay, we will lose it all. I cannot make myself clearer: it is time for every single resident of the Dreamland Villa subdivision to decide the future of your neighborhood. If the club is forced to go out of business, you will lose your 55+ protections. This is not a threat. It is the cold, hard truth.

Welcome to Dreamland Villa!

By Cyndy Munday

Our Welcome Committee would like to say welcome to those of you who have recently moved here to Dreamland. We sincerely hope you will take some time to get to know the area and the community here in the East Valley. We will hold our first welcoming social hour on Saturday, October 3rd at 10:00 am in Read Hall.

Our office is located at 320 N. 55th Pl on the corner of University and 55th Pl. Our office staff is able to offer you a tour of the campus. We have 2 pools, a hot tub, card rooms, billiards, an exercise room, and the list goes on... While you are there, you could pick up a copy of the latest Citizen newspaper. The Citizen is one way we have to communicate with the community. You can always ask the office staff to be put on the "blast" – an email that shares info as well.

Mark your calendar for Saturday, November 7th at 10:00 am at Read Hall for another social gathering of new residents. The welcoming committee will be there to share some information with you and hopefully answer any questions you may have, besides getting to know each other a little bit.

We are always happy to meet you and hope you will not hesitate to call with any questions you may have regarding Dreamland Villa. We genuinely hope you will come join us!

Acts of Kindness Card Program

DVRC Social Committee would like your help in reaching out to those who have suffered a loss, are dealing with an illness, or recovering from a surgery.

There is a fill-out slip in the office where you can add a name and address of someone to whom we can send a card. Then place the slip of paper in the Acts of Kindness box. We promise to send a card if you let us know the need! Lastly, if you have any of the *Get Well* and *Sympathy* greeting cards that you're not using, we would gladly take them off your hands and put them to good use.

Thank you for your support.

We Love Our Pools!

By Kris Barber

It was August 25th. There was a full moon. I was swimming under the stars in the lighted pool, and felt like I was at an expensive resort. We had recently planned a trip to see some national parks in southern Utah, and it suddenly hit me that our pool looked very much like the website photos of some of the hotels we had looked at. It also occurred to me that the price for one night's stay at those hotels was almost as much as our Dreamland Villa dues for ONE YEAR. What a great deal!

I've polled fellow pool users in the last couple of weeks, asking them why they use the pool. "It's good exercise". "It's relaxing". "It's so peaceful." "I love my pool buddies. I've met some really nice people at the pool." "When I'm in the pool, nothing hurts." "I can't walk like I used to, because I have vertigo. In the pool I can walk and not be afraid of falling." "When it's hot, the pool is so cooling." "I wish I knew how to swim, but I can still exercise using a pool noodle." "I've always wanted to come to an end over the winter in order to save heating costs. However, we will enjoy swimming at a variety of times during the day, or use the Read Hall pools."

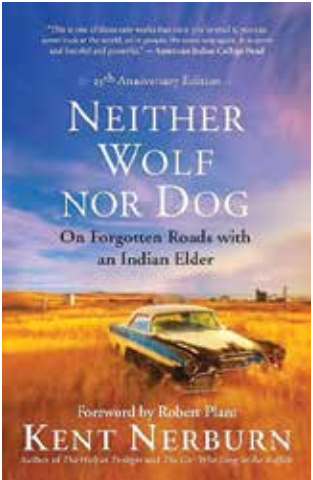

We usually swim at Farnsworth pool, and we have never found it to be crowded. We encourage other residents to come and join us. I know many people (especially women) are bashful about being seen in a swimsuit. That is one of the benefits of an over-55 community pool-- it's no beauty contest! Our night swims are probably going to come to an end over the winter in order to save heating costs. However, we will enjoy swimming at a variety of times during the day, or use the Read Hall pools.

BOOK REVIEW

By Anita Thompson

Neither Wolf nor Dog by Kent Nerburn

This book tells us the story of two men, one white and one Indian, locked in their own understandings, yet struggling to find a common voice. The author draws us deep into the world of a Native American elder named Dan, who leads Kent through Indian towns and down forgotten roads that swirl with the memories of the Ghost Dance and Sitting Bull. Along the way, we meet a vivid cast of characters, ranging from Jumbo, a 400-pound mechanic, to Annie, an eighty-year-old Lakota woman living in a log cabin with no running water.

Dan shares his thoughts about being an Indian. Sitting Bull was a great chief. He wouldn't sign the treaties that he couldn't read or understand. He didn't trust the white man. Because he wouldn't sign, the Indian police shot him in the head. He didn't hate the white man; he loved the Indian people. The agency Indians were worthless; they were neither red warriors nor white farmers. They were neither wolf nor dog, and because we listened to the white man, now we are neither wolf nor dog. Dan believed that the name Indian was a lie; they were only called that because Columbus thought he had reached the East Indies.

If you want to look at the relationships between Indians and us from a different perspective, you should definitely read this book. Very interesting and very enlightening. I read it in one day on a plane ride home from Rome.

Looking for a Rewarding Way to Give Back? The Dreamland Villa Posse Needs You!

Have you ever wondered how you could make a real difference right here in Dreamland Villa? Maybe you've thought about volunteering but weren't sure where to start. If you enjoy meeting people, staying active, and helping keep our community safe, the Dreamland Villa Posse may be exactly what you're looking for.

The Posse isn't about high-speed chases or dangerous situations. Instead, it's about neighbors helping neighbors. Volunteers spend a few enjoyable hours driving through the community in clearly marked patrol vehicles, serving as the "eyes and ears" of local law enforcement. Along the way, you'll wave to residents, make new friends, check on vacant homes while neighbors are away on vacation, and report anything that seems out of place. It's a relaxed, rewarding way to serve the community while enjoying the neighborhoods we all call home.

Because Dreamland Villa is a 55+ unincorporated Maricopa County "island," the Posse plays an important role in helping provide an extra layer of awareness and security. Simply being visible throughout the neighborhood helps deter crime and gives residents added peace of mind.

Joining is easy! You can register through the Dreamland Villa Volunteer Portal, send an email expressing your interest to volunteer@dreamlandvilla.org, or stop by the Dreamland Villa Business Office at 320 N. 55th Place to pick up an application. Whether you have a few hours each month or more time to give, every volunteer makes a difference.

Not ready to volunteer? You can still support the Posse through a tax-deductible donation. As a registered 501(c)(3) nonprofit organization, the Posse relies entirely on the generosity of residents and local businesses to keep its vehicles fueled, maintained, and equipped. Donations also help provide uniforms, communication equipment, and other essential supplies that allow volunteers to continue serving our community.

Donations may be mailed to Dreamland Villa Posse, 320 N. 55th Pl., Building B, Room 3, Mesa, AZ 85205, or dropped off at the Dreamland Villa Business Office. Residents using the popular Vacation Watch Service often choose to include a voluntary donation with their request.

Whether you volunteer your time, donate, or simply spread the word, you're helping keep Dreamland Villa the friendly, safe community we all treasure.

For questions, contact Commander Andrea Morroni at 602-877-8489. We care about your safety!

MEMORY GARDEN

By Cyn Munday

The winter visitors are coming back to Dreamland. Our Memory Brick Garden looks so nice, and we are so pleased with how it enhances our grounds here at Dreamland Villa.

Our hope is to encourage you all to come and have a look at our little Memory Garden and perhaps remember a loved one or special time that could be shared with others. It is so nice to share with folks the stories behind the bricks they have ordered. The bricks are another way to share those cherished memories and fun times.

This is a wonderful way to be a part of the community and to show your support. To have your name or a loved one's name fixed in place, perhaps along with a little picture of some symbol relating especially to you.

The bricks are etched and then filled with an epoxy that stands the test of time. The order forms are available at the front desk in the office or online on our community website www.dreamlandvilla.org. Please don't hesitate to call the office should you have any questions regarding the bricks.

A sincere thank you from the Memory Brick Committee!

Bunco

Bunco is starting up again on Tuesday, November 10th at 6:00 pm in Read Hall. We also play on the last Wednesday of each month. Play is \$3 per person, which is used for the game prizes. Every player goes home a winner. Bunco is open to all DVRC members. Come join us for some fun!

By Lewis (Lew) Hooser

I don't think I have to remind you how this past summer has been; it was hot and still a little warm even now. It's been a barn burner this year in Minnesota as well. My wife and I are still in Minnesota until the 3rd of October, but we are both looking forward to returning to our home in Dreamland Villa, where the living is easy, and our great friends are numerous. We have had a great summer up here in flyover land with all the visiting and get-togethers; it's what summer is all about, at least for my wife and me.

Our president, Patty Thorpe, board members, and all our great monitors are pleased to welcome all the newcomers to either Dreamland Villa or Velda Rose Estates.

As a heads-up for all of you who have just joined our two great communities, you may or may not know that here at Help Services, we have medical equipment available to you free of charge as long as you are living in either community.

Here's a short list of what we offer: hospital beds, commodes, toilet risers (with and without handrails), knee-walkers that fold, canes of all different kinds (some quads, some folding, etc.), crutches, C-walkers, Gliders, wheelchairs, beds, and exercise cycles. Plus, adult incontinence items if needed.

Thanks to all who have stopped by to just donate; we really appreciate you for helping out. It's the only way we can keep the doors open to keep helping all you good folks.

Our hours have changed back to our regular winter hours. Monday, Wednesday, Friday, and Saturday, 9:00 am to Noon.

Check us out on our new webpage at www.HelpServicesInc.org. Stay cool, and of course, until next time, good day!

Fused Glass

By Cyndy Munday

The summer is over (will someone please tell the weatherman), and the cooler temps will be bringing along the snowbirds. We will be happy to see them all again. The class fills up in the wintertime, so now is a good time to come in and try it out if you have any interest in learning a new form of art. There is no fee for the class, and the only expense is for the glass you purchase and a small fusing fee.

We like to show off some of our artists' projects. This month we are showcasing an apple tree by Tammy, and Lisa made a field of wildflowers mounted on a cutting board. Jeanette made a festive dish featuring a chili pepper. We love their ideas and projects.

Fused glass projects are simply designs you cut from glass and fuse together with other colors or designs to produce your own work of art. It's not nearly as complicated as it may sound, although it can be a bit intimidating at first cutting up glass to make a new project. We'll be happy to help you with getting started.

Class is open Mondays 9:30 am to Noon and 1:00 pm to 3:00 pm, and again in the evenings from 5:00 pm to 8:00 pm. On Wednesdays, we're open from 9:30 am to 3:00 pm.

Right now is a good time to work on those holiday projects. We welcome all and hope to see you soon.

Art Room Schedule

We will be open every WEDNESDAY from 1:00 pm – 3:00 pm

Except for the following dates:

September 30, November 25, December 23, December 30, 2026

The room will host OPEN PAINTING

Bring your own paints, materials, etc., and enjoy the company of other artists.

We welcome everyone to join us!

Our photo this month is one of our project quilts pieced by our quilt club members from a kit donated by Betty Sharpy.

October is the month we return to our fall/winter meeting schedule. We will be meeting weekly on Thursdays, 1:00 to 4:00 pm at Read Hall.

We continue to work on special projects, piecing quilt tops, stitching borders onto the quilts, and doing a lot of socializing. You are always welcome to bring one of your projects to finish or something for Show and Tell.

New members are always welcome. If you have questions, please give me a call at 480-202-7003 or email me at beckyNleslie@gmail.com.

Dreamland Bowling League

It's amazing how quickly the summer slips by. Here we are in the fall, and we'll be starting winter league soon. It will be nice to see everyone again. We've man-

This is the last month we meet on Tuesday at 1:00 pm at East Mesa Bowling, located just east of Ellsworth at 9600 E Broadway. We do not bowl as teams in the summer. Everyone is on their own (no teams during summer bowling), and you are welcome to drop in anytime.

Bowling is \$13.00 for 3 games, and we have weekly prizes.

DREAMLAND VILLA SINGLES CLUB

By Lu Wald

We welcome back all of our members who have been away for a while. It's nice to have you back with us!

October's events start with our lunch dine-out at Crackers on the 2nd. Our monthly potluck dinner at Read Hall will be on the 5th; come and join us. On the 10th, we'll be heading to the Hale for a concert entitled "British Invasion". On the 17th, we plan to take in the Paranormal Festival at the Superstition Mountain Museum. We'll carpool at 9:30 to take advantage of the cooler morning. On the 19th, we're heading to Queen Creek for dinner at San Tan Flats; we'll carpool at 3:15. A reminder that all dine-outs are planned with a reservation, so if you plan to

join us, contact Karol or Terry. As our members love concerts, we'll be heading to Chandler on the 23rd for the Free Chandler Orchestra Spooktacular Concert and Festival. On the 29th, we'll take in the Neil Diamond concert at the Hale. For any of these events, please contact Kathie or Debra. These phone numbers are found on the second page (back) of our calendars, which are found as a link on the Email Blast newsletter under Singles Club or on the dreamlandvilla.org website. Also, we generally have calendars at the office and on the bulletin board in Read Hall in the northwest corner.

We welcome visitors at our meetings, which are held on the second and fourth Wednesdays of each

month at 9:30 am in Read Hall. If you cannot attend a meeting, please come to our monthly potluck dinners on the first Monday evening in Read Hall at 5:30 pm. As we go into the fall season and you have been thinking of joining the Singles Club, come join us or send an email to singles@dreamlandvilla.org to learn more about our club. Our members feel our community is very important and make it a point to support all of our community activities. This month we'll be participating in the Compliance Town Hall meeting on the 15th, the pancake breakfast on the 17th, the community potluck on the 23rd, and the Germanfest on the 24th. We hope we see you all there as well!

55+ ACTIVE RETIREMENT COMMUNITY

SR. TECHIES COMPUTER CLUB

By Megan Tackett

When autumn arrives in southern Arizona, I head for the one place where I am certain it will be truly and breathtakingly spectacular:

Ramsey Canyon, a cool, protected gorge in the Huachuca Mountains, located 90 miles SE of Tucson.

Just walking along beneath the towering sycamores, palms, and pines, I am literally overwhelmed by Nature's palette, rife with ephemeral shades of red, orange, and yellow beneath a sky of vibrant blue.

If that's too far to drive, use your digital devices to take a virtual walk in the forest. Come to the computer class, and I can help.

- September Computer Lab 4-5 pm Wednesdays in Room 9
- October 7th- Laptop – How to find the digital Ramsey Canyon in the Mountains
- October 14th- Laptop - Check weather and learn how to read radar maps.
- October 21st- Laptop – Chris Tucker Genealogy Club
- October 28th -Laptop – Internet Scavenger Hunt

We're proud to be part of the EAST VALLEY COMMUNITY and look forward to continuing to serve your financial needs. We invite you to stop by and visit us.
